Belobrajdic,2015-05-18 In a time before our time there was a vast land called Arthax A place where mystery abounded in every corner and everywhere you went there was a story to tell The people of this land lived in a stable and peaceful environment well protected from any threats around them However little did they know that a shadow of evil was sweeping over them slowly and silently Five men from different regions of Arthax brought together by the paths that were put before them sense this threat and commit themselves to find its source and put an end to it once and for all Their commitment takes them on a journey through the land and history of Arthax It takes them to the very edge of Arthax s existence which may hang in the balance Dangerous lands old friends and enemies battles giant scorpions and wolves that control fire stand in the way Not to mention the unknown power that is growing to the east *The Sword and the Flame* Stephen Lawhead,2011-05-30 Sometimes the greatest evil lies within When Prince Gerin King Quentin s son is kidnapped the kingdom is thrown into chaos and Quentin is forced to search inward for faith and hope But is faith enough At the dawn of a new era where religious unrest is rampant and uncertainty of the kingdom s future threatens everyone it takes courage to stand From an orphaned servant to a war hero respected leader and a fierce man of faith Quentin has slowly transformed into The Dragon King But even the powerful can fall prey to weakness The world is turned upside down when the dark sorcerer Nimrood long thought dead after a battle with the previous Dragon King returns with a fearsome plan Shattered by the death of a dear and trusted friend the abduction of his beloved son and the loss of his enchanted sword Quentin finds his faith tested like never before At the dawn of a new era where faith clashes and old evils rear their heads Quentin and his friends must lead the way despite their own flaws and uncertainty With the fate of the world hanging on by a thread their decisions slice through religious unrest and restore hope in what is to come In *The Sword and The Flame* readers will find Christian allegory and themes A sweeping Arthurian styled epic fantasy about hope destiny and faith Crossover appeal for young adult and adult readers In *The Sword and the Flame* the final volume of Stephen R Lawhead s captivating Dragon King Trilogy the fate of the entire world depends on the outcome of this climactic battle between good and evil Marion Zimmer Bradley's Sword and Sorceress XXII Marion Zimmer Bradley,2007 This volume contains 16 original stories of powerful women swashbuckling and magic spells

Blood of Innocents Jennifer St. Clair, 2005-09 Are creatures of the night and all manner of supernatural beings drawn to certain locations in the natural world In the Midwestern village of Beth Hill located in southern Ohio the population is made up of its fair share of common citizens and much more than its share of supernatural residents Take a walk on the wild side in this unusual place where imagination meets reality Ten years ago Orien crown prince of the Seleighe was captured by his mortal enemies locked in a dungeon Six years into Orien s sentence the Healer s brother Cullen disobeyed his mistress s orders to kill him and turned him into a vampire instead thus sealing both their fates for all eternity Now both Orien and Cullen are set free But a secret only Cullen knows lies locked inside his mind threatening to drive him mad before he can uncover the identity of a traitor the very elf who betrayed Orien and left them both to die in darkness The Holver Alley Crew Marshall Ryan Maresca, 2017-03-07 Starting a new life on the straight and narrow by buying themselves a shop the Rynax brothers fall back on their old skills and old friends after the Holver Alley Fire incinerates their plans They lead their crew of amateurs and washouts to take down those responsible for the fire no matter what the cost The Winged Champion Leah Ross, 2020-10-22 Enjoying life as a retired pirate William has no interest in chasing adventure He s lived two lives already and earned some rest But he can t ignore the call of family needing help so he drags his partners along into the growing chaos of Arcini Only he has the ability to prevent the monarchy s downfall But the cost of finding the truth might be too much even for an immortal champion Jonathan s career as the Angel of Death the Winged Avenger is over No one has any use for a pirate commander with no crew to command so he settles for the predictability of the mundane instead There s little excitement but there are also far fewer knife wounds At least the trip to the Arcinian palace will be a diversion from the boredom of retirement When he s offered the command of a ragtag brigade of new militia recruits though he realizes that his skills as a warrior aren t as obsolete as he d thought He only hopes that his feisty crew of Enuldesh soldiers can learn to follow the orders of an Annali pirate With a gourmet kitchen a bountiful garden and unlimited freedom Jai has everything he wants in the life he shares with his partners He can cook to his heart s content and no longer has to worry about battles and the fickle whims of the sea He even takes the visit to the palace in stride confident in his familiarity of the place where he d spent much of his life Thrown back into palace routines and prejudices however it s apparent that he hasn t quite escaped his past life The more things change the more they stay the same and ghosts that he thought he d laid to rest keep popping up to haunt him Three powerful immortals with all of eternity on their hands now find themselves racing against time and staring down death to preserve what they love and care about If they can t stand against the unstoppable forces of fate then everything they know will be gone Their legacy will be one of failure and destruction And they alone will remain to face the consequences This work is intended for a mature audience and contains mature content For a more comprehensive list of content tags please see this book s information page at the author s website Keywords mm romance sword sorcery magic
