Senni,2013-05-24 A hundred years ago the Rosa Nera the ruthless Monfradini Mafia family in Sicily was spreading like a plague They coaxed every Mafioso throughout Italy to join their powerful Family Those who would not join received a black rose which was quickly followed by a violent death The rest of the Families knowing that to do nothing meant certain death banded together and swooped down on the Monfradini Family They were led by Angelo Procotchi who gave orders to kill everyone including women and children so that there could be no retaliation Fear again strikes the modern day Mafia Families Descendents of Angelo Procotchi receive black roses sent by the Black Rose herself a descendent of the only Monfradini to secretly escape the massacre This beautiful woman who calls herself the Black Rose quickly becomes a major force on the East Coast employing the same strategy as her great grandfather John Romano fights to keep the Family members from the certain death the Black Rose has promised This seems to be an insurmountable task as the Black Rose proves to be a very difficult adversary because of her cunning and her breathtaking beauty She uses all of her skills to bring the very lonely John Romano under her spell **Vinyl** Mike Evans,2022-09-06 This history of the LP is a must have for any music connoisseur When vinyl LP records took over the music industry in the late 1950s a new era began No longer bound by the time constraints of the shellac 78s that had been in use

since the 1910s recording artists could now present an entire album rather than a lone three minute single on a vinyl LP giving listeners a completely new way to experience their music In recent years vinyl has found a second life as an art form collected and appreciated by music connoisseurs across the world Vinyl The Art of Making Records examines the origins of the vinyl format and its evolution throughout the 20th century and also provides an in depth look at how vinyl LPs are manufactured and packaged often with striking artwork that makes them beloved by music enthusiasts today Also included are four removable art prints each representing a sample of album covers from the 1960s 1970s 1980s and 1990s
