every one of God's mandates in Genesis is there any hope for the survival of once thriving Judeo Christian cultures Peterson tackles these and many other issues in a forthright and unreserved manner This book is not for the faint of heart It is a call for a return to cultural sanity rooted in the fear of God and his Word **Standards of Sexual Modesty, Gender**

Separation and Homosexuality: Rabbinic and Psychological Views Seymour Hoffman, 2020-04-16 This book contains articles authored by rabbis mental health professionals and scholars on several sensitive and controversial topics in Judaism The first half of the book deals with the extreme standards of sexual modesty and gender separation in the Haredi Gur Hasidim and Neturei Karta communities and the psychological and sociological ramifications Also included are the views and reactions of rabbis and mental health practitioners regarding the issue of therapists treating patients of the opposite sex In the second half of the book the issue of homosexuality is discussed How should one view homosexuality how should the religious community relate to homosexuals in general and religious homosexuals in particular and the issue of psychological treatment of homosexuals Included also is a responsa religious ruling by a prominent rabbi regarding couple therapy with a suicidal homosexual I believe that mental health practitioners rabbis as well as the lay public will find the book interesting informative and a worthwhile read Frumi Gottlieb M S W **Sexuality and Law in the Torah** Hilary Lipka, Bruce

Wells, 2020-03-19 This book examines many of the laws in the Torah governing sexual relations and the often implicit motivations underlying them It also considers texts beyond the laws in which legal traditions and ideas concerning sexual behavior intersect and provide insight into ancient Israel's social norms The book includes extended treatments on the nature and function of marriage and divorce in ancient Israel the variation in sexual rules due to status and gender the prohibition on male with male sex and the different types of sexualities that may have existed in ancient Israel The essays draw on a variety of methodologies and approaches including narrative criticism philological analysis literary theory feminist and gender theory anthropological models and comparative analysis They cover content ranging from the narratives in Genesis to the laws of Exodus Leviticus and Deuteronomy to later re-interpretations of pentateuchal laws in Jeremiah and texts from the Second Temple period Overall the book presents a combination of theoretical discussion and close textual analysis to shed new light on the connections between law and sexuality within the Torah and beyond **Gen SeXYZ** Jeff Grenell, 2021-02-02

Corrupt the young Get them away from religion Encourage their interest in sex Vladimir Lenin 1921 How to Destroy the West Going through each of the prophetic statements made by Lenin in 1921 shows why America is where it is today Only 4 percent of Gen Z think about life through a biblical lens To them sexuality is more important than friends family or their faith Jeff Grenell's goal in Gen SeXYZ Love Sexuality Youth is to reach youth youth leaders families and the church with a message that responds to the sexual revolution tsunami and restores sexuality to its God-given origins When the church failed to respond to the sexual revolution of the 1960s and the present one of the 21st century its role in society crumbled The media stopped censoring the government redefined marriage schools taught progressive sex education and the list of genders grew

Jeff provides practical knowledge and tools to launch a spiritual revolution of love and truth that will grow the church to reach younger generations and combat the loveless godless sexuality ethic in our culture that's misleading them

Gender and Sexuality in Ghanaian Societies Martha Donkor, Amoaba Gooden, 2022-09-01

Gender and Sexuality in Ghanaian Societies explores cultural dynamics embedded in the interstices of agency vulnerability and power within patriarchal structures that seek to regulate the sexual lives of women in Ghana. Emphasizing the centrality of gender as a motive force for sexual expression, the book stresses that contemporary Ghanaian women's sexual expressions are caught at the intersection of traditional gender expectations of heteronormativity and women's perceptions of how heteronormativity should operate in their lives. The book's emphasis on women's agency is significant because it highlights a flaw in earlier Western accounts of African women's lives under Africa's special brand of patriarchy that held women in total subjection to men. Gender and Sexuality debunks that trope and presents Ghanaian women's dynamism, resilience, and vulnerabilities embedded in the diverse cultures in which they live.
