The Kingdom of the Occult delivers the timely followup to Dr Martin's best selling The Kingdom of the Cults. In 1918 Max Heindel wrote: "The process of preparation for the Aquarian Age has already commenced and as Aquarius is an airy scientific intellectual sign it is a foregone conclusion that the new faith must be rooted in reason and able to solve the riddle of life and death in a manner that will satisfy both the mind and the religious instinct. As we have in the past evolved five senses by means of which we contact the present visible world, so shall we in the far distant future evolve another sense which will enable us to see the denizens of the Etheric Region, including those of our dear ones who have left the physical body and inhabit the ether and lower Desire World during the first stage of their career in the spiritual realms."      **The Rosicrucian Mysteries (Esprios Classics)** Max Heindel, 2019-11-17

Rosicrucianism is a spiritual and cultural movement which arose in Europe in the early 17th century after the publication of several texts which purported to announce the existence of a hitherto unknown esoteric order to the world and made seeking its knowledge attractive to many. The mysterious doctrine of the order is built on esoteric truths of the ancient past which concealed from the average man provide insight into nature, the physical universe and the spiritual realm. The manifestos do not elaborate extensively on the matter but clearly combine references to Kabbalah, Hermeticism, alchemy and mystical Christianity.      Catalog of Copyright Entries.
