Sexualizing The Social Power And Organization Of Sexuality:

Sexualizing the Social Lisa Adkins, Vicki Merchant, 1996-06-12 Sociologists are increasingly aware that analyses of social life must include a consideration of how the social may be structured by the sexual. In turn this insight is contributing to a shift in understandings of sociology. This volume drawn from papers from the 1994 British Sociological Association Annual Conference on Sexualities in Social Context brings together a range of writers who are contributing to this exciting new agenda. Various aspects of social life including employment, family life, representations, politics, identities and the workings of the law are considered in terms of how sexuality shapes their organization and they shape sexuality. In so doing a series of ongoing and new controversies and debates are confronted from the relationship of feminism to prostitution to the constitution of the self in late modernity.

Childhood, Youth, and Social Work in Transformation Lynn M.

Nybell, Jeffrey J. Shook, Janet L. Finn, 2009-01-30 Social workers today not only face competing claims concerning the rights and needs of children and youth but they also confront contradictions between policy and practice. Social workers are expected to fight for the best interests of the child even though financial support for children's welfare and education grows scarce. They are asked to save children at risk while at the same time they are urged to protect communities from risky children and they are encouraged to leave no child behind while also implementing zero tolerance policies to keep educational environments free from troubled youth. A cutting edge text that deals directly with the confusion and complexity of modern child welfare. *Childhood, Youth, and Social Work in Transformation* features contributions from a truly interdisciplinary group of practitioners, scholars and activists. Examining the theoretical, political and practical aspects of working with youth today, this volume breaks free from existing modes of thought and strategies of practice and prompts readers to critically reflect on accepted approaches and new possibilities of action. Contributors analyze how economic, political and cultural changes over the last several decades have reshaped the experiences and representations of children and youth in the United States. They examine conceptions of troubled children and youth in contemporary policies and programs and assess why certain discourses about troubling youth are so compelling to professionals, policymakers and the public. In conclusion, these skilled professionals explore the reinvention of social work policy and practice including the need to forge relationships that respect the experiences, rights and personhood of children and youth.

Straight Hanne

Blank, 2012-01-31 It's surprising that the term heterosexuality is less than 150 years old and that heterosexuality's history has never before been written given how obsessed we are with it. In *Straight*, independent scholar Hanne Blank delves deep into the contemporary psyche as well as the historical record to chronicle the realm of heterosexual relations, a subject that is anything but straight and narrow. Consider how Catholic monasticism, the reading of novels, the abolition of slavery, leisure time, divorce and constipation of the bowels have all at some time been labeled enemies of the heterosexual state. With an extensive historical scope and plenty of juicy details and examples, *Straight* provides a fascinating look at the vagaries

schisms and contradictions of what has so often been perceived as an irreducible fact of nature *Global Denim* Daniel Miller, Sophie Woodward, 2011-01-01 On any given day nearly half of the world's population is wearing blue jeans this is a fascinating study of the causes nature and consequences of the rise of global denim *Celebrities Against Violence* Truman R. Keys, 2022-03-04 Violence is more than an issue in America It is a pandemic its negative impacts and corrosive character are harming us whether we are a victim a bystander or professional tasked with public health and safety Violence affects us regardless of class or social standing For decades celebrities and well known public figures have taken to the media to share their own experiences with violence This book spotlights the celebrities and their loved ones who have survived self harm bullying intimate partner violence sexual assault family abuse home invasion gun violence or police brutality Violence prevention experts increasingly recognize the influence of celebrities and work with them to spread awareness This collection of case studies aims to support this growing influence by documenting the effects of violence prevention through celebrity advocacy ***The Virginity Trap in the Middle East*** D. Ghanim, 2015-05-19 This book is a social critique of the cultural taboo of the female virginity in the Middle East It highlights the unobtainability of this cultural myth and its multilevel destructive influences on various aspects of social life *Body/Sex/Work* Carol Wolkowitz, Rachel Lara Cohen, Teela Sanders, 2013-02-27 *Body Sex Work* focuses on the intimate embodied and sexualised labour that occurs within body work and sex work Bringing together an internationally renowned group of academics it explores empirically and theoretically labour processes workplace relations regulation and resistance in some of the many work sites that make up the body work and sex work sectors The book makes a key contribution to research recognising the embodiment of labour and the body reframing the key questions in critical studies of work and employment Key Benefits The first book that draws together the sub disciplines of body work and sex work Written by leading international experts Contains cutting edge empirical research on contemporary topics *Body Sex Work* is an ideal companion for upper level undergraduate and postgraduate students of labour and organisation studies body studies gender and sexuality It will also appeal to researchers and lecturers in these fields ***Don't Touch!*** Heather Piper, Ian Stronach, 2008-03-07 This is the first book in the UK to explore the problems involved in touching children in an educational environment the book uses real life examples taken from Heather Piper's ground breaking research into the mentality of today's risk culture *Sex, Violence and the Body* V. Burr, J. Hearn, 2008-10-30 This unique book examines the relationship between wounding and sexuality bringing together issues around sexuality gender power violence and representations Drawing on a range of disciplines including cultural and media studies sociology and psychology it explores social practices such as S M cosmetic surgery and extreme sports ***The Body of War*** Dubravka Žarkov, 2007-09-03 Examines how notions of femininity and masculinity and heterosexual norms produced ethnicity in the disintegration of former Yugoslavia and also looks at how words and images created by the media are just as influential as violent practices in constructin
