**Clinton/Gore** Jeffrey J. Volle,2012-12-05 What if Clinton Gore lost in 1992 Or won in 1992 and lost in 1996 This book is a look back at the importance of all the right moves made by Bill Clinton from the New Hampshire primary to the selection of Al Gore as his running mate to his handling of the Republican takeover of the House of Representatives in 1994 95

Whitaker's Books in Print ,1998 **Barack Obama and the Future of American Politics** Paul Street,2015-12-22 Many Americans believe Barak Obama represents a hopeful future for America But does he also reflect the American politics of the past This book offers the broadest and best informed understanding on the meaning of the Obama phenomenon to date Paul Street was on the ground throughout the Iowa campaign and his stories of the rising Obama phenomenon are poignant Yet the author s background in American political history allows him to explore the deeper meanings of Obama s remarkable political career He looks at Obama in relation to contemporary issues of class race war and empire He considers Obama in the context of our nation s political history with comparisons to FDR JFK Bill Clinton and other leaders Street finds that the Obama persona crafted by campaign consultants and filtered through dominant media trends masks the change candidate s adherence to long prevailing power structures and party doctrines He shows how American political culture has produced misperceptions by the electorate of Obama s positions and values Obama is no magical exception to the narrow spectrum electoral system and ideological culture that have done so much to define and limit the American political tradition Yet the author suggests key ways in which Obama potentially advances democratic transformation Street makes recommendations on how citizens can productively respond to and act upon Obama s influence and the broader historical and social forces that have produced his celebrity and relevance He also lays out a real agenda for change for the new presidential administration one that addresses the recent failures of democratic politics **The Best Books for Academic Libraries: History of the Americas** ,2002 Books recommended for undergraduate and college libraries listed by Library of Congress Classification Numbers
