Sex The Church

Carl King

Sex The Church:

Sex and the Church Lutheran Church--Missouri Synod. Family Life Committee,1961 *Sex in the Church* Carl King,2013-08-01 From the intimacy of Adam and Eve all the way to present day couples sex is meant to mirror something great and mysterious It s all about Christ and the church That is the message we hear from Apostle Paul in Ephesians Sex in the Church seeks to recapture some of that wonder As the subtitle states the goal of this book is reconnecting sexual relations to salvation Sexual intimacy belongs in the church but not in a stoic or stuffy way Pastor Carl takes the reader on a joyous journey that explores the meaning of sexual relationships and why they are so important to God and his church In his words Sex is serious fun Sex in the Church is all about letting the revelation of God in Christ reconciling the world affect our thoughts words and deeds As you will see it is not just about what happens in the bedroom The union begins in the church and flows out into every aspect of our lives *Sex, God, and the Conservative Church* Tina Schermer Sellers,2017-04-21 Sex God and the Conservative Church guides psychotherapy and sexology clinicians on how to treat clients who grew up in a conservative faith mired in sexual shame and dysfunction and who desire to both heal and hold on to their faith orientation The author first walks clinicians and readers through a critique of Western culture and the conservative Christian Church and their effects on intimate partnerships and sexual lives The book provides clinicians a way to understand the faulty sexual ethic of the early church while revealing the hidden mystical sex and body positive understanding of sexuality of the Hebrew people The book also includes chapters on strategies for a new sexual ethic on clinical steps to heal religious sexual shame and on specific sex therapy interventions clinicians can use directly in their practice Finally it offers a four step model for healing religious sexual shame and actual touch and non touch exercises to bring healing and intimacy into a person s life

Sex and the Supremacy of Christ John Piper,Justin Taylor,2005-06-14 The Bible has a way of shocking us If Americans could still blush we might blush at the words Rejoice in the wife of your youth a lovely deer a graceful doe Let her breasts fill you at all times with delight be intoxicated always in her love Proverbs 5 18 19 But of course sin always tries to trash God s gifts So we can t just celebrate sex for what God made it to be we have to fight what sin turned it into The contributors to this unique volume encourage you to do both celebrate and struggle This book has something for all men and women married and single from contributors like John Piper C J and Carolyn Mahaney Mark Dever Al Mohler Carolyn McCulley and others

Christians in a Sex-Crazed Culture Bill Hybels,1989-03-01 *Sex and the Church Girl* Tracey Lewis-Giggetts,2019-05-10 Theologies of sex within Christianity vary depending on the sect denomination and or general interpretation of related scriptures Because so much of that theology and its practice has historically had a patriarchal bent women have often not had a voice when it comes to Christian perspectives on sex and sexuality The voices of women have either been left out of the discussion entirely or ideals about their bodies and experiences with sex have been depicted and determined as good or bad by men This collection of essays will highlight the stories of women who either grew up in the church context or identify as

Christians currently Each piece explores how one's understanding of sex and sexuality is formed informed and misinformed by the varying approaches to sex found in the church

Sex, Satan and the Church Raymond S. King, Jr., 2005-08-01 Sex Satan and the Church Exposing the Lie is a timely book that opens a frank discussion on the sexual assault on the church and our society It establishes the difference between sex which is of satanic design and intimacy which is of God It shows how Satan is using the concept of sex to undermine the family thus actually attacking the church which in turn affects this entire nation and the world It exposes the lies about human sexuality that have been accepted in the world as well as by the church and the effects these lies are having on society It explores the results of this sexual focus and covers subjects ranging from same sex unions to masturbation demon influence to outright possession incest pornography adultery and fornication It discusses the historical and present use of sex in idol worship and how Satan is using sex to trap people and how it has many severe consequences on society Its scope of readers will be broad for it covers topics such as dating marriage parenthood living single the varied forms of deviant sexual behavior and ways of living sex free It will be a publication parents will want their teens to read and will be an excellent tool for study groups teen rap sessions and sermon preparation It encourages Christians and others to realize their responsibility to counter this assault by realizing the power and promises of God and using this power in every day life It establishes the concept of Christians becoming Change Agents Christ Activist and the effect this will have on the church Sex Satan and the Church Exposing the Lie proposes a specific way of turning the lukewarm state of the church around by focusing on our children and start changing a generation This concept is discussed and methods given to accomplish this goal This book also discusses one of the most controversial subjects in the church same sex unions and marriages Since same sex marriages unions is one of the major manifestations of this sexual assault today it is important to establish the root cause which is the same cause for all deviant sexual behavior This goal of awareness is important because by establishing this common cause it will help to eliminate the acceptance of this practice by those who value righteousness and are obligated to be obedient to God It also will further expose again the lie that this is a normal excepted life style Sex Satan and the Church Exposing the Lie is comprehensive in the discussion of human sexuality from a Christian perspective and will help Christians and non Christians to re think their position on sex It is believed that after reading this book one's concept of sex will never be the same

Sex and the Kingdom Kenneth M. Yelverton, 2013-01-22 Look what people are saying about Sex and the Kingdom It is with much enthusiasm that I endorse and recommend Sex and the Kingdom as a book needed to bring a healthy understanding of human sexuality in an hour that is increasingly carnal Godless decadent and immoral Bishop Yelverton lays out for us a Godly perspective of sexuality which indeed is a subject that many churches and individuals within the Body of Christ will not approach In this book he has remained true to his Pentecostal Holiness roots as well as his theological training It is a must read for all students and scholars who are serious about the Word of God and the future of the Lord's Church Indeed it appears that we are losing the battle for what is moral

and decent and these kinds of writings are necessary for us to indeed hold the banner high for holiness and that the Bible is still our rule of faith and practice Bishop Donald Hilliard Jr D Min The Cathedral International Perth Amboy New Jersey Much debate is taking place in sanctuaries across the nation about same sex marriages and regrettably the discussion ends there Bishop Yelverton has pushed the envelope and the dialogue over the cliff with no parachute Sex and the Kingdom should not just be read by every believer but debated meditated and taught The celibate to the promiscuous will be captivated by every page Pastor Jamal H Bryant Empowerment Temple Baltimore Maryland My brother and friend Bishop Yelverton has expressed his heart to help realign the church's understanding of sex as designed by God This book gives a clear picture that we should get our viewpoint of sex from God's word alone Sex and The Kingdom will instruct you on biblical scriptures regarding sex and sexuality because it reflects the Kingdom and God's intent on sex This book is a must read Bishop Andrew Merritt Straight Gate International Church Detroit Michigan *The Church and the Second Sex* Mary Daly, 1975 **Sex and the Church in the Long Eighteenth Century** William Gibson, Joanne Begiato, 2017-02-28 The Long Eighteenth Century was the Age of Revolutions including the first sexual revolution In this era sexual toleration began and there was a marked increase in the discussion of morality extra marital sex pornography and same sex relationships in both print and visual culture media William Gibson and Joanne Begiato here consider the ways in which the Church of England dealt with sex and sexuality in this period Despite the backdrop of an increasingly secularising society religion continued to play a key role in politics family life and wider society and the eighteenth century Church was still therefore a considerable force especially in questions of morality This book integrates themes of gender and sexuality into a broader understanding of the Church of England in the eighteenth century It shows that rather than distancing itself from sex through diminishing teaching regulation and punishment the Church not only paid attention to it but its attitudes to sex and sexuality were at the core of society's reactions to the first sexual revolution
