steps the annual challenge In 1970 the Smithsonian Institution hosted a show honoring Rube Goldberg s lifework In a life filled with superlatives it hardly needs mentioning that Rube is the only living cartoonist and humorist to have been so honored In his speech at the show s opening Rube said Many of the younger generation know my name in a vague way and connect it with grotesque inventions but don t believe that I ever existed as a person They think I am a nonperson just a name that signifies a tangled web of pipes or wires or strings that suggest machinery My name to them is like spiral staircase veal cutlets barber s itch terms that give you an immediate picture of what they mean So welcome to a collection of spiral staircases and veal cutlets to the inventions of an American original a creative genius named Rube Goldberg **Catalog of**
