Shadow Of The Protector:

The Protector's War S. M. Stirling, 2006-09-05 Ten years after The Change rendered technology inoperable throughout the world two brave leaders built two thriving communities in Oregon's Willamette Valley But now the armies of the totalitarian Protectorate are preparing to wage war over the priceless farmland **The Protector's Legacy** Jan Kotouc, 2023-07-24 Emperor Daniel Hankerson and his allies including his new wife and super commando in one Hila Eban have successfully ended the war on the other side of the Central Imperium A huge fleet is now assembling at planet Davenport for the final confrontation with the New Protectorate But before the battle can start Daniel needs to open the FTL gate leading to the heart of the Imperium The gates are a legacy of an old civilization the Protectors However there is an enemy in Daniel's own family much closer and more personal To deal with these things the Emperor's Own Task Force must go to Earth Earth is the cradle of civilization And the motto of House Hankerson is clear Civilization must continue **The Protector's Promise** Shirlee McCoy, 2008-10-23 New York Times Bestselling Author He means to keep a widow and her daughter safe in their home but can he keep his own heart safe along the way Who could want to hurt a little girl in a pink princess dress Grayson Sinclair vows to find out who's after his widowed neighbor and her child without getting emotionally involved Family life isn't for him but he won't let some deranged person destroy the lovely home Honor Milone has made for her daughter From strange gifts left on her doorstep to attempted murder someone means deadly business Grayson promises to protect Honor and the little girl who sneakily stole his heart Just in time For the threat is closer to home than anyone realizes **Working with the Emotional Investor** Chris White, Richard Koonce, 2016-08-08 An invaluable resource for wealth managers advising individuals couples and families this book explains why human emotions drive all investor behavior and makes a powerful case for why advisors need to be aware of such emotions in advising clients especially in high stakes situations Despite the fact that wealth advisors may employ algorithms fancy financial models economic theory and predictive reasoning to forecast future investment returns according to seasoned wealth management advisor Chris White people in other words clients basically decide how much risk to take with their money based on emotional factors such as the love they received as children early life experiences of loss and imperfect love psychic wounds and family traumas A must read for anyone in the wealth management profession including wealth advisors financial consultants certified financial analysts and retirement advisors this groundbreaking book offers a radically new and well articulated framework for managing relationships with clients as well as the essential tools to advise mentor and guide clients in making financial management decisions Readers will understand how to recognize the emotional and psychological factors behind investor behavior and apply this insight to be a better wealth advisor The author explains why early childhood experiences of love joy and loss and sometimes very subtle family dynamics play a key role in adult investor behavior why being sensitive to an individual's unique psychological systems is key to being able to accurately assess his or her tolerance and acceptance of risk

taking as part of the wealth management process what can cause a client's personality to change especially in high stress or high stakes situations and how to employ sophisticated client relationship management practices such as curiosity appreciative inquiry and powerful questioning to understand clients needs at a deep psychological level

Tales of the Protectors Lisa Pence, 2020-04-07 Almost Heaven elevates children to a position of responsibility without losing their childlike wonder Tales of the Protectors Almost Heaven is an enchanting contemporary juvenile fiction that strives to captivate the reader into making him or she could be chosen as a Protector as well as Maxwell and his friends When young Maxwell transports to Everwell the training ground of the Protectors through a turnstile in a local cemetery he finds himself with a group of young people chosen from earth to assist and defend the human race His team soon discovers there are special circumstances surrounding Maxwell which no one in authority wishes to reveal Almost Heaven empowers young readers to imagine a place broader than the universe and to trust their instincts to solve problems which may pop up unexpectedly It is unique in the concept of children assuming great responsibility for others and appeals to readers who wish to relate to their character The pivotal problem faced by the children towards the end of Almost Heaven forces them to choose whether they will go along with those in charge to attempt a rescue of their friend or will Maxwell possibly sacrifice himself to save his friend

Hour of the Robot Paul R. McNamee, 2021-07-06 From their nerve center penthouse lair the Robot supports the extraterrestrial superhero of the shining city of Pallas the Alien When a train disaster reveals an arms smuggling operation the Alien decides it is time for the Robot to join him in the field On the other end of the pipeline in the city of Crowsport resident vigilante crimefighters the Protector and his sidekick the Understudy are closing in on a local gang boss Following the leads of their separate investigations the Alien and the Protector with the Robot and the Understudy in tow serendipitously meet but their joint operation is broken when the Alien is inexplicably murdered Now the Robot must step out into the world and work with the crimefighters to bring the suspects to justice But are there more dangerous forces at work than they realize

Lanterns of Ash and Blood DA West, Some curses never sleep Some demand blood In the cursed village of Thornfell lanterns burn red and shadows move on their own Sera Thornfield has spent her life trying to escape the weight of her family's past but when the Lantern Walk awakens a horror long buried in the Ash Veil she is forced to confront the truth the village's sins have never faded They have only been waiting Armed with a blood red lantern and the cryptic words of a long lost scholar Sera ventures into the shifting haunted ruins of The Shattered Spire Time bends The dead whisper The walls remember Every step brings her closer to the Harbinger the shadow that cursed her ancestors and now threatens to consume Thornfell forever But the deeper she delves the more the past unravels around her Thornfell's betrayal runs deeper than she ever imagined And the Harbinger isn't the only thing waiting in the dark

Scribes and Their Remains Craig A. Evans, Jeremiah J. Johnston, 2019-09-05 Scribes and Their Remains begins with an introductory essay by Stanley Porter which addresses the principal theme of the book the text as artifact The rest of the volume is then split into

two major sections In the first five studies appear on the theme of Scribes Letters and Literacy In the first of these Craig A Evans offers a lengthy piece that argues that the archaeological artifactual and historical evidence suggests that New Testament autographs and first copies may well have remained in circulation for one century or more having the effect of stabilizing the text Other pieces in the section address literacy orality and paleography of early Christian papyri In the second section there are five pieces on Writing Reading and Abbreviating Christian Scripture These range across numerous topics including an examination of the stauros cross as a nomen sacrum

The Protectors Trilogy: Book Three Ariel Alexis, 2019-07-08 You want to talk about not knowing yourself Try to blame it on shape shifting Are we really the first freaking teenagers to feel that way Do you think that being a Protector makes you weak to admit it Why Why is it so bad to admit it You are fighting for who you are but if you buy into the lie that you re fighting alone then then you re the one hurting yourself The silence was as quick as her anger She had raised her face holding it tightly shut against any expression until the end when whatever control over the rise of her voice had shattered She looked scared Not of me but of what she d said She stared at me nearly panting waiting to see what I would do if I d fall into the bed she d pushed me back against or if I d fight back But it wouldn t be her I d be fighting I could shift out I could disappear That would have been easiest
