operated in conjunction with the developing patterns of modern life She details such fascinating examples of occult practice as the sex magic of Aleister Crowley the pharmacological experimentation of W B Yeats and complex forms of astral clairvoyance as taught in secret and hierarchical magical societies like the Hermetic Order of the Golden Dawn Through a remarkable blend of theoretical discussion and intellectual history Owen has produced a work that moves far beyond a consideration of occultists and their world Bearing directly on our understanding of modernity her conclusions will force us to rethink the place of the irrational in modern culture An intelligent well argued and richly detailed work of cultural history that offers a substantial contribution to our understanding of Britain Nick Freeman Washington Times The Real History of the Rosicrucians Arthur Edward Waite,2007-03-01 An excellent introduction to the historical and factual records by and about the Rosicrucians This classic study was first published in 1887 *Restoring the Temple of Vision* Marsha Keith Schuchard,2002-04-07 This book uncovers the early Jewish Scottish and Stuart sources of ancient Cabalistic Freemasonry that flourished in cossais lodges in the eighteenth and nineteenth centuries Drawing on architectural technological political and religious documents it provides real world historical grounding for the flights of visionary Temple building described in the rituals and symbolism of high degree Masonry The roots of mystical male bonding accomplished through progressive initiation are found in Stuart notions of intellectual and spiritual amicitia Despite the expulsion of the Stuart dynasty in 1688 and the establishment of a rival modern system of Hanoverian Whig Masonry in 1717 the influence of ancient Scottish Stuart Masonry on Solomonic architecture Hermetic masques and Rosicrucian science was preserved in lodges maintained by Jacobite partisans and exiles in Britain Europe and the New World **Gothic Immortals (Routledge Revivals)** Marie Mulvey-Roberts,2016-05-05 First published in 1990 this book represents the first full length study of into the group of novels designated Rosicrucian and traces the emergence of this distinct fictional genre revealing a continuous occult tradition running through seemingly diverse literary texts Taking the Enlightenment as a starting point the author shows how the physician s secular appropriation of the idea of eternal life through the study of longevity and physical decay attracted writers like William Godwin It focuses on the bodily immortality of the Rosicrucian hero and investigates the novels of five major writers Godwin Percy Bysshe Shelley Mary Shelley Maturin and Bulwer Lytton New Perspectives in British Cultural History Rosalind Crone,David Gange,Katy Jones,2021-03-04 This book is composed of a selection of papers presented at a conference in Cambridge in December 2005 Cultural history is a relatively new sub discipline Over the past few decades it has become increasingly apparent that a new generation of historians has emerged These scholars have become concerned with research sources and questions traditionally beyond the scope of the discipline of history Indeed recent monographs in history have demonstrated a growing awareness of the cultural imagination in analyses of patterns of change and continuity in the past Such a movement has also encouraged the development of new networks between different disciplines in the Arts and Social Sciences The authors of these chapters come from a wide range of academic backgrounds
