Young,Anita Y.L. Fok,2005-05-01 Although the ideal of companionate marriage has gradually been established in Hong Kong demographic trends from the 1980s reflect greater marital and family instability In the years to come adult fulfilment is likely to be found in various ways through marriage divorce remarriage or the single state Each of these has its own potentials tensions and prospects for growth and development Each offers different though viable life styles through which people can develop in adulthood These trends call for a rethinking of marriage and of our expectation that marriage and the family bond will

continue to serve as the relational context of adult living This collection on marital work offers the means to rethink marriage by examining the ways husbands and wives cope with the demands and dilemmas of their relationship from diverse parenting forgiveness coping with childhood abuse infidelity disenchantment and distancing to uncoupling in divorce and re coupling in remarriage Each chapter addresses aspects of these issues with a focus on the recovery reinvention and reconstruction of the self to meet the many challenges arising from the relationship and from life circumstances **Grounds for Marriage,**

For men and the women who love them this is a highly controversial book on how to get and be a good husband This book will appeal to the countless women who resent that their husbands never listen and that they have to nag in order to get them to do anything around the house who feel like their husbands are always pawing at them to have sex and who want more from their marriage It will appeal to men who want to have more sex less nagging and wives who adore them In short Good Husband Great Marriage is the book for everyone Good Husband Great Marriage is a hard hitting no nonsense guidebook for men and women to help them fix their marriages Robert Alter's central controversial argument the man is primarily responsible for the marital problems Alter says to women You are right to want what you want from him He says to

men Stop thinking it s your wife s fault and transform yourself into the good husband you know you have in you In 50 chapters Alter describes the problem areas men face and what actions they can take to fix them The chapters include How to Know When You re Being a Man as Opposed to When You re Being an Asshole How to Talk to Her and Your Anger Cut the Shit Alter s approach is straightforward and logical he speaks to men in a language they understand In addition sections of the book will be geared for women where Alter will give advice to women on what they can do **Don't Bury an Ailing Marriage** Don D. Campbell,2011-06-30 In Dont Bury an Ailing Marriage veteran psychologist Dr Don D Campbell goes beyond surface reasons for most relationship problems such as poor communication financial issues or sexual dysfunction to diagnose the underlying causes of marital discord that prevent couples from achieving the happiness and fulfillment they desire and deserve Several ailments and viruses are identified but from among them Dr Campbell identifies the most common and damaging virus of all a fear of closeness He explains how the Fear of Closeness Virus is the underlying root for most symptoms within ailing marriages as well as how to effectively treat it to sustain emotional and physical intimacy through the years The abundant information in the book is delivered with a sense of humor and illustrative stories as well as helpful Prescription Pads a series of exercises at the end of each chapter to help the reader apply the doctor's advice and take proactive steps for positive change Resist the temptation to call the mortician lawyer and prepare for the funeral divorce For virtually any marriage regardless of its current state put the shovel away it's not too late to resuscitate **Sexual Healing in the Confines of Marriage** Anthony Martin,2015-07-01
