Lynn A. Bonfield, Mary Chase Morrison

Roxanas Children The Biography Of A Nineteenth Century Vermont Family:

Roxana's Children Lynn A. Bonfield, Mary Chase Morrison, 1995 Together their stories offer an intimate portrait of an American family caught up in the sweep of a century of change **Vermont Women, Native Americans & African Americans** Cynthia D. Bittinger, 2012-05-15 Vermont's constitution drafted in 1777 was one of the most enlightened documents of its time but in contrast the history of Vermont has largely been told through the stories of influential white men This book takes a fresh look at Vermont's history uncovering hidden stories from the earliest inhabitants to present day citizens striving to overcome adversity and be advocates for change Native Americans struggled to maintain an identity in the state while their land and rights were disappearing Lucy Terry Prince was the first female African American poet who rose above racism to argue her case before Vermont's governor and won Educator and historian Cynthia Bittinger unearths these and other inspirational stories of the contributions of women Native Americans and African Americans to Vermont's history

Roxana's Children Lynn A. Bonfield, Mary Chase Morrison, 1995 Together their stories offer an intimate portrait of an American family caught up in the sweep of a century of change **Family Life, Family Law, and Family Justice** Marsha Garrison, 2022-10-28 Family Life Family Law and Family Justice Tying the Knot combines history social science and legal analysis to chart the evolution and interdependence of family life and family law portray current trends in family life explain the pressing policy challenges these trends have produced and analyze the changes in family law that are essential to meeting these challenges The challenges are large and pressing Across the industrialized West nonmarital birth relational stress multi partner fertility and relationship dissolution have increased producing a dramatic rise in single parenthood poverty and childhood risk This concentration of familial and economic risk accelerates socioeconomic inequality and retards intergenerational mobility Although the divide is most pronounced in the United States the same patterns now affect families throughout the Western world Across the European Union there are 9.2 million lone parents and just under half of their families live in poverty Tying the Knot demonstrates how today's family patterns are deeply rooted in long standing class based differences in family life and explains why these class based differences have accelerated It explains how the values that guide family law development inevitably reflect the world in which families live and develops a new family law capable of meeting the needs of twenty first century families The book will be of considerable interest to family specialists from a number of fields including law demography economics history political science public health social policy and sociology

Finding Clara Jeri Fuller, 2022-11-11 The one thing I knew for sure was the more family history I found the more I knew there was more to find The question was asked if our ancestors came from England on the Mayflower I answered no Our English ancestors sailed into Cambridge Harbor Massachusetts in 1638 instead Finding Clara is a result of a single genealogical lead that became a family mystery in 1972 Jeri Fuller's great grandfather Charles Emery Fuller and first wife Martha had a daughter named Clara in 1875 She was born in Northfield Minnesota My mother did not know that he had

been previously married because there was no family history stories or photos handed down of Clara or her mother Jeri solved the mystery of finding Clara old school by writing to relatives and obtaining copies of vital records She provides intimate details of Clara s life where she lived attended college who she married and her children after she traveled to Northfield in 1997 Her get up and get personal research method gets results While completing Clara s biography she found that Charles Emery Fuller had served in the Civil War She tells where she obtained a copy of his mustered in and mustered out record and the narrative of where his regiment served Finding Clara reveals the discovery of numerous Fuller family connections to Northfield s unique history One ancestor witnessed Northfield s famous attempted robbery of the First National Bank by Frank and Jesse James and the Younger Brothers in 1876 Some ancestors served as volunteer fire fighters for Northfield s Hook and Ladder No 1 some attended either Carleton or St Olaf College The connections of her family to these places and events are amazing Jeri recounts her Fuller family history alongside America s history from colonial New England to the eighteenth century in the Mid West She tells of how Chauncey C Olin supported the Underground Railroad in Wisconsin She goes on to solve seven family history mysteries Using the strategy of her family s naming convention she identified her Violet Barber who was born in 1796 Her inspiring stories of tenacity and perseverance are insightful Her research located her family s American Revolutionary Soldier who moved to Canton New York in the early 1800s She includes eleven generations of her Fuller family tree The staff at the Flint Public Library in Middleton Massachusetts provided a map locating Thomas Fuller s home built in 1684 These stories in Finding Clara can assist any novice or expert genealogist find inspiration to complete their family histories *Vermont History*, 2010 Two Vermonts Paul M. Searls, 2006 Two Vermonts establishes a little known fact about Vermont that the state s fascination with tourism as a savior for a suffering economy is more than a century old and that this interest in tourism has always been dogged by controversy Through this lens the book is poised to take its place as the standard work on Vermont in the Gilded Age and the Progressive Era Searls examines the origins of Vermont s contemporary identity and some reasons why that identity Who is a Vermonter is to this day so hotly contested Searls divides nineteenth century Vermonter into conceptually uphill or rural parochial and downhill or urban cosmopolitan elements These two groups he says negotiated modernity in distinct and contrary ways The dissonance between their opposing tactical approaches to progress and change belied the pastoral ideal that contemporary urban Americans had come to associate with the romantic notion of Vermont Downhill Vermonter espousing a vision of a mutually reinforcing relationship between tradition and progress unilaterally endeavored to foster the pastoral ideal as a means of stimulating economic development The hostile uphill resistance to this strategy engendered intense social conflict over issues including education religion and prohibition in the late nineteenth and early twentieth centuries The story of Vermont s vigorous nineteenth century quest for a unified identity bears witness to the stirring and convoluted forging of today s Vermont Searls s engaging exploration of this period of Vermont s history advances our understanding of the political

economic and cultural transformation of all of rural America as industrial capitalism and modernity revolutionized the United States between 1865 and 1910 By the late Progressive Era Vermont s reputation was rooted in the national yearning to keep society civil personal and meaningful in a world growing more informal bureaucratic and difficult to navigate The fundamental ideological differences among Vermont communities are indicative of how elusive and frustrating efforts to balance progress and tradition were in the context of effectively negotiating capitalist transformation in contemporary America *The Middling Sorts* Burton J. Bledstein, Robert D. Johnston, 2001 First Published in 2001 Routledge is an imprint of Taylor Francis an informa company **The Great Silent Army of Abolitionism** Julie Roy Jeffrey, 2000-11-09 By focusing on male leaders of the abolitionist movement historians have often overlooked the great grassroots army of women who also fought to eliminate slavery Here Julie Roy Jeffrey explores the involvement of ordinary women black and white in the most significant reform movement prior to the Civil War She offers a complex and compelling portrait of antebellum women s activism tracing its changing contours over time For more than three decades women raised money carried petitions created propaganda sponsored lecture series circulated newspapers supported third party movements became public lecturers and assisted fugitive slaves Indeed Jeffrey says theirs was the day to day work that helped to keep abolitionism alive Drawing from letters diaries and institutional records she uses the words of ordinary women to illuminate the meaning of abolitionism in their lives the rewards and challenges that their commitment provided and the anguished personal and public steps that abolitionism sometimes demanded they take Whatever their position on women s rights argues Jeffrey their abolitionist activism was a radical step one that challenged the political and social status quo as well as conventional gender norms

Ira Allen J. Kevin Graffagnino, 2024-09-13 Land speculator revolutionary pamphleteer politician and empire builder Ira Allen 1751 1814 was a key figure on the Green Mountain frontier In a remarkable Vermont pioneer generation that included such noteworthy leaders as Ethan Allen Thomas Chittenden Moses Robinson Isaac Tichenor and Stephen Row Bradley Ira Allen stood out for his extraordinary energy vision and accomplishments He helped create and sustain the independent State of Vermont held such important state offices as treasurer surveyor general and member of the Governor s Council published hundreds of pages defending Vermont against a host of internal and external enemies and represented Vermont in negotiations with the British Empire other American states and Congress As an entrepreneur Allen amassed a Champlain Valley land portfolio of 120 000 acres and dreamed of developing the commercial and industrial potential of northwestern Vermont to establish profitable trade networks with Canada England and France When his financial reach exceeded his grasp in the 1790s he devised an audacious plan for a French Canadian rebellion against British authority that he hoped would restore his fortunes and turn his dreams into reality At the end of his life alone and destitute in Philadelphia Allen remained true to his revolutionary roots throwing his support behind an ill fated filibustering expedition against Mexican control of what two decades later became Texas J Kevin Graffagnino s biography ably details Ira Allen s extraordinary life As the first

published examination of Allen's career in nearly a century this book shines new light on Allen and his prominent role in Vermont's formative decades The New York Genealogical and Biographical Record Richard Henry Greene, Henry Reed Stiles, Melatiah Everett Dwight, George Austin Morrison, Hopper Striker Mott, John Reynolds Totten, Harold Minot Pitman, Charles Andrew Ditmas, Louis Effingham De Forest, Conklin Mann, Arthur S. Maynard, 1996 **Ancestry magazine**, 1998-09 Ancestry magazine focuses on genealogy for today's family historian with tips for using Ancestry.com advice from family history experts and success stories from genealogists across the globe Regular features include Found by Megan Smolensky reader submitted heritage recipes Howard Wolinsky's tech driven NextGen feature articles a timeline how to tips for Family Tree Maker and insider insight to new tools and records at Ancestry.com Ancestry magazine is published 6 times yearly by Ancestry Inc parent company of Ancestry.com **California History**, 1998 Love Entwined Helen Sheumaker, 2007-05-29 Using a wide array of evidence drawn from poetry fiction diaries letters and examples of hairwork Love Entwined traces the widespread popularity of the craft from the late eighteenth to the early twentieth century **The Postal Age** David M. Henkin, 2008-09-15 Americans commonly recognize television e mail and instant messaging as agents of pervasive cultural change But many of us may not realize that what we now call snail mail was once just as revolutionary As David M Henkin argues in The Postal Age a burgeoning postal network initiated major cultural shifts during the nineteenth century laying the foundation for the interconnectedness that now defines our ever evolving world of telecommunications This fascinating history traces these shifts from their beginnings in the mid 1800s when cheaper postage mass literacy and migration combined to make the long established postal service a more integral and viable part of everyday life With such dramatic events as the Civil War and the gold rush underscoring the importance and necessity of the post a surprisingly broad range of Americans male and female black and white native born and immigrant joined this postal network regularly interacting with distant locales before the existence of telephones or even the widespread use of telegraphy Drawing on original letters and diaries from the period as well as public discussions of the expanding postal system Henkin tells the story of how these Americans adjusted to a new world of long distance correspondence crowded post offices junk mail valentines and dead letters The Postal Age paints a vibrant picture of a society where possibilities proliferated for the kinds of personal and impersonal communications that we often associate with more recent historical periods In doing so it significantly increases our understanding of both antebellum America and our own chapter in the history of communications

Unbroken Jessie Haas, 2014-09-02 A Publishers Weekly Best Book and Parents Choice Gold Award Following her mother's death a thirteen year old has to adjust to life on a farm and tame a wild young colt It's 1910 and Harriet Gibson orphaned by the death of her mother in a horse and buggy accident is sent to live on a relative's hillside Vermont farm with her two year old colt Grieving her loss Harry now has to adjust to a new life and make new friends And Aunt Sarah is a harsh taskmaster Desperate to get away from her stern domineering aunt Harry decides to break in her untrained young Morgan

so she can ride the seven miles to her new school But an accident will force Harry to adapt once more as she makes surprising discoveries about her aunt and a family secret comes to light This is a stunning novel about love loss and blood ties and about how even when the heart is shattered the human spirit remains unbroken **Teaching History** ,1996

America, History and Life ,1999 Article abstracts and citations of reviews and dissertations covering the United States and Canada **The Searcher** ,2006 *Frontiers and Boundaries in U.S. History* Cornelis A. van Minnen,Sylvia L. Hilton,2004 The essays collected in this volume explore the frontier theme in American history not only as it relates to issues of political jurisdiction territorial expansion and cultural interaction but also as a concept which is applicable to any different types of historically significant boundaries that have been used to differentiate and separate that have been renegotiated or that might be historiographically redefined Physical geography demographic movements international relations political culture social customs language religion and other cultural factors as they intertwined over time have all played roles in the historical processes of defining the nation its values and the limits of its power The same factors have also given rise to different social groups interests and jurisdictions within the nation These essays examine many kinds of frontiers and boundaries territorial economic ethnic literary artistic ideological political institutional administrative and even historiographical discussing theoretical and interpretative problems in their demarcation as well as their transgression and their relationship with the exercise of power from colonial times to the present
