Shadow Of The Galilean:

The Shadow of the Galilean Gerd Theissen, 2014-07-24 Combining New Testament study with the terseness of thriller writing Theissen conveys the Gospel story in the imaginative prose of a novel This is a story of our times or how the gospels might have turned out if they were written by John Le Carre racy readable and full of incident *The Shadow of the Galilean* Gerd Theissen, 1986 Studying the Historical Jesus Bruce David Chilton, Craig Alan Evans, 1998 This coordinated collection of studies provides important critical assessments of recent progress in Life of Jesus research Topics treated include Jesus and Palestinian politics the parables and miracles of Jesus and the Jesus tradition in extracanonical sources

The Jesus Quest Ben Witherington III, 1997-05-08 Ben Witherington III offers a comprehensive assessment of what scholars such as John Dominic Crossan Marcus Borg Burton Mack and the Jesus Seminar are really saying about Jesus Salty Wives, Spirited Mothers, and Savvy Widows F. Scott Spencer, 2012-12-19 Engaging feminist hermeneutics and philosophy in addition to more traditional methods of biblical study *Salty Wives Spirited Mothers and Savvy Widows* demonstrates and celebrates the remarkable capability and ingenuity of several women in the Gospel of Luke While recent studies have exposed women's limited opportunities for ministry in Luke Scott Spencer pulls the pendulum back from a negative feminist critical pole toward a more constructive center Granting that Luke sends somewhat mixed messages about women's work and status as Jesus disciples Spencer analyzes such women as Mary Elizabeth Joanna Martha and Mary and the infamous yet intriguing wife of Lot whom Jesus exhorts his followers to remember as well as the unrelentingly persistent women characters in Jesus parables **So Longeth My Soul** Joanna Collicutt, 2024-06-30 Students of Christian spirituality often have an ambivalent attitude to primary sources from the past On the one hand they are intrigued by the mysterious otherness of their and the promise that this very otherness may take them into exciting uncharted territory On the other hand they lack the confidence to navigate this territory so that what begins as strangely intriguing can quickly become just too weird *The SCM Reader in Christian Spirituality* not only offers a collection of readings from the classic texts of Christian spirituality but also gives the reader a way into these texts that enables them to be received as living and relevant for both personal spirituality and ministry An introductory section guides the student through the process and offers techniques for approaching these often ancient texts The Reader then presents readings from the patristic to the end of the early modern period encompassing both the Eastern and Western church traditions grouped around key themes and including extensive notes and contextual material **Christology in Culture Perspective** Colin J. D. Greene, 2004-06-24 Traditionally the study of the person and work of Christ has been understood largely as an exercise in biblical exegesis or historical and doctrinal analysis Rarely if ever has christology focused on the changing cultural paradigms that have deeply influenced the development of human knowledge This unique volume by Colin Greene reverses that trend and in line with modern cultural theory explores the interfaces between successive cultural contexts and the story of Jesus Starting with an examination of the

three main interpretive approaches to Jesus cosmological christology political christology and anthropological christology Greene moves on to concentrate on the subtle and complex linkages between christology and the sociopolitical paradigms that have bolstered the epistemological assumptions of modernity Greene then brings his book to a stirring close with a creative exploration into how christology might once again provide us with a Christ centered vision of reality

Authenticating Criteria in Jesus Research and Beyond Kevin B. Burr, 2023-10-16 Are the criteria of authenticity of Jesus research idiosyncratic to New Testament studies vehicles of subjectivity and fundamentally flawed vestiges of form criticism as some claim today If so why do opponents of the criteria approach still use them Or are the criteria the tools of general historiography as others assert If true none have adequately demonstrated where and how principles such as multiple attestation general and historical coherence dissimilarity and embarrassment feature in general historiographic method until now This study analyzes the methods of general historians and Jesus researchers who favor or oppose the criteria and demonstrates that regardless of sub discipline authenticating criteria are inherent to the practice of historiography **A**

History of the Quests for the Historical Jesus, Volume 2 Colin Brown, Craig A. Evans, 2022-11-08 A comprehensive two volume reassessment of the quests for the historical Jesus that details their origins and underlying presuppositions as well as their ongoing influence on today s biblical and theological scholarship Jesus life and teaching is important to every question we ask about what we believe and why we believe it And yet there has never been common agreement about his identity intentions or teachings even among first century historians and scholars Throughout history different religious and philosophical traditions have attempted to claim Jesus and paint him in the cultural narratives of their heritage creating a labyrinth of conflicting ideas From the evolution of orthodoxy and quests before Albert Schweitzer s famous Old Quest to today s ongoing questions about criteria methods and sources A History of the Quests for the Historical Jesus not only chronicles the developments but lays the groundwork for the way forward The late Colin Brown brings his scholarly prowess in both theology and biblical studies to bear on the subject assessing not only the historical and exegetical nuts and bolts of the debate about Jesus of Nazareth but also its philosophical sociological and theological underpinnings Instead of seeking a bedrock of facts Brown stresses the role of hermeneutics in formulating questions and seeking answers Colin Brown was almost finished with the manuscript at the time of his passing in 2019 Brought to its final form by Craig A Evans this book promises to become the definitive history and assessment of the quests for the historical Jesus Volume One sold separately covers the period from the beginnings of Christianity to the end of World War II Volume Two covers the period from the post War era through contemporary debates **Transformative Encounters** Ingrid R Kitzberger, 2021-10-01 This composite

post colonial and multi dimensional volume contains sixteen original essays by distinguished Jewish and Christian Scripture scholars on a wide range of perspectives on the relation between Jesus and women as portrayed in the New Testament Gospels as historically re constructed in the context of Second Temple Judaism and of Mediterranean society as well as in

present actualizations The contributions reflect the different social locations of interpreters from all continents and testify to the richness of methods employed in biblical interpretation at the end of the 20th century ranging from literary approaches narrative criticism reader response criticism intertextuality historical critical methods archaeology and social scientific interpretation to cultural studies and film theory By addressing new questions and searching for answers on untrodden paths the vital scholarship on Jesus and women will be re viewed enriched and challenged
