Sexual Ethics Stanley Grenz,1990 **Sexual Ethics** Stanley James Grenz,1997-01-01 In this biblically grounded study Stanley Grenz synthesizes theology ethics and current medical research to offer an evangelical perspective on the profound role that sexuality does and should play in our lives today He calls for Christians to live a biblical sexual ethic in the contemporary world at the same calling on the church to recognize that its mandate includes being a reconciling community one that proclaims God s grace to all **Women, Leadership, and the Bible** Natalie R. Wilson Eastman,2014-05-16 What do you believe about women s roles in church leadership Should women lead groups that include men Should women preach Should women be ordained More importantly why do you believe what you believe Plenty of books exist telling women what to think precious few help women think for themselves particularly about theological issues *Women Leadership and the Bible* helps women learn to interpret the Bible and discern for themselves answers to their questions about women s roles in the church along with any other issue they may face in life In straightforward plain language Dr Natalie Eastman introduces women to a five step easy to follow process for studying the Bible and interpreting what they study NOTE to designer if there is not enough space on the back cover then cut the following section in italics This book encourages women that they can think for themselves and can analyze significant theological issues despite any hesitations they may have any conflict surrounding an issue or any lack of theological training By the time readers finish this book they will have a biblically defensible theologically reasoned and thoroughly discerned understanding of what they believe Scripture says about women s roles and how that understanding could play out within the church No longer will they feel as though they have nothing to contribute when the subject of women s roles or any other of life s theological questions arises *Catholic Sexual Ethics* William May,Ronald Lawler,Joseph Boyle,2011-08-25 The authoritative work on the Church s teaching on sexual morality has been thoroughly updated to address dimensions of this complex topic that have emerged in the late 20th and early 21st centuries Since publication of the 2nd edition of *Catholic Sexual Ethics* the philosophical landscape of human sexuality has dramatically changed The rise of such concerns as moral relativism the drive for same sex unions and a drastic redefinition of marriage and family have underscored the need for an unambiguous up to date understanding of Catholic sexual teaching Features Summary of Catholic teaching on sexuality from biblical times to our own Presentation of principal elements of the teaching of Pope Benedict XVI on marriage in the early years of his pontificate Discussion of the Congregation for the Doctrine of the Faith s 2003 Considerations Regarding Proposals to Give Legal Recognition to Unions Between Homosexual Persons Integration of more recent materials that clarify issues into the existing framework of the book Whether you are involved in ministry education or catechesis you will benefit from having this essential resource near at hand *Christianity and Sex Problems* Hugh Northcote,1907 **Themelios, Volume 47, Issue 3** Brian Tabb,2023-01-12 Themelios is an international evangelical peer reviewed theological journal that expounds and defends the historic Christian faith Themelios

Contemporary Christianity and LGBT Sexualities Stephen Hunt, 2016-05-13 The subject of gay and lesbian sexuality is perhaps the most vexed issue in the contemporary Christian Church. Many churches have been forced to confront the matter both theologically and pastorally and in consequence controversies have proved divisive within the Church, most notably between conservative and liberal orientated denominations as well as evangelical churches. This book explores these themes from a sociological perspective, addressing not only gay and lesbian sexualities but also bi and transgendered sexualities. With rich empirical material being presented by a team of experts, this book constitutes the first comprehensive sociological study of non-hetero sexualities in relation to contemporary Christianity. As such, it will appeal to sociologists, scholars of religion and theology as well as readers across a range of social sciences.
