Shakespeare in Elizabethan Costume Ella Hawkins, 2022-05-19 The meanings originally communicated by Elizabethan and Jacobean dress have long been confined to history Why then have doublets hose ruffs and farthingales featured in many Shakespeare productions staged since the turn of the 21st century This book scrutinizes the popular practice of costuming Shakespeare's plays in Elizabethan and Jacobean dress It considers why this approach to design appeals to contemporary directors designers and audiences and how it has shaped the meaning of Shakespeare's works in specific performance contexts Informed by original interviews with several prominent theatre practitioners including Emma

Rice Gregory Doran Jenny Tiramani Simon Godwin Stephen Brimson Lewis and Tom Piper Shakespeare in Elizabethan Costume explores how various 21st century Shakespeare productions have drawn on myths and desires associated with early modern clothing Its discussions range from the practicalities of historical reconstruction to the appeal of early modern sartorial culture as an embodiment of wonder spectacle and the supernatural Productions discussed include Shakespeare s Globe s production of Henry V 1997 the National Theatre s Twelfth Night 2017 and the Royal Shakespeare Company s The Tempest 2016 Ella Hawkins examines the minutiae of modern design how seams are sewn whence fabrics are sourced as well as the widespread cultural movements that have produced our modern relationship with the period of Shakespeare s lifetime This is the first book to explore fully the significance of Elizabethan inspired design in contemporary Shakespearean performance Shakespeare in Elizabethan Costume reframes so called period costuming as a dynamic collection of practices capable of refashioning textual meanings reflecting present day political and societal shifts and confronting contemporary injustices Theatre Record ,2006 *The Giant* Antony Sher,2007 In his new play Antony Sher pits Michelangelo against Leonardo da Vinci in sixteenth century Italy *The Ben Jonson Journal* ,2006 Plays International ,2006 **Matt Ryan: Actor Behind the Trench Coat: Becoming Constantine** Mila Hasan,2018-03-26 A background book on one of my favourite actors Matt A bit of a long time coming but something that I was working on for a while so it was bound to happen and it did Includes some of his main appearances from the stage screen and TV are included As well as an entire section on Constantine and season 1 episodes His appearances on Arrow and Legends of Tomorrow Including his permanent role on Legends of Tomorrow Das Vermächtnis der Römer Iole Fargnoli,2012 Reinventing the Renaissance S. Brown,R. Lublin,L. McCulloch,2013-05-12 The plays of Shakespeare and his contemporaries has inspired interpretations in every genre and medium This book offers perspectives on the ways in which practitioners have used Renaissance drama to address contemporary concerns and reach new audiences It provides a resource for those interested in the creative reception of Renaissance drama *Sir Thomas More* William Shakespeare,2020-10-15 This edition of Sir Thomas More is the first to bring the play into the context of a major Shakespeare series to provide a substantial critical analysis and to offer a comprehensive modern stage history The introduction deals with issues such as the strange involvement of the anti Catholic spy hunter Anthony Munday as chief dramatist the place of Sir Thomas More as a Catholic martyr in Protestant late Elizabethan culture and the play s representation of a multi cultural London The text itself supported by a searching and detailed commentary adopts a distinctive presentation that enables readers to keep track of the manuscript and the hands that produced it whilst engaging with the play as a fascinating theatrical piece Sir Thomas More deals with matters so controversial that it may never have reached performance on stage The authors determination to deal with rioting and religious politics led to a play that is compelling in its own right but also intriguing as a document of what could and could not be articulated in the early modern public theatre Surviving only as a manuscript text on which Shakespeare was thought

to have worked it can be considered to be the most important play manuscript of the period owing to its highly complex witness to collaboration between dramatists and to censorship
