Sexual Desire A Moral Philosophy Of The Erotic

**Raja Halwani, Jacob M. Held, Natasha
McKeever, Alan Soble**

Sexual Desire A Moral Philosophy Of The Erotic:

Sexual Desire Roger Scruton, 1986 A philosophical consideration of human sexuality covers arousal desire love chastity modesty homosexuality masturbation incest perversion social customs and sexual ethics **Philosophy of Sex** Alan Soble, 2002-05-28 Leading philosophers discuss a range of issues relating to sex in this revised and expanded version of Alan Soble's popular anthology of essays New material includes date rape and sexual harassment **The Philosophy of Sex** Raja Halwani, Jacob M. Held, Natasha McKeever, Alan Soble, 2022-02-28 With twenty five essays seven of which are new to the eighth edition this best selling volume examines the nature morality and social meanings of contemporary sexual phenomena Topics include sexual desire and activity masturbation Sexual orientation asexuality transgender issues Zoophilia rape casual sex and promiscuity love and sex polyamory sexual consent sexual perversion sexual ethics objectification BDSM sex and technology sex and race and sex work Updated and new discussion questions offer students starting points for debate in both the classroom and the bedroom *The Political Morality of Liberal Democracy* Michael J. Perry, 2010 This important new work elaborates and defends an account of the political morality of liberal democracy **Human Sexuality** Vern L. Bullough, Bonnie Bullough, 2014-01-14 First Published in 1994 The purpose of an encyclopedia is to gather in one place information that otherwise would be difficult to find Bring together a collection of articles that are authoritative and reflect a variety of viewpoints The contributors come from a wide range of disciplines from nursing to medicine from biology to history and include sociologists psychologists anthropologists political scientists literary specialists academics and non academics clinicians and teachers researchers and generalists **The Analemma Waltz** Paul Vincent, 2020-11-18 When author Paul Vincent moved into his new home in Bristol Rhode Island he was struck by how generously its interior gathered sunlight and decided to keep a record of the annual solar itinerary across its walls floors and furniture The result is *The Analemma Waltz* a celebration of the sun's slow motion dance through his house facilitated in part by its surfeit of windows but much more so by the analemma the narrow figure eight pattern the sun describes in the sky in the course of a year in the Earth's orbital journey Vincent's habit of noting and minuting the changing positions of sunlight day by day and week by week was the catalyst for meditations on matters of universal concern as suggested by the times and the seasons of the year and approached not from the perspective of a scholar or academic but from that of an interested layperson Such matters addressed in the monthly chapters include the study of history the virtue of tolerance the conflict between science and religion and the morality of war Despite the varied nature of the essay topics in *The Analemma Waltz* certain themes appear and reappear throughout the book namely the author's convictions that existential particularity is the occasion of both joy and sadness that the world's people though the beneficiaries of seemingly endless breakthroughs in technology are and will remain metaphysically vulnerable and that appreciation prompting gratitude is the highest vocation of the human person **Erotikon** Shadi Bartsch, Thomas Bartscherer, 2006-11-15 *Erotikon* brings together leading contemporary intellectuals

from a variety of fields for an expansive debate on the full meaning of eros Restricted neither by historical period nor by genre these contributions explore manifestations of eros throughout Western culture *Philosophy of Love, Sex, and Marriage* Raja Halwani, 2018-01-29 How is love different from lust or infatuation Do love and marriage really go together like a horse and carriage Does sex have any necessary connection to either And how important are love sex and marriage to a well lived life In the Second Edition of this lively lucid and comprehensive book Raja Halwani explores and elucidates the nature uses and ethics of romantic love sexuality and marriage It is structured in three parts Love examines the nature of romantic love and how it differs from other types of love such as friendship and parental love It also investigates the relationship of love to morality and asks what limits morality puts on romantic love and even whether romantic love is inherently moral Sex demonstrates the difficulty in defining sex and the sexual and examines what constitutes good and bad sex in terms of pleasure naturalness and moral permissibility It discusses the nature of sexual desire and its connection to objectification and virtue all the while looking at specific sexual engagements such as pornography BDSM and racial desires Marriage traces the history of the institution and describes the various forms in which marriage exists and the reasons why people marry It also investigates the necessity of marriage and ways in which it requires reform Updates and Revisions in the Second Edition Expands the coverage of love and morality from one to two chapters incorporating much of the recent literature on love as a moral emotion Includes a new chapter on sex and virtue ethics Ends each of the chapters on sex with an applied topic such as pornography BDSM prostitution racial sexual desires and adultery Increases coverage of the nature and purpose of marriage including debates surrounding same sex marriage but also moving beyond these debates to include issues on minimal marriage temporary marriage polygamy and other forms of marriage Updates the Further Reading and Study Questions sections at the end of each chapter and provides an up to date comprehensive bibliography at the back of the book Includes new discussions of topics on the nature of love love and reasons distinctions between two types of romantic love love and its connections to moral theories definitions of crucial sexual concepts objectification virtue and sex racial sexual desires and the definition of marriage and whether it is important as an institution Pornography, Sex, and Feminism Alan Soble, 2011-02 In this unabashed defense of pornography from a utilitarian hedonist perspective philosopher Alan Soble strongly rebuts both feminist and conservative critics Soble demonstrates that neither conservative nor feminist critics of pornography show much acquaintance with the genre they criticize This suggests that purely political motives underlie their critiques instead of reasoned objective arguments based on thorough empirical research Soble also faults critics of pornography for their failure of empathy they refuse to see pornographic images from the various perspectives of their viewers In approaching these images literally detractors promulgate the worst possible interpretation of pornography Further they do not do justice to the social and psychological research about pornography and its purported harms Conservatives and feminists manufacture their case against pornography and its consumers based on oversimplified

interpretations of the images and a poor understanding of scientific studies This sardonic and well reasoned critique of feminist and conservative moral outrage over pornography is sure to be controversial **Bringing Sex into Focus** Caroline J. Simon, 2011-11-30 In culture that exploits sex in everything from advertising to climbing the corporate ladder it s easy to lose sight of the true purpose and place of sexuality Philosopher and ethicist Caroline J Simon identifies six lenses through which people understand sex and sexuality and provides clarity for developing a holistic biblical sexual ethic
