Michael Mboya,2019-02-13 Okatch Biggy was the single most dominant benga artiste of the 1990s Over that decade benga was the most important genre of popular music in Kenya What is it about the music of Okatch Biggy that made it attractive to his target audience the Luo of the 1990s Is there something about the Luo of the 1990s that predisposed them to this music In the course of answering these and related questions this volume analyzes Okatch Biggy's songs as works of art that is by identifying the aesthetic and rhetorical conventions that are deployed in the songs and explores the central messages that the music transmits It shows the significance of the meanings in Okatch Biggy's music for the Luo of the 1990s by situating it in the historical context from which it emerged Literary instruments of analysis and contextualizing material gathered from various knowledge archives are deployed in the production of the textual meaning of the popular music of Okatch Biggy which is used here as a lens through which to understand the relationship between politics and ethnicity in the Kenya of the 1990s The book's carefully demonstrated argument is that in both the form and the content of his music Okatch Biggy undertook a comprehensive culturalist nationalist project of Luo definition that was persuasive to his primary audience in the highly ethnicized political context in which he became successful This is a timely study given the current renewed scholarly interest in African popular music that has come on the back of the rise of leisure studies and the reinvigoration of popular culture studies **Kenya** Jim Corrigan,2014-09-02 Many anthropologists believe the human species originated in Kenya's Rift Valley where hominid skulls more than 2 million years old have been discovered That fact alone would make Kenya an important place But this East African nation has many other extraordinary characteristics diverse terrain a remarkable variety of plant and animal life and a fascinating blend of cultures and languages among its people The political system in Kenya is far from ideal Historically government corruption has been a major problem However the country adopted a new constitution in 2010 and is considered one of the most stable in Africa Kenya has a free press and multiple political parties that compete in national elections The
