

DEVELOPING FUTURE ROTARIANS WITH ROTARY YOUTH EXCHANGE

Introduction by Andrea Cremoncini

The Presenter will introduce the speakers with some short general remarks about our programs, short and long-term and the hint that we always get feedback that this was an amazing year, a great experience, and had a immense impact on the life of our students.

Besides that, the presenter will talk about the new perspective on RYEX which the presentation would like to cast a new light: that of an incredible opportunity for students, families and volunteers to live "a long period of full immersion in Rotary's values and action" which may likely inspire them and "Make a difference" along their lives. Presentation of speakers will shade a light on different aspects of the program, and demonstrate how RYEX can deeply inspire all stakeholders of the program, which are many more than students alone.

FIRST PRESENTATION: ASHLEY GRIER

The first presentation will be given by Ashley Grier, a former Canadian exchange student that was hosted in Germany in 1999. She will talk about support, patience and guidance that Rotary and her families provided to her as a 16-year-old girl in a foreign country, and how this experience created life-lasting connections all around the world. After coming back to Canada she became part of the ROTEX program; she wanted to start a ROTEX chapter and give back to future inbound students for the fantastic experiences she had, and other schools wanted to get involved too.

This commitment has become part of her life, and through the time spent with fellow exchangers Ashley now has friends in Australia, New Zealand, Japan, India, Russia, Zimbabwe, Mexico, Argentina, Brazil, Ecuador, Venezuela, and all over the USA. In addition to that she has "exchange siblings" from France, Germany, Denmark, Sweden, Austria, Chile, and Ecuador. Not to mention friendships made in Germany and the lifelong relationship with her host family. Her opportunity with Rotary has enriched her with so many international friendships and loved ones that couldn't have been possible in any other way. The presentation will let her to think about how many students travel every year, and how many connections are created in this way, and how much smaller the world is because of this fantastic program.

SECOND PRESENTATION: CHRISTINA HASSAN

The second presentation will be by Christina Hassan, who is a past exchanger that has later joined Rotary and is now a Rotarian. She will start telling her story like that of many other students that cry as they say goodbye to their host countries at the airport and thank Rotary for changing their life. Talking about how amazing their experience can be, she will reveal how these experiences don't just change lives of students, but can really change the world.
