Cupid and the King Her Royal Highness Princess Michael of Kent,Princess Michael (of Kent),2006-01-03 Written with an insider's keen understanding of court life and filled with delicious details born of impeccable research Cupid and the King explores a little known chapter of the history of women's roles in the royal bedrooms of Europe

The Loves of Charles II Jean Plaidy,2005-10-25 From princesses to country girls to actresses the loves of Charles II come to life Ten years after Charles I was deposed and executed his son Charles II regains the throne after many years in exile Charles is determined not only to restore the monarchy but also to revive a society that has suffered under many years of Puritan rule when everything from theater to Christmas festivals was illegal As king Charles II throws himself into the gaiety of court life becoming a patron of the arts and a consummate lover of women He first secures a strong dynastic alliance by marrying Catherine of Braganza a shy plain Portuguese princess who falls in love with her handsome husband and brings him great wealth but can never give him the son he longs for For many years his untitled queen is a bold and sensual older woman Barbara Countess of Castlemaine whose husband is routinely paid to look the other way But when the politically ambitious Lady Castlemaine becomes too powerful she is replaced by Louise de Kroualle a baby faced French noblewoman who may have been sent to Charles's court as a spy His other great love and Louise's rival is Nell Gwyn a stage actress who rises from the streets of London to become the king's favorite and a hero of the working class Court intrigue and affairs of the heart weave together in this unforgettable page turner

Charles II Claire Hobson,2025-08-30 Explores Charles II's early life influences struggles and rise from prince to the restored Merry Monarch As a powerful king who embraced a permissive society Charles II shaped the culture of Restoration England but who and what shaped Charles Though his mother Henrietta Maria labelled him ugly he was adored as a child a sweet tempered Prince of Wales Some people seemed too fond of his playful instincts and his education suffered while sports and royal ceremonies excited him Steps were taken to unboy him quickly so he could handle his future role the ruling of three kingdoms but English civil war brought too much too soon Aged

12 Charles faced charging Roundhead cavalry at Edgehill and in his teens he led Cavalier efforts in the West Country and Jersey before taking naval command at sea Courageous intelligent and sociable he appeared a fine king to be However with regicide befalling his father revolution then saw the monarchy abolished In desperation after this Charles abandoned episcopacy infiltrated European politics and dealt in conspiracy risking all for Stuart restoration With his Scottish coronation behind him execution for invasion threatened Oliver Cromwell having trounced him in battle at Worcester and continued exile pushed the increasingly promiscuous Charles around Catholic Presbyterian and republican nations until an invitation came from Parliament This book examines Charles as a prince and pauper from his birth in 1630 to his thirtieth birthday Restoration Day It studies the feminine influences on his development considers his early sex life and addresses rumours affecting the succession Giving a clearer picture of young Charles it shows the making of the Merry Monarch Biography by Americans, 1658-1936 Edward H. O'Neill, 2016-11-11 This volume is the most comprehensive bibliography of purely biographical material written by Americans It covers every possible field of life but by design excludes autobiographies diaries and journals **A History of American Biography, 1800-1935** Edward H. O'Neill, 2015-09-30 A survey and evaluation of the whole range of American biography from the earliest important lives to book of the present day **The Merry Monarch's Wife** Jean Plaidy, 2008-01-22 Charles II is restored to the English throne and his court is lively and even scandalous The country is eager for succession to be clear and certain The next king will be the son of Charles II and his queen Catherine of Braganza Yet Catherine daughter of the king of Portugal and a Catholic has never been popular with the English people She is also having great difficulty conceiving an heir even as many of Charles's well known mistresses are bearing his children with ease Catherine is aware that courtiers close to Charles are asking him to divorce her and take another wife yet she is determined to hold her title in the face of all odds The ninth novel in the beloved Queens of England series The Merry Monarch's Wife brings Catherine of Braganza to life and plunges readers into the tumultuous world of Restoration England Bulletin Public Library of Fort Wayne and Allen County, 1927 *The Open Shelf*, 1929 **Special Bibliographic Series** US Army Military History Research Collection, 1978 Bulletin of the Library Company of Philadelphia Library Company of Philadelphia, 1918 Mary Dyer Ruth Talbot Plimpton, 1994 This is the history of Mary Dyer 1611-1660 whose efforts to seek and find freedom to worship led eventually to her death Her quest began when she and her husband sailed from Old to New England in 1635 They were soon disillusioned by the intolerant practices and beliefs of the Puritans who considered all truth could be found in the Old Testament and only there Variations from Puritan interpretations of the Ten Commandments were punished by cruel torture and or death Banished from Boston for protesting such rigidity in belief and practice Mary was among the group who founded Rhode Island where freedom in belief and practice of worship was established Catalog of Copyright Entries.
