Partisan Sex Fedwa Malti-Douglas, 2009 Sex politics and the law characterized the Clinton era which began with the emergence of Bill Clinton as a presidential candidate with a train of sex scandals and ended with the attacks of September 11 2001 The Monica Lewinsky affair was the climax of the phenomenon and the resulting scandal had far reaching effects Politics became the language and the means for battles over sex Sex and politics became metaphors for each other as American society struggled to come to terms with its sexual and political anxieties Partisan Sex Bodies Politics and the Law in the Clinton Era explores the high cultural anxieties of the left and the masculinity hang ups of the right the exploitation of romance imagery and hot sauce bottles the obsessions with Hillary Clinton s breakfasts and the rise of a society of voyeurs Amazon com

Historical Dictionary of the Lesbian and Gay Liberation Movements JoAnne Myers, 2013-09-19 Not so long ago hardly anything was said of the

Lesbian Liberation Movement and the Gay Liberation Movement indeed the terms gay and lesbian were not even used if some other expression could be found Today by contrast hardly a day passes when something important does not occur and is carried by the major media and disseminated on more personal levels through blogs and the social media If anything there is perhaps too much news and not enough information Obviously a book like this cannot keep up with the news but it can do

something equally important when it comes to information by reminding us of the past and what has been going and just how fast events are moving The Historical Dictionary of the Lesbian and Gay Liberation Movements covers the history of this movement through a cross referenced dictionary with over 1000 entries on specific countries and regions influential historical figures laws that criminalized same sex sexuality various historical terms that have been used to refer to aspects of same sex love and contemporary events and legal decisions Including a comprehensive chronology and bibliography this book is an excellent access point for students researchers and anyone interested in learning more about the struggle for equality

The War on Sex David M. Halperin, Trevor Hoppe, 2017-03-09 The past fifty years are conventionally understood to have witnessed an uninterrupted expansion of sexual rights and liberties in the United States This state of the art collection tells a different story while progress has been made in marriage equality reproductive rights access to birth control and other areas government and civil society are waging a war on stigmatized sex by means of law surveillance and social control The contributors document the history and operation of sex offender registries and the criminalization of HIV as well as highly punitive measures against sex work that do more to harm women than to combat human trafficking They reveal that sex crimes are punished more harshly than other crimes while new legal and administrative regulations drastically restrict who is permitted to have sex By examining how the ever intensifying war on sex affects both privileged and marginalized communities the essays collected here show why sexual liberation is indispensable to social justice and human rights Contributors Alexis Agathocleous Elizabeth Bernstein J Wallace Borchert Mary Anne Case Owen Daniel McCarter Scott De Orio David M Halperin Amber Hollibaugh Trevor Hoppe Hans Tao Ming Huang Regina Kunzel Roger N Lancaster Judith Levine Laura Mansnerus Erica R Meiners R Noll Melissa Petro Carol Queen Penelope Saunders Sean Strub Maurice Tomlinson Gregory Tomso
