Hendee,2008-01-02 For years Magiere and Leesil have sought a long forgotten artifact even though its purpose has been shrouded in mystery All Magiere knows is that she must keep the orb from falling into the hands of a murdering Noble Dead her half brother Welstiel And now dreams of a castle locked in ice lead her south on a journey that has become nothing less than an obsession **All Roses are Dead this Time of Year** Amber Burney,2023-10-06 Despite my best efforts I had some difficulty writing another poetry book My hopes for All Roses are Dead this time of year are to explain how my life has taken a downward spiral In my worst moments I was the worst version of myself Despite my struggles I allowed myself to grow As I have grown up I have taken on roles I shouldn t have A phase of acceptance and entering a demon s world I was brought back to a man that never gave up on me despite the pain and misery I caused him The first person I ever loved gave me my first rose bouquet My healing was interrupted when I tried to avoid him only to be drawn back to him Your love showed me all the reasons despite my antipathy **The New York Times 1000 Gardening Questions & Answers** Leslie Land,2003-01-01 A collection of gardening wisdom in a question and answer format provides information on flowers trees

R. A., 1871 *New York Magazine* , 1996-02-05 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **An Ear to the Ground** Ken Thompson, 2011-06-30 How did plants get to be the way they are Why do they have pretty flowers How different would things have been if the wrong kind of pollinators had got the upper hand Why are Latin names so complicated and why Latin anyway Why is a weed free lawn an ecological impossibility This entertaining book gives the answers to these questions and many more It shows how a little botanical knowledge can bring not just better results but peace of mind and that losing sleep over such traditional gardening bogeys as weeds pests and pruning is not necessarily the best course In this new edition Ken Thompson grabs the opportunity to explain why any old plant will do for companion planting but also that it can do as much harm as good and why planting by the moon is complete and utter nonsense **The Goddess of Reason** Mary Johnston, 2019-12-18 In *The Goddess of Reason* Mary Johnston masterfully weaves a narrative steeped in the tumultuous period of early 20th century America exploring themes of social justice gender roles and the quest for enlightenment The novel employs a richly descriptive style imbuing each character with depth and complexity while interspersing philosophical discourse that reflects the burgeoning intellectual movements of the time Through its intricate plot and vibrant prose Johnston crafts a compelling exploration of the human condition compelling readers to confront the balance between reason and emotion in personal and societal

transformations Mary Johnston a prominent figure in American literature was deeply influenced by her upbringing in Virginia and her passionate advocacy for social reforms particularly women s suffrage Her experiences as a suffragist and her observations of societal contradictions in the early 1900s undeniably inform the narrative of *The Goddess of Reason* Johnston s commitment to social change and her belief in the power of reason are evident in the nuanced portrayals of her characters who embody both the struggles and triumphs of their time For readers seeking a profound and thought provoking exploration of rationality feminism and the human spirit *The Goddess of Reason* stands as a vital contribution to both literary and social discourse It is a must read for those intrigued by the intersections of literature and philosophy offering insights that resonate even in contemporary discussions of gender and society

Wounds of Love Frank Graziano,2004 St Rose of Lima Isabel Flores y Oliva 1586 1617 was canonized in 1671 as the first saint of the New World and Patron of the Americas In this engrossing new biography Frank Graziano offers the most comprehensive examination of the life of Rose to appear in any language An obscure self mortifying mystic Rose seems a strange choice for the distinction of first American saint Graziano argues that the cult that grew up around St Rose during her life and greatly expanded after her death was seen by both Church and State as a challenge and even a threat to authority For that reason he contends the Church acted quickly to render her harmless by bringing her into the fold Graziano goes on to consider Rose s ascetic Christianity in its cultural context He seeks to discover why the severe austerities and mortifications of female piety that today are regarded as psychopathological were lauded as exemplary means of worship in the seventeenth century In fact he shows St Rose s behavior and experiences were initially regarded as pathological by many significant observers within her own culture but such assessments were gradually dismissed as her saintly image was constructed Drawing on key archival sources and the insights offered by psychoanalytic theory Graziano constructs a compelling portrait of one of the Catholic Church s most beloved saints
