Sex, Dating, and Relationships Gerald Hiestand, Jay S. Thomas, 2012-02-29 Considering the pervasive immorality and high divorce rate of our contemporary Christian culture we evidently need a biblically based theologically compelling practical understanding of sex dating and relationships Pastors Gerald Hiestand and Jay Thomas counteract this problem with their paradigm shifting view of purity and relationships a view that challenges even the basic assumptions of evangelical subculture Unlike most books on dating this one cuts straight to the heart of dating relationships asserting with confidence that the line must be drawn at no sexual activity whatever Few have dared to define and apply the Bible's understanding of purity in premarital relationships to this degree but Heistand and Thomas have done it Furthermore both authors are vocational pastors who communicate regularly with the target audience and have a proven ability to express biblical truth in a winsome and compelling manner Sex Dating and Relationships adds a new almost provocative voice to the conversation that with straightforward theological insight pleads with Christians to get serious about honoring Christ with their sexuality
