prostitution In this marriage economy the witty and pragmatic virgin Hellena learns how to survive while the prostitute Angellica Bianca can retain her autonomy only so long as she remains free from romantic love It seems that in this world women can only be free by the anonymity of disguise yet the mask is also the mark of the prostitute And paradoxically disguise is the device that in many ways drives the plot towards marriage Enormously popular through the eighteenth century The Rover is now once again widely performed Filled with the play of ideas it is one of the most amusing entertaining and unsettling of comedies

*The Rover* Aphra Behn, 2017-01-13 Aphra Behn was a British writer during the Restoration era in the 17th century Behn was one of the first women in history to earn a writing through living and she would inspire many of the great female authors that followed Virginia Woolf famously wrote in A Room of One's Own that all women should lay flowers on the tomb of Aphra Behn because she earned them the right to speak their minds The Rover is a two part play that is considered a remake of Thomas Killigrew's play Thomaso or The Wanderer The play centers around the adventures of a group of Englishmen traveling in Naples at

Carnival time      **The Cambridge Companion to Aphra Behn** Derek Hughes, Janet Todd, 2004-11-25 Traditionally known as the first professional woman writer in English Aphra Behn has now emerged as one of the major figures of the Restoration She provided more plays for the stage than any other author and greatly influenced the development of the novel with her ground breaking fiction especially *Love Letters between a Nobleman and his Sister* and *Oroonoko* the first English novel set in America Behn's work straddles the genres beside drama and fiction she also excelled in poetry and she made several important translations from French libertine and scientific works This Companion discusses and introduces her writings in all these fields and provides the critical tools with which to judge their aesthetic and historical importance It also includes a full bibliography a detailed chronology and a description of the known facts of her life The Companion will be an essential tool for the study of this increasingly important writer and thinker      **The Critical Fortunes of Aphra Behn** Janet Todd, 1998 This is the first study of the posthumous life of Aphra Behn the extraordinary vicissitudes of her critical reception and the personal vilifications of her reputation through three centuries Beginning with the reception of Behn's work during her lifetime which she herself helped to orchestrate by performing herself as a seductive woman a beleaguered lady writer and a serious intellectual among other roles the work ends with the late 20th century reception of Behn when the interest in gender race and class has made of her almost a postmodern writer In the 17th century she was seen as a playwright of sexy and propagandist comedies and attacked by those who disapproved her supposedly unfeminine stance and her royalist politics Later as the Restoration period itself fell into disrepute Behn's plays were denigrated along with those of her fellow men but greater opprobrium fell on her as a woman because in the 19th century it was felt that a female writer should have higher morals than a man During this period Behn's reputation was exceedingly low while her short story *Oroonoko* gained acclaim freed from any association with its author or her supposedly squalid times In the 18th and 19th centuries *Oroonoko* moved from being viewed as political commentary and heroic romance to a sentimental tale of doomed love and then an abolitionist text In the early twentieth century it was hailed as one of the earliest realist texts part of the great English ascent into the novel JANET TODD is professor of English at the University of East Anglia      **The Rover** Aphra Behn, 2016-11-10 Aphra Behn was a British writer during the Restoration era in the 17th century Behn was one of the first women in history to earn a writing through living and she would inspire many of the great female authors that followed Virginia Woolf famously wrote in *A Room of One's Own* that all women should lay flowers on the tomb of Aphra Behn because she earned them the right to speak their minds *The Rover* is a two part play that is considered a remake of Thomas Killigrew's play *Thomaso or The Wanderer* The play centers around the adventures of a group of Englishmen traveling in Naples at Carnival time      *The Rover* Aphra Behn, 2018-02-16 *The Rover or The Banish'd Cavaliers* is a play in two parts that is written by the English author Aphra Behn It is a revision of Thomas Killigrew's play *Thomaso or The Wanderer* 1664 and depicts the amorous adventures of a group of Englishmen in Naples at Carnival time      **The Rover** Aphra Behn, 2014-06-13 Carnival time in *The Rover* is a

period when prohibitions are temporarily removed privileges and rank suspended and women from convent girls to courtesans take the initiative Featuring multiple plot lines which deal with the adventures of a group of love struck Englishmen in Naples Aphra Behn's play explores issues of love trickery and deception forced marriage male power fidelity and the excesses of sexual passion Hers is a male dominated society but one with a clear sighted portrayal of the female predicament The play is widely taught on A Level courses as well as on undergraduate literature and women's writing courses This new edition contains a completely new introduction and takes into account important criticism from the past decade as well as a new understanding of the nature of theatre in Behn's time and the significance of her contribution to English drama     The Rover, or, the Banish't Cavaliers.
