Sexing the Body Anne Fausto-Sterling, 2020-06-30 The groundbreaking examination of the construction of sexual identity now updated to reflect the latest research Why do some people prefer heterosexual love while others fancy the same sex Is sexual identity biologically determined or a product of convention In this brilliant and provocative book the acclaimed author of *Myths of Gender* argues that even the most fundamental knowledge about sex is shaped by the culture in which scientific knowledge is produced Drawing on astonishing real life cases and a probing analysis of centuries of scientific research Fausto Sterling demonstrates how scientists have historically politicized the body In lively and impassioned prose she breaks down three key dualisms sex gender nature nurture and real constructed and asserts that individuals born as mixtures of male and female exist as one of five natural human variants and as such should not be forced to compromise their differences to fit a flawed societal definition of normality

Sexing the Body Anne Fausto-Sterling, 2000-11 Discusses the causes and determining factors of gender behavior differences and sexual identity particularly biology and societal expectations and argues that differences between male and female are not always distinct

Sex/Gender Anne Fausto-Sterling, 2012-04-27 *Sex Gender* presents a relatively new way to think about how biological difference can be produced over time in response to different environmental

and social experiences This book gives a clearly written explanation of the biological and cultural underpinnings of gender Anne Fausto Sterling provides an introduction to the biochemistry neurobiology and social construction of gender with expertise and humor in a style accessible to a wide variety of readers In addition to the basics Sex Gender ponders the moral ethical social and political side to this inescapable subject An interview with the author WOMR The Lowdown with Ira Wood Sex an Gender Identity with Anne Fausto Sterling <http://www.publicbroadcasting.net/womr/jukebox/action/viewMedia/mediaId/1025429> Male, Female, Other? Jason Evert,2022-12-01 What is gender Few words today generate as much controversy as gender Students parents and educators are asking How many genders are there What if my daughter says she s trans Do some people have an intersex brain Should I use their preferred pronouns Is gender a social construct Does surgery prevent suicide Are puberty blockers safe What if I experience gender dysphoria In Male Female Other Jason Evert addresses the most common claims of gender theory and shows how to respond with charity and clarity If you care about someone who identifies as trans and don t know how to respond or you experience gender dysphoria and wonder what God s plan is for you you ll find the answers inside **Fascination of Queer** Stefano Ramello,2020-05-06 *New Feminist Perspectives on Embodiment* Clara Fischer,Luna Dolezal,2018-02-16 Despite several decades of feminist activism and scholarship women s bodies continue to be sites of control and contention both materially and symbolically Issues such as reproductive technologies sexual violence objectification motherhood and sex trafficking among others constitute ongoing pressing concerns for women s bodies in our contemporary milieu arguably exacerbated in a neoliberal world where bodies are instrumentalized as sites of human capital This book engages with these themes by building on the strong tradition of feminist thought focused on women s bodies and by making novel contributions that reflect feminists concerns both theoretically and empirically about gender and embodiment in the present context and beyond The collection brings together essays from a variety of feminist scholars who deploy diverse theoretical approaches including phenomenology pragmatism and new materialisms in order to examine philosophically the question of the current status of gendered bodies through cutting edge feminist theory **The Nature of Homosexuality** Erik Holland,2004-11 Some biological correlates of homosexuality can be dismissed with little difficulty but others are hard to explain away Some specific family environments and childhood experiences have been reported as more common among homosexuals than heterosexuals Homosexual behaviors or interests tend to be unstable in some individuals and this has been interpreted as suggesting that some people chose to be homosexual Additionally homosexuality in some contexts was socially tolerated and not extremely uncommon as in classical Greece Tokugawa Japan and some other societies i e homosexuality could be socially constructed Given diverse potential sources of homosexuality is a parsimonious explanation of what makes one a homosexual possible **A Companion to Global Gender History** Teresa A. Meade,Merry E. Wiesner-Hanks,2020-11-19 Provides a completely updated survey of the major issues in gender history from geographical chronological and topical perspectives This new

edition examines the history of women over thousands of years studies their interaction with men in a gendered world and looks at the role of gender in shaping human behavior It includes thematic essays that offer a broad foundation for key issues such as family labor sexuality race and material culture followed by chronological and regional essays stretching from the earliest human societies to the contemporary period The book offers readers a diverse selection of viewpoints from an authoritative team of international authors and reflects questions that have been explored in different cultural and historiographic traditions Filled with contributions from both scholars and teachers A Companion to Global Gender History Second Edition makes difficult concepts understandable to all levels of students It presents evidence for complex assertions regarding gender identity and grapples with evolving notions of gender construction In addition each chapter includes suggestions for further reading in order to provide readers with the necessary tools to explore the topic further Features newly updated and brand new chapters filled with both thematic and chronological geographic essays Discusses recent trends in gender history including material culture sexuality transnational developments science and intersectionality Presents a diversity of viewpoints with chapters by scholars from across the world A Companion to Global Gender History is an excellent book for upper level undergraduate and graduate students involved in gender studies and history programs It will also appeal to more advanced scholars seeking an introduction to the field
