Tiger Claws John Speed, 2008-11-11 India 1658 History blazes in the pages of *Tiger Claws* as passion and desire ignite India s Muslim Hindu conflict The adventure that began with *The Temple Dancer* now continues as Maya the temple dancer traveling by caravan to her new owner is kidnapped by the bandit prince Shivaji and their destinies unite Meanwhile in the jeweled palace of Agra Aurangzeb a fanatic warrior prince with an insatiable lust for power conspires with the Eunuch Brotherhood to overthrow his own father the dissolute Mogul Emperor Shivaji reforges Maya s broken sword sparking a rebellion that will rage across India and shatter the Mogul Empire To this day the names Shivaji and Aurangzeb inspire fierce love and fiercer hatred Only the vast canvas of an epic novel can truly embody them In *Tiger Claws* a master storyteller breathes new life into their history a conflict that shaped the face of India and our world today With thrilling sensual prose John Speed weaves a rich tapestry of intertwining stories of commoner and king of women and the men they love of Hindu priest and Muslim sheik of eunuch farang and devadasi a world of violence passion and heartbreak of unexpected wonder and enduring love The Oxford Encyclopedia of Women in World History Bonnie G. Smith, 2008

The *Encyclopedia of Women in World History* captures the experiences of women throughout world history in a comprehensive 4 volume work Although there has been extensive research on women in history by region no text or reference work has comprehensively covered the role women have played throughout world history The past thirty years have seen an explosion of research and effort to present the experiences and contributions of women not only in the Western world but across the globe Historians have investigated womens daily lives in virtually every region and have researched the leadership roles women have filled across time and region They have found and demonstrated that there is virtually no historical social or demographic change in which women have not been involved and by which their lives have not been affected The *Oxford Encyclopedia of Women*

in World History benefits greatly from these efforts and experiences and illuminates how women worldwide have influenced and been influenced by these historical social and demographic changes The Encyclopedia contains over 1 250 signed articles arranged in an A Z format for ease of use The entries cover six main areas biographies geography and history comparative culture and society including adoption abortion performing arts organizations and movements such as the Egyptian Uprising and the Paris Commune womens and gender studies and topics in world history that include slave trade globalization and disease With its rich and insightful entries by leading scholars and experts this reference work is sure to be a valued go to resource for scholars college and high school students and general readers alike **Shadow Princess** Indu Sundaresan,2010-03-23

Critically acclaimed author Indu Sundaresan picks up where she left off in *The Twentieth Wife* and *The Feast of Roses* returning to seventeenth century India as two princesses struggle for supremacy of their father s kingdom Trapped in the shadow of the magnificent tomb their grief stricken father is building for his beloved deceased wife the emperor s daughters compete for everything control over the imperial harem their father s affection and the future of their country They are forbidden to marry and instead choose to back different brothers in the fight for ultimate power over the throne But only one of the sisters will succeed With an enthusiasm for history and a flair for rich detail Indu Sundaresan brings readers deep into the complicated lives of Indian women of the time period and highlights the profound history of one of the most celebrated works of architecture in the world the Taj Mahal *The Tattooed Fakir* Biman Nath,2014-02-27

A spare elegant rendition of political clashes driven by personal agendas of rage and revenge *The Tattooed Fakir* underlines a lesser known section of history with deep emotions A novel about a lesser known section of eighteenth century Indian history armed Muslim fakirs waging guerilla warfare against British colonial rulers Explores the interesting dilemma of the mixed race child who is transformed into the fierce tattooed fakir A young woman Roshanara is kidnapped by the village zamindar The British sahib owner of the indigo plantation intervenes but then takes her as his own mistress She is not however any local woman she is a fakirs daughter It is the end of the eighteenth century in northern Bengal Roshanaras father Cherag Ali and her husband Asif go to Majnu Shahs band of fakirs to plead for help in getting her back The fakirs are known for their heroic battles with the British for their arms and horses Asif feels nothing is left for him in the village and joins the fakirs training in the use of weapons and ammunition skirmishing with them up and down the country but pining always for his Roshanara Years later in an oddly fated rescue mission he ends up not with her but with her son Roshan who evolves into a ferocious fakir soldier tattooed and insecure about his identity **Indian Horticulture** ,1963
