Shackleton Kim Heacox, 1999 Photographs and text profile the experiences polar explorer Ernest Shackleton had as he tried to reach the South Pole in 1914 **E. H. Shackleton Shackleton The Antarctic Challenge** Kim Heacox,

Shackleton Nick Bertozzi, 2014-06-17 Presents in graphic novel format the adventures of explorer Ernest Shackleton in the Antarctic Ernest Shackleton Rebecca L. Johnson, 2003-01-01 A biography of Sir Ernest Shackleton the daring

charismatic Antarctic explorer who fell short of his goal of crossing Antarctica but accomplished a far greater feat by bringing every member of his crew back alive **Sir Ernest Shackleton** Linda Davis, 2013-10 Most explorers are famous

for their successes and triumphs but Antarctic explorer Sir Ernest Shackleton never met his ultimate goal of crossing the Antarctic continent **Antarctica in British Children's Literature** Sinead Moriarty, 2020-11-29 For over a century British

authors have been writing about the Antarctic for child readers yet this body of literature has never been explored in detail

Antarctica in British Children's Literature examines this field for the first time identifying the dominant genres and recurrent themes and tropes while interrogating how this landscape has been constructed as a wilderness within British literature for

children The text is divided into two sections Part I focuses on the stories of early twentieth century explorers such as Robert F Scott and Ernest Shackleton *Antarctica in British Children's Literature* highlights the impact of children's literature on the

expedition writings of Robert Scott including the influence of Scott's close friend author J M Barrie The text also reveals the important role of children's literature in the contemporary resurgence of interest in Scott's long term rival Ernest Shackleton

Part II focuses on fictional narratives set in the Antarctic including early twentieth century whaling literature adventure and fantasy texts contemporary animal stories and environmental texts for children Together these two sections provide an

insight into how depictions of this unique continent have changed over the past century reflecting transformations in attitudes towards wilderness and wild landscapes *Brand Antarctica* Hanne Elliot Fønss Nielsen, 2023-12 *Brand Antarctica*

analyzes advertisements and related cultural products to identify common framings that have emerged in representations of Antarctica from the late nineteenth century to the present **Shackleton** Jonathan Shackleton, John MacKenna, 2003

Drawing on family records diaries and letters this book aims to take us beyond the myth to Shackleton the man It relates the untold stories of Shackleton's upbringing in Kildare his time in the Merchant Navy his marriage and love affairs and his final

fatal expedition on the *Quest* *Summoned to Lead* Leonard Sweet, 2009-12-15 *Leadership Re Visioned* Cast a vision set a strategy rally the troops and take the hill you don't need another book to rehash the well worn principles of modern

leadership But if you're looking for something different something that approaches leadership as an art as well as a

science inspires hope and expectation in those of us who aren't born leaders challenges those with leadership roles to explore new possibilities then Leonard Sweet wants to help you discover a very different kind of leadership vision It's one you hear if

your ears are open and it could summon you at any time When you respond the puzzle pieces of who you are will fit together

into a leader others follow because you've answered a call not trained for a position The church has it all wrong It is trying to train leaders Instead it ought to train everyone to listen and to develop their own soundtrack Leaders don't see a vision says Sweet they hear one Sound becomes sight Leaders hear life For a sonogram of acoustic leadership Sweet takes us inside the incredible account of Sir Ernest Shackleton the celebrated polar explorer who led his entire crew of twenty seven from disaster in the Antarctic to safety Called the greatest leader that ever came on God's earth bar none Shackleton objectifies the goals of Sweet's own exploration in search of wisdom for today and tomorrow's truly compelling voice activated leaders Right now you may be leading many people or just yourself But who knows what tomorrow or a minute from now will call forth in you Are your ears open
