## Rubian Empire:

The Russian Empire Sir Samuel Bagster Boulton (Bart.),1882      *The Holy Bible, Containing the Old and New Testaments: ...* ,1756      **Empire's Mistress, Starring Isabel Rosario Cooper** Vernadette Vicuña Gonzalez,2021-02-05 In Empire's Mistress Vernadette Vicuña Gonzalez follows the life of Filipina vaudeville and film actress Isabel Rosario Cooper who was the mistress of General Douglas MacArthur If mentioned at all their relationship exists only as a salacious footnote in MacArthur's biography a failed love affair between a venerated war hero and a young woman of Filipino and American heritage Following Cooper from the Philippines to Washington D C to Hollywood where she died penniless Gonzalez frames her not as a tragic heroine but as someone caught within the violent histories of U S imperialism In this way Gonzalez uses Cooper's life as a means to explore the contours of empire as experienced on the scale of personal relationships Along the way Gonzalez fills in the archival gaps of Cooper's life with speculative fictional interludes that both unsettle the authority of official archives and dislodge the established one dimensional characterizations of her By presenting Cooper as a complex historical subject who lived at the crossroads of American colonialism in the Philippines Gonzalez demonstrates how intimacy and love are woven into the infrastructure of empire      **Načertanie istorii gosudarstva rossijskago** Ivan K. Kajdanov,1829      Dancing with Dynamite Benjamin Dangl,2010 One step forward two steps back When social movements win state power      **A Measure of Grim Delight** Eddie Hammond,2018-04-11 A young Irish mechanic is persuaded by an American banker's daughter attending a post graduate course in Belfast to return to America with her There they will seek new opportunities and find themselves a niche and utopia in a warmer climate After marrying in the United States the newlyweds set off in their mobile home to start afresh From humble beginnings they build up a successful business that shows huge potential But they tread on the toes of a megalomaniac who sets out and succeeds in destroying their business They are determined to fight back and get recompense against tremendous odds      **The American Hebrew** ,1941      *Fibre Containers* ,1926      *New West* ,1979      *Catalogue No. 22* Yale & Towne Manufacturing Company,1917      **Transcript of the Enrollment Books** New York (N.Y.). Board of Elections,1964      Incomparable Empires Gayle Rogers,2016-11-01 The Spanish American War of 1898 seems to mark a turning point in both geopolitical and literary histories The victorious American empire ascended and began its cultural domination of the globe in the twentieth century while the once mighty Spanish empire declined and became a minor state in the world republic of letters But what if this narrative relies on several faulty assumptions and what if key modernist figures in both America and Spain radically rewrote these histories at a foundational moment of modern literary studies Following networks of American and Spanish writers translators and movements Gayle Rogers uncovers the arguments that forged the politics and aesthetics of modernism He revisits the role of empire from its institutions to its cognitive effects in shaping a nation's literature and culture Ranging from universities to comparative practices from Ezra Pound's failed ambitions as a Hispanist to Juan Ramón Jiménez's multilingual maps of

modernismo Rogers illuminates modernists profound engagements with the formative dynamics of exceptionalist American and Spanish literary studies He reads the provocative often counterintuitive arguments of John Dos Passos who held that American literature could only flourish if the expanding U S empire collapsed like Spain s did And he also details both a controversial theorization of a Harlem Havana Madrid nexus for black modernist writing and Ernest Hemingway s unorthodox development of a version of cubist Spanglish in *For Whom the Bell Tolls* Bringing together revisionary literary historiography and rich textual analyses Rogers offers a striking account of why foreign literatures mattered so much to two dramatically changing countries at a pivotal moment in history
