

Rosie's show keeps her very busy, but what is most important—her family. After *The Rosie O'Donnell Show*, she has a young girl. She was born on September 1, 1997, and named her Chelsea Belle. Parker chose the name Belle from the movie *Beauty and the Beast*. Rosie adopted a third child, Blake Christopher, on December 5, 1999. On her first show, she told the audience her big news. "I have a son and he is so happy."

There's no question that Rosie loves kids and that kids love Rosie. In 1997, Rosie hosted the Tony Awards and the kids of America voted her their favorite movie actress for the second time for *Harriet the Spy*. One reason kids adore Rosie may be that she is a big kid herself. Her host desk on the show is covered with toys. And she has one whole room in her house just for what her son Parker calls "Mama toys." "It's like a kid's playroom, except adult size. She has her collection of McDonald's Happy Meal toys on the shelves of her living room," said pal and actress Rita Wilson.

Rosie adores having fans who are kids and says, "I love kids, always have. It means so much to me to brighten up a kid's day." Kids can relate to many of the fun things she does on the show—it's almost as if she has invited everyone over to play. Once, she had actress Juliana Margulies eat her first-ever Twinkie for the whole world to see. Rosie is never afraid to look silly. When Super Kid Jaya Fox gave her Elvis glasses and sideburns, Rosie slapped them on and started to sing. And she and Jennifer Love Hewitt sang karaoke on her very own Rosioke machine!

Rosie also often picks audience members to come on stage and play games to win prizes. There are wacky trivia

Rosie likes to sing "You Two" from the movie *Cherry Cherry Bang, Bang* to her kids at night.
