Sexing The Groove Popular Music And Gender

Nicholas P. Greco

Sexing The Groove Popular Music And Gender:

Sexing the Groove Sheila Whiteley, 1997 Using a variety of methodologies and a wide range of case studies the contributors describe and debate how pop music performers subcultures fans and texts construct and deconstruct masculine and feminine identities [The Routledge Research Companion to Popular Music and Gender](#) Stan Hawkins, 2017-03-16 Why is gender inseparable from pop songs What can gender representations in musical performances mean Why are there strong links between gender sexuality and popular music The sound of the voice the mix the arrangement the lyrics and images all link our impressions of gender to music Numerous scholars writing about gender in popular music to date are concerned with the music industry's impact on fans and how tastes and preferences become associated with gender This is the first collection of its kind to develop and present new theories and methods in the analysis of popular music and gender The contributors are drawn from a range of disciplines including musicology sociology anthropology gender studies philosophy and media studies providing new reference points for studies in this interdisciplinary field Stan Hawkins's introduction sets out to situate a variety of debates that prompts ways of thinking and working where the focus falls primarily on gender roles Amongst the innovative approaches taken up in this collection are queer performativity gender theory gay and lesbian agency the female pop celebrity masculinities transculturalism queering transgenderism and androgyny This Research Companion is required reading for scholars and teachers of popular music whatever their disciplinary background *Neil Young and the Poetics of Energy* William Echard, 2005-06-15 A provocative multifaceted look at a rock icon **Country Boys and Redneck Women** Diane Pecknold, Kristine M. McCusker, 2016-02-08 Country music boasts a long tradition of rich contradictory gender dynamics creating a world where Kitty Wells could play the demure housewife and the honky tonk angel simultaneously Dolly Parton could move from traditionalist girl singer to outspoken trans rights advocate and current radio playlists can alternate between the reckless masculinity of bro country and the adolescent girlishness of Taylor Swift In this follow up volume to *A Boy Named Sue* some of the leading authors in the field of country music studies reexamine the place of gender in country music considering the ways country artists and listeners have negotiated gender and sexuality through their music and how gender has shaped the way that music is made and heard In addition to shedding new light on such legends as Wells Parton Loretta Lynn and Charley Pride it traces more recent shifts in gender politics through the performances of such contemporary luminaries as Swift Gretchen Wilson and Blake Shelton The book also explores the intersections of gender race class and nationality in a host of less expected contexts including the prisons of WWII era Texas where the members of the Goree All Girl String Band became the unlikeliest of radio stars the studios and offices of Plantation Records where Jeannie C Riley and Linda Martell challenged the social hierarchies of a changing South in the 1960s and the burgeoning cities of present day Brazil where college country has become one way of negotiating masculinity in an age of economic and social instability **"Only If You Are Really Interested"** Nicholas P. Greco, 2014-01-10 One of

the keys to the enduring popularity of the British singer Morrissey is his carefully crafted enigmatic persona This critical book examines the role of enigma in the celebrity s public life exploring how a level of mystery is maintained through television interviews videos reviews and concerts as well as through his music and lyrics Of particular interest is the way in which enigma stimulates interest and desire in his audience and how the artist manipulates traditional modes of masculinity and the conventions of pop music to further cultivate enigma **Queerness in Heavy Metal Music** Amber R.

Clifford-Napoleone,2015-03-24 While the growing field of scholarship on heavy metal music and its subcultures has produced excellent work on the sounds scenes and histories of heavy metal around the world few works have included a study of gender and sexuality This cutting edge volume focuses on queer fans performers and spaces within the heavy metal sphere and demonstrates the importance pervasiveness and subcultural significance of queerness to the heavy metal ethos Heavy metal scholarship has until recently focused almost solely on the roles of heterosexual hypermasculinity and hyperfemininity in fans and performers The dependence on that narrow dichotomy has limited heavy metal scholarship resulting in poorly critiqued discussions of gender and sexuality that serve only to underpin the popular imagining of heavy metal as violent homophobic and inherently masculine This book queers heavy metal studies bringing discussions of gender and sexuality in heavy metal out of that poorly theorized dichotomy In this interdisciplinary work the author connects new and existing scholarship with a strong ethnographic study of heavy metal s self identified queer performers and fans in their own words thus giving them a voice and offering an original and ground breaking addition to scholarship on popular music rock and queer studies **Continuum Encyclopedia of Popular Music of the World, Volume 2** John Shepherd,David Horn,Dave

Laing,Paul Oliver,Peter Wicke,2003-05-08 The Bloomsbury Encyclopedia of Popular Music Volume 1 provides an overview of media industry and technology and its relationship to popular music In 500 entries by 130 contributors from around the world the volume explores the topic in two parts Part I Social and Cultural Dimensions covers the social phenomena of relevance to the practice of popular music and Part II The Industry covers all aspects of the popular music industry such as copyright instrumental manufacture management and marketing record corporations studios companies and labels Entries include bibliographies discographies and filmographies and an extensive index is provided White Boys, White Noise: Masculinities and 1980s Indie Guitar Rock Dr Matthew Bannister,2013-01-28 To what extent do indie masculinities challenge the historical construction of rock music as patriarchal This key question is addressed by Matthew Bannister involving an in depth examination of indie guitar rock in the 1980s as the culturally and historically specific production of white men Through textual analysis of musical and critical discourses Bannister provides the first book length study of masculinity and ethnicity within the context of indie guitar music within US UK and New Zealand scenes Bannister argues that past theorisations of rock masculinities have tended to set up varieties of working class deviance and physical machismo as straw men oversimplifying masculinities as men behaving badly Such approaches disavow the ways that masculine power is

articulated in culture not only through representation but also intellectual and theoretical discourse By re situating indie in a historical cultural context of art rock he shows how masculine power can be rearticulated through high avant garde bohemian culture and aesthetic theory canonism negation Adorno passivity voyeurism and camp Andy Warhol and the Velvet Underground and primitivism and infantilism Lester Bangs Simon Reynolds In a related vein he also assesses the impact of Freud on cultural theory arguing that reversing binary conceptions of gender by associating masculinities with an essentialised passive femininity perpetuates patriarchal dualism Drawing on his own experience as an indie musician Bannister surveys a range of indie artists including The Smiths The Jesus and Mary Chain My Bloody Valentine and The Go Betweens from the US R E M The Replacements Dinosaur Jr Hsker D Nirvana and hardcore and from NZ Flying Nun acts including The Chills The Clean the Verlaines Chris Knox Bailter Space and The Bats demonstrating broad continuities between these apparently disparate scenes in terms of gender aesthetic theory and approaches to popular musical history The result is a book which raises some important questions about how gender is studied in popular culture and the degree to which alternative cultures can critique dominant representations of gender

Australian Metal Music Catherine Hoad, Rosemary Lucy Hill, Keith Kahn-Harris, 2019-06-28 This book explores heavy metal music in Australia engaging with the nuanced ways in which metal music scenes and cultures are experienced Leading metal scholars and active scene members examine the diversity of practices histories and identities within Australian metal music and question what it means to be Australian in the context of metal

The Sound Studies Reader Jonathan Sterne, 2012 The Sound Studies Reader is a groundbreaking anthology blending recent work that self consciously describes itself as sound studies with earlier and lesser known scholarship on sound

Sexing The Groove Popular Music And Gender Introduction

In today's digital age, the availability of Sexing The Groove Popular Music And Gender books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sexing The Groove Popular Music And Gender books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sexing The Groove Popular Music And Gender books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sexing The Groove Popular Music And Gender versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sexing The Groove Popular Music And Gender books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sexing The Groove Popular Music And Gender books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sexing The Groove Popular Music And Gender books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers.

Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sexing The Groove Popular Music And Gender books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sexing The Groove Popular Music And Gender books and manuals for download and embark on your journey of knowledge?

FAQs About Sexing The Groove Popular Music And Gender Books

What is a Sexing The Groove Popular Music And Gender PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Sexing The Groove Popular Music And Gender PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Sexing The Groove Popular Music And Gender PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Sexing The Groove Popular Music And Gender PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Sexing The Groove Popular Music And Gender PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, iLovePDF, or desktop software like Adobe

Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
