Sexual Pleasures What Women Really Want What Women Really Need:

Sexual Pleasures Susan Crain Bakos, 1992 Based on case studies and interviews with more than eight hundred seventy women this study explores a wide variety of questions that women have on their minds regarding sexuality **Sex, Morality, and the Law** Lori Gruen, George E. Panichas, 1997 First Published in 1997 Routledge is an imprint of Taylor Francis an informa company **The Pleasure Gap** Katherine Rowland, 2020-02-04 American culture is more sexually liberal than ever But compared to men women s sexual pleasure has not grown Up to 40 percent of American women experience the sexual malaise clinically known as low sexual desire Between this low desire muted pleasure and experiencing sex in terms of labor rather than of lust women by the millions are dissatisfied with their erotic lives For too long this deficit has been explained in terms of women s biology stress and age In *The Pleasure Gap* Katherine Rowland rejects the idea that women should settle for diminished pleasure instead she argues women should take inequality in the bedroom as seriously as we take it in the workplace and understand its causes and effects Drawing on extensive research and interviews with more than one hundred women and dozens of sexual health professionals Rowland shows that the pleasure gap is neither medical malady nor psychological condition but rather a result of our culture s troubled relationship with women s sexual expression This provocative exploration of modern sexuality makes a case for closing the gap for good Effective Treatment of Women's Pelvic and Sexual Pain Disorders Heather Lauren Davidson, 2022-09-30 This book presents a comprehensive overview of pelvic and sexual pain disorders in women and equips therapists to treat these issues in a culturally sensitive way examining the link between unwanted sexual experiences and the development of sexual pain in later life Drawing on the wealth of recent research acknowledging the increased risk of developing a pelvic sexual pain disorder in women who have experienced sexual trauma Heather Lauren Davidson offers a much needed resource for professionals within the essential context of the MeToo movement Chapters address a range of topics including types of sexual pain disorders disparities in the mental health system that affect women s access to treatment how to establish treatment goals for individuals and couples and effective relapse prevention plans Illustrated throughout by vignettes and case studies the book addresses a lack of knowledge in assessing and treating the experiences of these women and explores in depth how they face complex difficulties in accessing diagnosis and treatment Guided by culturally competent assessment and the use of evidence based treatment techniques clinicians will learn to effectively navigate the treatment of women presenting with pelvic sexual pain disorders and sexual trauma **Crafting the Witch** Heidi Breuer, 2009-05-05 How did the witch become wicked This is the central question of *Crafting the Witch* which documents and analyzes the gendered transformation of magical figures that occurred in Arthurian romance as it developed from its earliest continental manifestations in the twelfth century to its flowering in fifteenth and sixteenth century England **Risky Pleasures?** Fiona Hutton, 2016-04-08 In this book Fiona Hutton provides a fascinating insight into women s experiences of clubbing Based on a rich ethnographic account of the Manchester club scene

Risky Pleasures is set within the context of the theoretical literature on youth subcultures female friendship consumption risk and the city The work highlights both the producers of club scenes promoters DJs dealers and the consumers women negotiating pleasure and risk in club spaces and in the city at night It explores the range of club spaces developing a typology of mainstream and underground clubs and considers how different types of participants are attracted to different scenes It examines women s recreational drug use within a club context and discusses issues of sexuality tolerance and the importance of attitude in terms of women s feelings of safety Revealing the important role of different spaces and different atmospheres in how women participate in club scenes Fiona Hutton argues that drug taking and sexual pleasure are always contextualized within the environments created in different spaces and that the risk and danger negotiated by women clubbers are counterbalanced by fun and pleasure and ultimately empowerment Male and Female Made in God's Image Frances O'Dair,2019-04-04 In this era of distorted ideas about our inherent roles identities and purposes as men and women it has never been as important that we seek reconciliation in marriage and families so there can be a more rational approach to the real problems the whole world suffers We must disseminate God s truth and extinguish the lies and myths that Satan has embedded into the hearts and minds of many people Building on these ideas in Male and Female Made in God s Image author Frances O Dair offers her perspective on dating marriage and family which she believes reflects the experiences of most married couples before the sexual revolution of the 1960s She encourages men and women to reflect on the wise or self serving natures of their past dating and mating choices If we can stop the reckless self gratifying use of human sexuality with our children our loving direction and understanding of God s truth can set them free from the temptations that have been passed down to recent generations We must be ready to admit that sexual freedom is a myth and isn t intended for the well being of men women children and the unborn This faith inspired treatise explores the true source of happiness meaning and fulfilment that God has planned for everyone within the sacrament of marriage and the family circle 'Rough Sex' and the Criminal Law Hannah Bows,Jonathan Herring,2022-11-07 Bows and Herring expertly collate an extensive mix of perspectives on the topic of rough sex to contribute to a powerful feminist investigation of this critical and timely debate **Black Women's Bodily Autonomy, Sexual Freedom, and Pleasure** Clarissa E.
