Shakespeare and the Courtly Aesthetic Gary Schmidgall, 1974 **Shakespeare's Caliban** Alden T. Vaughan, Virginia Mason Vaughan, 1991 Shakespeare's Caliban examines The Tempest's savage and deformed slave as a fascinating but ambiguous literary creation with a remarkably diverse history The authors one a historian and the other a Shakespearean explore the cultural background of Caliban's creation in 1611 and his disparate metamorphoses to the present time

Shakespeare's Late Plays Jennifer Richards, 2019-08-07 This new collection reflects a resurgence of interest in Shakespeare's plays performed between 1608 and 1613 Pericles Cymbeline The Winter's Tale The Tempest All is True Henry VIII The Two Noble Kinsmen and Cardenio It offers a broad range of new historicist approaches touching upon key topics in current Shakespearean studies such as kinship relations manliness magic medico politics nationalism rhetoric schism sexuality and staging conventions The plays are explored both individually and within generic thematic and chronological groups Each author combines new research with their experience of teaching the plays offering innovative approaches to some well known works as well as encouraging readers to explore less familiar dramas such as Pericles Cymbeline All is True and The Two Noble Kinsmen The volume is unusual in its coverage of the lost late play Cardenio and considers its significance for our conception of the lateness of these plays This book will fill a large gap in the market for a broad ranging critical introduction to this important and increasingly popular area in Shakespeare's work and is suitable as a textbook for undergraduate graduate and more general readers *Shakespeare* David M. Bergeron, Geraldo U. de Sousa, 1987 This updated edition should be welcomed by anyone interested in Shakespeare Particularly useful are its pithy introductions and bibliographies on various critical approaches David Bevington editor of Complete Works of Shakespeare A handy compact map to the changing and contested field of Shakespeare studies Bruce R Smith author of *Homosexual Desire in Shakespeare's England* Copyright Libri GmbH All rights reserved Italian Culture in the Drama of Shakespeare and His Contemporaries Michele Marrapodi, 2016-12-05 Applying recent developments in new historicism and cultural materialism along with the new perspectives opened up by the current debate on intertextuality and the construction of the theatrical text the essays collected here reconsider the pervasive influence of Italian culture literature and traditions on early modern English drama The volume focuses strongly on Shakespeare but also includes contributions on Marston Middleton Ford Brome Aretino and other early modern dramatists The pervasive influence of Italian culture literature and traditions on the European Renaissance it is argued here offers a valuable opportunity to study the intertextual dynamics that contributed to the

construction of the Elizabethan and Jacobean theatrical canon In the specific area of theatrical discourse the drama of the early modern period is characterized by the systematic appropriation of a complex Italian iconology exploited both as the origin of poetry and art and as the site of intrigue vice and political corruption Focusing on the construction and the political implications of the dramatic text this collection analyses early modern English drama within the context of three categories of cultural and ideological appropriation the rewriting remaking and refashioning of the English theatrical tradition in its iconic thematic historical and literary aspects *Shakespeare's Hyperontology* Harald William Fawkner,1990 Utilizing a number of poststructuralist devices H W Fawkner employs an ontodramatic line of approach in order to suggest that a single hidden pattern of hyperontological suggestion organizes Shakespeare s entire imaginative outlook in Antony and Cleopatra

The Tempest Patrick M. Murphy,2013-10-28 *The Tempest Critical Essays* traces the history of Shakespeare s controversial late romance from its early reception and adaptation in the seventeenth and eighteenth centuries to the present The volume reprints influential criticism and it also offers eight original essays which study *The Tempest* from a variety of contemporary perspectives including cultural materialism feminism deconstruction performance theory and postcolonial studies Unlike recent anthologies about *The Tempest* which reprint contemporary articles along with a few new essays this volume contains a mixture of old and new materials pertaining to the play s use in the theater and in literary history *The Tempest: A Critical Reader* Alden T. Vaughan, Virginia Mason Vaughan,2014-09-25 *The Tempest* contains sublime poetry and catchy songs magic and low comedy while it tackles important contemporary concerns education power politics the effects of colonization and technology In this guide Alden T Vaughan and Virginia Mason Vaughan open up new ways into one of Shakespeare s most popular malleable and controversial plays **Staging Early Modern Romance** Mary Ellen Lamb, Valerie Wayne,2009-01-13 This collection recovers the continuities between two modes of romance that have long been separated from one another in critical discourse the prose fictions that early moderns often referred to as romances and Shakespeare s late plays which have often been termed romances since Dowden
