Sez Who Why Church Authority Established By Jesu:

Why the Catholic Church Must Change Margaret Nutting Ralph, 2014-09-04 Why do a third of the people raised Catholic in the United States no longer worship as Catholics Why has the Catholic Church lost a credible teaching voice for many young people Does the fault lie entirely with those individuals and with the secular culture In *Why the Catholic Church Must Change* Margaret Nutting Ralph first affirms that Catholics are called to seek the truth and to follow their well formed consciences not simply to submit mind and will to the teachings of the Magisterium She then argues that the Catholic Church which has been open to change in the twentieth century must continue to be open to change in the twenty first century change in some of its teachings and in some of its practices The Catholic Church has changed in the past and is being called to change in the present Before that change can occur the Church must enter into respectful dialogue about pertinent issues such as contraception women s ordination and homosexuality and present practices Ralph contends that Catholic culture not just secular culture needs a critical examination *Why the Catholic Church Must Change* engages the reader to enter into a necessary yet reasoned conversation about pertinent issues such as contraception women s ordination and homosexuality and present practices surrounding the Catholic Church Margaret Nutting Ralph critically examines pertinent topics of not just the secular culture but the Catholic culture that affects both families and culture as a whole and presents a model for how to discuss difficult issues in a respectful and thoughtful manner Ralph successfully discusses the issues surrounding the Catholic Church with awareness that the church is not the whole body of Christ

Full Spiritual Authority Jefferson Netto, 2005-12 I have been waiting for the day when someone I know who believes and submits to authority would write a book on Spiritual Authority Jefferson Netto has the unique ability to communicate the most complex principle of all Spiritual Authority in a very simple way I was inspired when I read *Full Spiritual Authority* I know that this book will inspire you also to live a life of excellence and fulfill the call of God upon your life In these last days God is looking for Christians men and women who will submit to His full Spiritual Authority and will be used to open the eyes of many who think submission to authority is another form of slavery

The enemy submits to Jesus authority because Jesus submitted to the full authority of His Father The only time the enemy will submit to the Christ in us is when we come to the full knowledge of Spiritual Authority Jefferson Netto has given us sufficient information we need to come to the full knowledge of this important principle It is my prayer that every child of God who desires to be used by Him will have the opportunity to read this wonderful book Dr George Gunn Ghana Africa
