Cats John A. Rush, 2023-10-03 Explores our intertwined spiritual history with cats Examines spiritual and occult beliefs connected to cats from Mayan Aztec and Native American mythology as well as from ancient India Samaria Babylon Japan and Egypt Looks at spiritual behaviors attributed to cats as well as modern biological research into cat behavior and their highly sophisticated sensory systems Reveals the similarities between cat and human emotions and the deep connection between cats and meditation We have been connected to cats for more than 30 million years To our prehistoric ancestors cats were deadly predators of the night and because of this ancient memory etched onto our DNA cats epitomize our fear of the dark Yet in addition to their connection to the dark and the shadows their intelligence sophisticated physical abilities and finely tuned senses also led many cultures to view cats as connected to the spirit world Exploring the spiritual nature of cats John A Rush looks at humanity's fascination and fear of cats through the ages He examines spiritual and occult beliefs connected to cats from Mayan Aztec and Native American mythology as well as from ancient India Samaria Babylon Japan and Egypt including how ancient Egyptians used cats to send messages to the gods He reveals why the Catholic Church demonized cats and how cats are symbols of both Good and Evil Examining cat evolution the author looks at spiritual behaviors attributed to cats as well as modern biological research into cat behavior and their highly sophisticated sensory systems which unlike most other animals have changed very little over millions of years He explores their psychic ability to sense what humans cannot and the origins of their glowing eyes which has connected cats through myth to both the Underworld and the World of Light He also explores similarities between cat and human emotions cat communications with us and the deep connection between cats and meditation Revealing the spiritual journey of the cat from fearsome predator to occult symbol to household companion the author shows how in many ways cats are mirrors of us reflecting our conflicting dual nature that is at once loving yet distant magical yet vengeful and above all deeply connected to the spirit world

McCart,Susan Kleine, **The Best of Two Lives** Doris R. Ayyoub,2016-09-12 The Best of Two Lives is a love story as well as family history It is shaped as a journey beginning with the cultural foundations of Jordan and the United States Weaving threads of family stories Doris introduces us to compelling characters and describes ways of life that might be forgotten if not for projects such as this Ibrahim s early years are detailed as he lived in a mixed Muslim Christian community in Jordan and Doris tells of growing up as a small town conservative Christian in Oregon One of the fundamental messages is that despite superficial differences at the root Arab lives and concerns in the Middle East are relatable just as those of Americans in the United States Doris never shrinks from showing negative attributes that she couldn t be blamed for wanting to hide and that differentiates her book from a purely family history There s something here to help us see our own families more clearly and honestly and to understand them with compassion **Checky the Feral Cat** Anita Sutherland Millmann,2009-06 Heart
