

Shakespeare Just For A Laugh

Valerie M. Fazel, Louise Geddes

Shakespeare Just For A Laugh:

Shakespeare Just for a Laugh Malcolm Darby, 2003 *My Remarkable Little Monkey* Mark Lages, 2017-04-27 Marty Anderson is looking for some companionship and decides he must have a monkey. It is a decision that will soon change his life. The capuchin monkey he purchases turns out to be more than just an ordinary little tree swinging pet. This monkey named Shakespeare is exceptionally bright. Marty does everything he can think of to accommodate his furry brilliant friend but it just doesn't seem to be enough. Join Marty and his group of unforgettable friends as they try to give Shakespeare a proper upbringing in an unpredictable human oriented world. In *My Remarkable Little Monkey* the outlandish becomes a reality and the status quo becomes unbelievable. Once you are done reading you'll put this book down while scratching your head and wondering what just happened.

Shakespeare's Sugared Sonnets Katharine M. Wilson, 2021-03-30 In the course of some research into the musical element in English poetry Dr Wilson read the work of the Elizabethan sonneteers chronologically and was struck by a suspicion that Shakespeare's sonnets were parodies. Later she carried out a more thorough investigation and this book originally published in 1974 is the product her early impressions had been justified beyond all expectation. Her investigation involved examining the background of each of Shakespeare's sonnets and this in itself is a contribution to scholarship. A surprising number of them are shown to be direct parodies of particular sonnets all of them guy the sonnet convention and the more difficult ones are easily explained by this hypothesis. Fresh correspondences between Shakespeare and his predecessors have come to light and his relationship with them is seen to be mocking. This is demonstrated in his borrowings from Ovid also while the opening seventeen sonnets gain point as parody of Erasmus on marriage. The book opens with a short note on the origin of the sonnet in song chivalric love and Plato. The sonnet theme in Shakespeare's early comedies is treated freshly and the author throws light on the plays from a new angle. In the final chapter among other themes the implication of dating is considered and here too some new material is discussed. However Dr Wilson is aiming at a wider readership than that of scholars alone. She has a view of Shakespeare as a young man catering for young man laughter as she puts it and she never loses sight of this aspect in her study. Although the academic basis is there the presentation is not academic. Her aim is clearly to share the joke with her readers.

A Preface to Shakespeare's Comedies Michael Mangan, 2014-06-06 This is an informative and interesting guide to the comedies of love. The Two Gentlemen of Verona. The Taming of the Shrew. Love's Labour's Lost. A Midsummer Night's Dream. Much Ado About Nothing. As You Like it. and Twelfth Night which were written in the early part of Shakespeare's career. As well as supplying dramatic and critical analysis this study sets the plays within their wider social and artistic context. Michael Mangan begins by considering the social function of laughter the use of humour in drama for handling social tensions in Elizabethan and Jacobean society and the resulting expectations the audience would have had about comedy in the theatre. In the second section he discusses the individual plays in the light of recent critical and theoretical research. The useful reference section at the end gives the reader a short

bibliographic guide to key historical figures relevant to a study of Shakespeare's comedies and a detailed critical bibliography The Oxford Handbook of Shakespearean Comedy Heather Hirschfeld, 2018-09-06 The Oxford Handbook of Shakespearean Comedy offers critical and contemporary resources for studying Shakespeare's comic enterprises. It engages with perennial yet still urgent questions raised by the comedies and looks at them from a range of new perspectives that represent the most recent methodological approaches to Shakespeare genre and early modern drama. Several chapters take up firmly established topics of inquiry such as Shakespeare's source materials, gender and sexuality, hetero and homoerotic desire, race and religion, and they reformulate these topics in the materialist, formalist, phenomenological, or revisionist terms of current scholarship and critical debate. Others explore subjects that have only relatively recently become pressing concerns for sustained scholarly interrogation, such as ecology, cross-species interaction, and humoral theory. Some contributions, informed by increasingly sophisticated approaches to the material conditions and embodied experience of theatrical practice, speak to a resurgence of interest in performance from Shakespeare's period through the first decades of the twenty-first century. Others still investigate distinct sets of plays from unexpected and often polemical angles, noting connections between the comedies under inventive, unpredicted banners such as the theology of adultery, early modern pedagogy, global exploration, or monarchical rule. The Handbook situates these approaches against the long history of criticism and provides a valuable overview of the most up-to-date work in the field. **Talking Back to Shakespeare** Martha Tuck Rozett, 1994 This book is about the way in which Shakespeare's plays have inspired readers to talk back and about some of the forms such talking back can assume. It is also about the way different interpretive communities, including students, read their cultural, political, and moral assumptions into Shakespeare's plays, appropriating and transforming elements of plot, character, and verbal text while challenging what they see as the ideological premises of the plays. Texts that talk back to Shakespeare pose questions, offer alternatives, take liberties, and fill in gaps. Some of the transformations discussed in *Talking Back to Shakespeare* challenge deeply held assumptions, such as, for instance, that Hamlet is a tragic hero and Shylock a stereotypical grasping usurer. Others invent prior or subsequent lives for Shakespeare's characters, women characters in particular, so as to account for their actions and imagine their lives more fully than Shakespeare chooses to do. Very few of these works have received much critical attention, and some are virtually unknown or forgotten. Rather than a comprehensive study of Shakespeare transformations, *Talking Back to Shakespeare* is an innovative exploration of the kinship between the kind of talking back that occurs in the classroom and the kind to be found in texts produced by writers who rewrite some of Shakespeare's most frequently taught and performed plays. Such revisions unsettle the cultural authority of the plays and expose the accumulated lore that surrounds them to probing, often irreverent, scrutiny. Much of the talking back comes from marginalized readers: women like Lillie Wyman, author of *Gertrude of Denmark: An Interpretive Romance*, and other nineteenth-century women critics, or Jewish writers like Arnold Wesker, whose play *The Merchant*

transforms the relationship between Antonio and Shylock Some talking back comes from an international collection of oppositional voices of the 1960s including Charles Marowitz Aime Cesaire Eugene Ionesco and Joseph Papp Talking Back to Shakespeare ranges from popular books like the recent Pulitzer Prize winning novel A Thousand Acres by Jane Smiley to obscure seldom read ones like Percy MacKaye s ambitious four play prequel The Mystery of Hamlet King of Denmark What these published texts share with student journal entries and transformations is the assumption familiar to postmodern readers that Shakespeare s plays are essentially unstable culturally determined constructs capable of acquiring new meanings and new forms By bringing together these two kinds of talking back Rozett challenges the traditional separation between critical and pedagogical inquiry that has until recently dominated English studies

BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *The Shakespeare User* Valerie M. Fazel, Louise Geddes, 2017-09-26 This innovative collection explores uses of Shakespeare in a wide variety of 21st century contexts including business manuals non literary scholarship database aggregation social media gaming and creative criticism Essays in this volume demonstrate that users critical and creative uses of the dramatist s works position contemporary issues of race power identity and authority in new networks that redefine Shakespeare and reconceptualize the ways in which he is processed in both scholarly and popular culture While The Shakespeare User contributes to the burgeoning corpus of critical works on digital and Internet Shakespeares this volume looks beyond the study of Shakespeare artifacts to the system of use and users that constitute the Shakespeare network This reticular understanding of Shakespeare use expands scholarly forays into non academic practices digital discourse communities and creative critical works manifest via YouTube Twitter blogs databases websites and popular fiction

A History of English Laughter Manfred Pfister, 2002 Is there a history of laughter Or isn t laughter an anthropological constant rather and thus beyond history a human feature that has defined humanity as homo ridens from cave man and cave woman to us The contributors to this collection of essays believe that laughter does have a history and try to identify continuities and turning points of this history by studying a series of English texts both canonical and non canonical from Anglosaxon to contemporary As this is not another book on the history of the comic or of comedy it does not restrict itself to comic genres some of the essays actually go out of their way to discover laughter at the margins of texts where one would not have expected it all in Beowulf or Paradise Lost or the Gothic Novel Laughter at the margins of texts which often coincides with laughter from the margins of society and its orthodoxies is one of the special concerns of this book This goes together with an interest in impure forms of laughter in laughter that is not the serene and intellectually or emotionally distanced response to a comic stimulus which is at the heart of many philosophical theories of the comic but emotionally disturbed and troubled aggressive and transgressive satanic and sardonic laughter We do not ask then what is comic but who laughs at and with whom where when why and how

On Directing Shakespeare Ralph Berry, 2014-08-13 For producers and directors planning a production several questions inevitably arise Which play is

appropriate for the contemporary audience Should the text and setting be altered Twelve leading contemporary directors answer these questions in interviews in this book and shed light on what Shakespeare means to them and to their audiences Originally published in 1977 *Colour*, 1916 The periodical's purpose was to report on contemporary developments in painting from the British Isles and elsewhere more importantly each issue contained high quality colour reproductions of examples of various artists work

Eventually, you will unquestionably discover a supplementary experience and deed by spending more cash. still when? accomplish you admit that you require to get those every needs gone having significantly cash?
