

The book cover features a central blue shield with a gold border. The shield is flanked by two crossed swords with ornate hilts. The background is a collage of fantasy elements: a dragon's head in the top right, a goblin-like creature in the bottom left, and a large, pale, carved face on the right. Two gold star-shaped emblems with blue gemstones are positioned at the bottom of the shield. The text is arranged as follows:

Shadows Of Sanctuary Thieves World 3:

Shadows of Sanctuary Joe Haldeman, John Brunner, Philip José Farmer, 2020-02-04 The third Thieves World anthology with stories by fantasy's favorite authors curated by the New York Times bestselling author of the Myth series. Times are hard and the citizens of Sanctuary are not their greedy immoral grifting selves. But desperate times call for desperate measures which means the bad guys are about to up their game. No one is safe from Sanctuary's evil charms not the fish in the waters not the prince's own Hell Hound guards not even Satan himself. *Shadows* also includes another story by Offutt that reinforces my opinion that he is incapable of writing a bad story for this series. A number of the tales are Tempus stories with several of our other recurring characters also making appearances. By virtue of Tempus' unique relationship with the god Vashanka these stories also bring us back toward the storyline of the competing deities and help us to look forward to new developments in the fourth book. All in all *Shadows* is the strongest book amongst the first three publications. *Fantasy Faction*
