**The English Dane** Sarah Bakewell,2005 Jorgen Jorgenson was a Dane who made Britain his adopted country Restless for adventure and inspired by his hero Captain Cook he came to London and at twenty three was among the small party who established a new colony Tasmania Amid many twists of fortune he captained a ship for France against Britain but then sailed with British traders to Iceland This was his long dreamed of moment of glory staging an outrageous coup for two months he ruled Iceland proclaiming it free from Danish rule its ancient rights restored He was not yet thirty Much lay ahead including imprisonment in the hulks patronage by Joseph Banks and travels in Europe as a British spy But Jorgenson was always dogged by his own excesses Inevitably he spiralled downwards until he was transported as a convict to Tasmania the very colony he helped to found Here he rose again He became an explorer cutting through the bush on desperate missions in icy mountains and across flooded rivers and despite his sympathy for the people he was caught up in the terrible Aboriginal clearances described here Sarah Bakewell tells this tale using unpublished sources and letters The odyssey she describes crossing the world from island to island illuminates the murky workings of British power while it also reveals her hero s charisma and painful self division **BOOK JACKET** **A Companion to Australian Art** Christopher Allen,2021-07-06 A Companion to Australian Art is a thorough introduction to the art produced in Australia from the arrival of the First Fleet in 1788 to the early 21st century Beginning with the colonial art made by Australia s first European settlers this volume presents a collection of clear and accessible essays by established art historians and emerging scholars alike Engaging clearly written chapters provide fresh insights into the principal Australian art movements considered from a variety of

chronological regional and thematic perspectives The text seeks to provide a balanced account of historical events to help readers discover the art of Australia on their own terms and draw their own conclusions The book begins by surveying the historiography of Australian art and exploring the history of art museums in Australia The following chapters discuss art forms such as photography sculpture portraiture and landscape painting examining the practice of art in the separate colonies before Federation and in the Commonwealth from the early 20th century to the present day This authoritative volume covers the last 250 years of art in Australia including the Early Colonial High Colonial and Federation periods as well as the successive Modernist styles of the 20th century and considers how traditional Aboriginal art has adapted and changed over the last fifty years The Companion to Australian Art is a valuable resource for both undergraduate and graduate students of the history of Australian artforms from colonization to postmodernism and for general readers with an interest in the nation s colonial art history
