Shabbat A Rite Of Passage In Jerusalem:

Shabbat Peter Stephan Jungk,1985 **The Shabbat Elevator and other Sabbath Subterfuges** Alan

Dundes,2002-01-21 There are literally hundreds if not thousands of books written about Judaism and Jews but this book is unlike any previously published It focuses on the topic of circumventing custom with special emphasis on the ingenious ways Orthodox and other Jews have devised to avoid breaking the extensive list of activities forbidden on the Sabbath After examining the sources of Sabbath observance as set forth in the Old Testament the New Testament and rabbinical writings some of the most salient forms of circumvention are described These include riding a special Shabbat elevator unscrewing the lightbulb in the refrigerator constructing an eruv a space extending one s domicile so that objects may be carried outside the home and relying on the services of the so called Shabbos Goy among others Dundes respectfully analyzes such facets of Jewish characteristics as an undue concern with purity and a long established tradition of indulging in nit picking and argumentation The resultant picture of Jewish character is drawn from an unusual mixture of religious written texts and oral tradition jokes and proverbs The sources range from ancient Israel to works from the twenty first century In many ways it is an authentic and striking Jewish self portrait that is painted for the very first time in this fascinating volume *Generation*

Exodus Walter Laqueur,2003-10-23 This text is a generational history of the young people whose lives were irrevocably shaped by the rise of the Nazis Half a million Jews lived in Germany when Hitler came to power in 1933 Over the next decade thousands would flee Among these refugees teens and young adults formed a remarkable generation They were old enough to appreciate the loss of their homeland and the experience of flight but often young and flexible enough to survive and even flourish in new environments This generation has produced such disparate figures as Henry Kissinger and Dr Ruth Westheimer Walter Laqueur has drawn on interviews published and unpublished memoirs and his own experiences as a member of this group of refugees to paint a vivid and moving portrait of Generation Exodus *Contemporary Jewish Writing*

in Europe Vivian Liska,Thomas Nolden,2007-12-05 With contributions from a dozen American and European scholars this volume presents an overview of Jewish writing in post World War II Europe Striking a balance between close readings of individual texts and general surveys of larger movements and underlying themes the essays portray Jewish authors across Europe as writers and intellectuals of multiple affiliations and hybrid identities Aimed at a general readership and guided by the idea of constructing bridges across national cultures this book maps for English speaking readers the productivity and diversity of Jewish writers and writing that has marked a revitalization of Jewish culture in France Germany Austria Italy Great Britain the Netherlands Hungary Poland and Russia *Ascetic Hasidism in Jerusalem* Daniël Meijers,1992-01-01 An

anthropologist s view on Hasidic life in Mea Shearim Jerusalem Unlike most studies this focuses on daily life in an isolated ascetic community Not only does the author discuss ideas but he also deals with such topics as community organisation social control religious and political leadership and attitudes towards the outside world *Shabbat* Peter Stephan

Jungk,1985 *Studies in Formative Spirituality* ,1987 **Mideast File** ,1986 *Jewish Voices, German Words* Elena Lappin,1994 New Jewish Writings from Germany and Austria This new collection presents recent stories novel excerpts and essays by the fourteen most prominent fiction writers and journalists writing in German today A consistently challenging surprising and eye opening work subjects covered include family politics love cynicism Zionism surrealism trips to Israel and Auschwitz and a visit from Gershom Scholem **6.
