Susan Mosher Stuard

Royalty Feudalism And Gender:

Royalty, Feudalism, and Gender Hem Bala Bhargava, 2000 Describing the social and economic conditions of Rajasthan as depicted by the European travellers during the British rule

The Politics of Marriage in India Sabita Singh, 2019-05-27 The history of marriage is viewed as social history related to customs and laws but it is also a reflection of an inner life one that comprises tales of joy suffering and the mundane most of it hidden from the historian's eye Analysing the institution of marriage in medieval Rajasthan Singh reconstructs the regional social structures and cultures of the time The history of Rajasthan has always been romanticized especially the legends of Sati and Jauhar both of which along with the rituals related to widowhood are seen as institutional forms of women's oppression Singh offers a fresh perspective on these customs often challenging the conventional narrative and unearthing the complex motives behind them Referring to extensive archival and literary sources the author delves deep into practices such as polygamy dowry and concubinage which are situated in the changing socio political structures As the author takes cognizance of the regional variations with respect to cultural norms what becomes unequivocally clear is the multicultural ethos of India and the fact that history cannot be interpreted in monolithic universal terms

Women and Gender in Medieval Europe Margaret Schaus, 2006 Publisher description

Sovereignty and Social Reform in India Andrea Major, 2010-11-05 This book offers an important reinterpretation of major themes of sovereignty authority and social reform in colonial South Asian history Focusing on the British prohibition of sati in 1829 the author shows how the debates that preceded this legislation have effectively set the terms of post colonial debates about sati as well as more generally defining the parameters of British involvement in Indian social and religious issues

A Companion to Britain in the Later Middle Ages S. H. Rigby, 2008-04-15 This authoritative survey of Britain in the later Middle Ages comprises 28 chapters written by leading figures in the field Covers social economic political religious and cultural history in England Ireland Scotland and Wales Provides a guide to the historical debates over the later Middle Ages Addresses questions at the leading edge of historical scholarship Each chapter includes suggestions for further reading

Family and Gender in Renaissance Italy, 1300-1600 Thomas Kuehn, 2017-03-24 This book studies family life and gender broadly within Italy not just one region or city from the fourteenth through the seventeenth centuries Paternal control of the household was paramount in Italian life at this time with control of property and even marital choices and career paths laid out for children and carried out from beyond the grave by means of written testaments However the reality was always more complex than a simple reading of local laws and legal doctrines would seem to permit especially when there were no sons to step forward as heirs Family disputes provided an opening for legal ambiguities to redirect property and endow women with property and means of control This book uses the decisions of lawyers and judges to examine family dynamics through the lens of law and legal disputes

Considering Medieval Women and Gender Susan Mosher Stuard, 2024-10-28 Professor Stuard collects here a set of her articles on women and

gender in the Middle Ages beginning with her first published in 1975 The first section on marriage opens with an exploration of the Ragusa Dubrovnik archives reaches out to consider patterns of gift giving at marriage and of consumption The second section focuses on slavery specifically women destined for domestic service The final parts contain historiographical surveys of the field of women and gender studies and three biographical studies

The Oxford Handbook of Women and Gender in Medieval Europe Judith M. Bennett, Ruth Mazo Karras, 2013-08-22 Provides a comprehensive overview of the gender rules encountered in Europe in the period between approximately 500 and 1500 C E

From Obscurity to Light Devika Rangachari, 2020-03-10 This book attempts to reintegrate women into the socio political milieu of early medieval Orissa Its sources are inscriptions mostly Sanskrit that date from the seventh century to the end of the reign of the Imperial Ganga ruler Anantavarman Codagangadeva CE 1078 1147 The evidence indicates that royal and non royal women had varying but undeniably important roles to play in the socio political fabric of this prominent regional entity The Bhauma Kara dynasty c mid eighth ninth late tenth century that witnessed the rule of six women four of them in succession is a case in point In addition the palpable presence of several other royal and non royal women is consistently documented in the epigraphic record This is an aspect that has received very little attention in secondary works thereby rendering this study a pioneering one The work follows on from Rangachari s earlier *Invisible Women Visible Histories Gender Polity and Society in North India 7th to 12th century ad* which had focused on important gendered aspects of early medieval north India through an analysis of literary and epigraphic sources of Kashmir Kanauj Bengal and Bihar The invisibilization of women whereby their presence is routinely ignored or trivialized was similarly its underlying essence Please note This title is co published with Manohar Publishers New Delhi Taylor Francis does not sell or distribute the Hardback in India Pakistan Nepal Bhutan Bangladesh and Sri Lanka

Royal Women and Dynastic Loyalty Caroline Dunn, Elizabeth Carney, 2018-05-21 Royal women did much more to wield power besides marrying the king and producing the heir Subverting the dichotomies of public private and formal informal that gender public authority as male and informal authority as female this book examines royal women as agents of influence With an expansive chronological and geographic scope from ancient to early modern and covering Egypt Great Britain the Ottoman Empire and Asia Minor these essays trace patterns of influence often disguised by narrower studies of government studies and officials Contributors highlight the theme of dynastic loyalty by focusing on the roles and actions of individual royal women examining patterns within dynasties and considering what factors generated loyalty and disloyalty to a dynasty or individual ruler Contributors show that whether serving as the font of dynastic authority or playing informal roles of child bearer patron or religious promoter royal women have been central to the issue of dynastic loyalty throughout the ancient medieval and modern eras

Women, Crime and Punishment in Ancient Law and Society Elisabeth Meier Tetlow, 2004-12-28 Crime and punishment criminal law and its administration are areas of ancient history that have been explored less than many other aspects of ancient civilizations Throughout history women have been affected

by crime both as victims and as offenders Yet in the ancient world customary laws were created by men formal laws were written by men and both were interpreted and enforced by men

A Companion to Global Gender History Teresa A. Meade, Merry E. Wiesner-Hanks, 2020-11-19 Provides a completely updated survey of the major issues in gender history from geographical chronological and topical perspectives This new edition examines the history of women over thousands of years studies their interaction with men in a gendered world and looks at the role of gender in shaping human behavior It includes thematic essays that offer a broad foundation for key issues such as family labor sexuality race and material culture followed by chronological and regional essays stretching from the earliest human societies to the contemporary period The book offers readers a diverse selection of viewpoints from an authoritative team of international authors and reflects questions that have been explored in different cultural and historiographic traditions Filled with contributions from both scholars and teachers A Companion to Global Gender History Second Edition makes difficult concepts understandable to all levels of students It presents evidence for complex assertions regarding gender identity and grapples with evolving notions of gender construction In addition each chapter includes suggestions for further reading in order to provide readers with the necessary tools to explore the topic further Features newly updated and brand new chapters filled with both thematic and chronological geographic essays Discusses recent trends in gender history including material culture sexuality transnational developments science and intersectionality Presents a diversity of viewpoints with chapters by scholars from across the world A Companion to Global Gender History is an excellent book for upper level undergraduate and graduate students involved in gender studies and history programs It will also appeal to more advanced scholars seeking an introduction to the field

The Max Weber Dictionary Richard Swedberg, Ola Agevall, 2016-09-07 Max Weber is one of the world's most important social scientists but he is also one of the most notoriously difficult to understand This revised updated and expanded edition of The Max Weber Dictionary reflects up to the moment threads of inquiry and introduces the most recent translations and references Additionally the authors include new entries designed to help researchers use Weber's ideas in their own work they illuminate how Weber himself thought theorizing should occur and how he went about constructing a theory More than an elementary dictionary however this work makes a contribution to the general culture and legacy of Weber's work In addition to entries on broad topics like religion law and the West the completed German definitive edition of Weber's work Max Weber Gesamtausgabe necessitated a wealth of new entries and added information on topics like pragmatism and race and racism Every entry in the dictionary delves into Weber scholarship and acts as a point of departure for discussion and research As such this book will be an invaluable resource to general readers students and scholars alike

The Creation of the French Royal Mistress Tracy Adams, Christine Adams, 2020-03-16 Kings throughout medieval and early modern Europe had extraconjugal sexual partners Only in France however did the royal mistress become a quasi institutionalized political position This study explores the emergence and development of the position of French royal mistress through detailed

portraits of nine of its most significant incumbents Agn s Sorel Anne de Pisseleu d Heilly Diane de Poitiers Gabrielle d Estr es Fran oise Louise de La Baume Le Blanc Fran oise Ath na s de Rochechouart de Mortemart Fran oise d Aubign Jeanne Antoinette Poisson and Jeanne B cu Beginning in the fifteenth century key structures converged to create a space at court for the royal mistress The first was an idea of gender already in place that while women were legally inferior to men they were men s equals in competence Because of their legal subordinacy queens were considered to be the safest regents for their husbands and subsequently the royal mistress was the surest counterpoint to the royal favorite Second the Renaissance was a period during which people began to experience space as theatrical This shift to a theatrical world opened up new ways of imagining political guile which came to be positively associated with the royal mistress Still the role had to be activated by an intelligent charismatic woman associated with a king who sought women as advisors The fascinating particulars of each case are covered in the chapters of this book Thoroughly researched and compellingly narrated this important study explains why the tradition of a politically powerful royal mistress materialized at the French court but nowhere else in Europe It will appeal to anyone interested in the history of the French monarchy women and royalty and gender studies

A Companion to Gender History Teresa A. Meade, Merry E. Wiesner-Hanks, 2008-04-15 A Companion to Gender History surveys the history of women around the world studies their interaction with men in gendered societies and looks at the role of gender in shaping human behavior over thousands of years An extensive survey of the history of women around the world their interaction with men and the role of gender in shaping human behavior over thousands of years Discusses family history the history of the body and sexuality and cultural history alongside women s history and gender history Considers the importance of class region ethnicity race and religion to the formation of gendered societies Contains both thematic essays and chronological geographic essays Gives due weight to pre history and the pre modern era as well as to the modern era Written by scholars from across the English speaking world and scholars for whom English is not their first language

The Powerful Women of Outremer Helena P Schrader, 2024-05-30 In the mild climate of the Mediterranean a rare blossom once bloomed a prosperous urbanised society inhabited by various ethnic and religious groups living harmoniously together for nearly two hundred years At the apex of this society ruled a feudal elite notorious for its wealth and love of luxury It was composed of politically savvy diplomatically adept well educated and multilingual men and women These women played an astonishing and indispensable role in shaping the character of their unique society They were ruling queens independent barons nuns and pilgrims They were merchants and artisans diplomats and spies They were warriors defending besieged cities and the most pitiful victims of conflict as slaves after a defeat While many primary sources readily recorded specific and noteworthy actions taken by individual women there is no comprehensive or systematic description of women s contribution to the life and society of Outremer All we have are fragments of a mosaic badly damaged by time Yet even these remnants have largely been neglected due to the prevailing emphasis on the era s military history The Powerful Women of

Outremer redresses that imbalance In a chronological narrative women s contributions to the crusader states are highlighted The book then explores women s societal role in thematic chapters Finally a series of short biographies shine a light on the lives of individual women By piecing together the scattered remnants of the historical mosaic The Powerful Women of Outremer offers readers a clearer understanding of the importance of women to the history of the Near East and a richer picture of the women themselves

Monarchy vs Republic Sebastian Farnham, AI, 2025-02-25 *Monarchy vs Republic* France 1789 1799 explores the clash between absolute monarchy and republican ideals during the French Revolution It dissects the philosophical underpinnings of each system contrasting the Divine Right of Kings with Enlightenment concepts like popular sovereignty and the social contract The book highlights the shift from a rigid social hierarchy to a society theoretically based on equality This pivotal decade witnessed France s unprecedented experiment in self governance forever altering European political thought The book examines the revolution s key events from the storming of the Bastille to the Reign of Terror alongside the rise and fall of various republican experiments It analyzes primary sources like pamphlets and speeches along with visual culture to reveal shifting public opinion The narrative progresses chronologically starting with pre revolutionary discontent and concluding with Napoleon Bonaparte s ascent The book argues that despite its turmoil the revolution marked a fundamental shift towards modern democratic ideals By exploring the nuances and contradictions of this era *Monarchy vs Republic* provides a fresh perspective on the revolution moving beyond simplistic narratives to analyze the complex interplay of ideologies and power structures It offers valuable insights into the enduring tension between established authority and popular will making it relevant for students scholars and anyone interested in world history and political science

The SAGE Encyclopedia of World Poverty Mehmet Odekon, 2015-06-15 The SAGE Encyclopedia of World Poverty Second Edition addresses the persistence of poverty across the globe while updating and expanding the landmark work Encyclopedia of World Poverty originally published in 2006 prior to the economic calamities of 2008 For instance while continued high rates of income inequality might be unsurprising in developing countries such as Mexico the Organization of Economic Co operation and Development OECD reported in May 2013 even countries with historically low levels of income inequality have experienced significant increases over the past decade including Denmark Sweden and Germany The U N and the World Bank also emphasize the persistent nature of the problem It is not all bad news In March 2013 the Guardian newspaper reported Some of the poorest people in the world are becoming significantly less poor according to a groundbreaking academic study which has taken a new approach to measuring deprivation The report by Oxford University s poverty and human development initiative predicts that countries among the most impoverished in the world could see acute poverty eradicated within 20 years if they continue at present rates On the other hand the U N says environmental threats from climate change could push billions more into extreme poverty in coming decades All of these points lead to the need for a revised updated and expanded edition of the Encyclopedia of World Poverty Key Features 775 evaluated and updated and

175 entirely new entries New Reader s Guide categories Signed articles with cross references Further Readings will be accompanied by pedagogical elements Updated Chronology Resource Guide Glossary and thorough new Index The SAGE Encyclopedia of World Poverty Second Edition is a dependable source for students and researchers who are researching world poverty making it a must have reference for all academic libraries Gender, Sexuality and Violence in Organizations Jeff Hearn,Wendy Parkin,2001-07-05 This exceptionally interesting study provides an up to date and integrated perspective on organizations violence gender and sexuality It pays particular attention to the power wielded by hierarchies of heterosexual men and the ways in which this produces violence in different carefully analyzed forms This book is a major contribution to the construction of sociological and political knowledge that is not founded on the dominant definitions of heterosexual masculinities Professor Terrell Carver University of Bristol This is a wide ranging and authoritative book The authors draw attention to the huge amount of evidence now available that documents the gendering and sexualising processes at the core of organisational life While they never nag about violation and inequality they are nonetheless relentless in confronting the reader with the weight of evidence Professor Rosemary Pringle University of Southampton This book brings together the themes of gender sexuality violence and organizations The authors synthesize the literature and research which has been done in these fields and provide a coherent framework for understanding the interrelationship between these concepts The importance of violence and abuse and particularly men s violence to women children and other men has been well established especially through feminist and some pro feminist research The insights of this scholarship have rarely been applied to organizational analysis The authors draw on this literature and their own research as well as relevant literatures on safety and risk at work anxiety and stress at work organizational policies on violence sexual harassment and bullying in organizations and male sexuality to provide valuable information on violence in and around organizations Gender Sexuality and Violence in Organizations breaks new ground in organization studies and will be essential reading for academics and students in both organization studies and all those studying issues of gender and sexuality in organizations **Women, Gender and Enlightenment** B. Taylor,S. Knott,2005-05-27 Did women have an Enlightenment This path breaking volume of interdisciplinary essays by forty leading scholars provides a detailed picture of the controversial innovative role played by women and gender issues in the age of light
