Shakespeare Spenser And The Matter Of Britain

Andrew Hadfield

Shakespeare Spenser And The Matter Of Britain:

Shakespeare, Spenser and the Matter of Britain A. Hadfield, 2003-11-19 Shakespeare Spenser and the Matter of Britain examines the work of two of the most important English Renaissance authors in terms of the cultural social and political contexts of early modern Britain Andrew Hadfield demonstrates that the poetry of Edmund Spenser and the plays of William Shakespeare demand to be read in terms of an expanding Elizabethan and Jacobean culture in which a dominant English identity had to come to terms with the Irish Scots and Welsh who were now also subjects of the crown

Shakespeare, Spenser and the Matter of Britain A. Hadfield, 2003-11-19 Shakespeare Spenser and the Matter of Britain examines the work of two of the most important English Renaissance authors in terms of the cultural social and political contexts of early modern Britain Andrew Hadfield demonstrates that the poetry of Edmund Spenser and the plays of William Shakespeare demand to be read in terms of an expanding Elizabethan and Jacobean culture in which a dominant English identity had to come to terms with the Irish Scots and Welsh who were now also subjects of the crown

Shakespeare and Wales Willy Maley, 2016-04-01 Shakespeare and Wales offers a Welsh correction to a long standing deficiency It explores the place of Wales in Shakespeare s drama and in Shakespeare criticism covering ground from the absorption of Wales into the Tudor state in 1536 to Shakespeare on the Welsh stage in the twenty first century Shakespeare s major Welsh characters Fluellen and Glendower feature prominently but the Welsh dimension of the histories as a whole The Merry Wives of Windsor and Cymbeline also come in for examination The volume also explores the place of Welsh identified contemporaries of Shakespeare such as Thomas Churchyard and John Dee and English writers with pronounced Welsh interests such as Spenser Drayton and Dekker This volume brings together experts in the field from both sides of the Atlantic including leading practitioners of British Studies in order to establish a detailed historical context that illustrates the range and richness of Shakespeare s Welsh sources and resources and confirms the degree to which Shakespeare continues to impact upon Welsh culture and identity even as the process of devolution in Wales serves to shake the foundations of Shakespeare s status as an unproblematic English or British dramatist Indography J. Harris, 2012-05-07 In the fifteenth and sixteenth centuries Europeans invented Indians and populated the world with them The global history of the term Indian remains largely unwritten and this volume taking its cue from Shakespeare asks us to consider the proximities and distances between various early modern discourses of the Indian Through new analysis of English travel writing medical treatises literature and drama contributors seek not just to recover unexpected counter histories but to put pressure on the ways in which we understand race foreign bodies and identity in a globalizing age that has still not shed deeply ingrained imperialist habits of marking difference

Shakespeare and Republicanism Andrew Hadfield, 2005-07-21 This highly praised book first published in 2005 reveals how political thought critical of the government underpins Shakespeare s writing

Shakespeare And Renaissance Europe Andrew Hadfield, 2014-05-13 This collection of essays explores the diverse

ways in which Shakespeare and his contemporaries experienced and imagined Europe The book charts the aspects of European politics and culture which interested Renaissance travellers thus mapping the context within which Shakespeare's plays with European settings would have been received Chapters cover the politics of continental Europe the representation of foreigners on the English stage the experiences of English travellers abroad Shakespeare's reading of modern European literature the influence of Italian comedy his presentation of Moors from Europe's southern frontier and his translation of Europe into settings for his plays

Shakespeare's Ruins and Myth of Rome Maria Del Sapio Garbero, 2021-12-30 Rome was tantamount to its ruins a dismembered body to the eyes of those Italians and foreigners who visited the city in the years prior to or encompassing the lengthy span of the Renaissance Drawing on the double movement of archaeological exploration and creative reconstruction entailed in the humanist endeavour to resurrect the past ruins are seen as taking precedence over myth in Shakespeare's Rome They are assigned the role of a heuristic model and discovered in all their epistemic relevance in Shakespeare's dramatic vision of history and his negotiation of modernity This is the first book of its kind to address Shakespeare's relationship with Rome's authoritative myth archaeologically by taking as a point of departure a chronological reversal namely the vision of the eternal city as a ruinous scenario and hence the ways in which such a layered silent and aporetic scenario allows for an archaeo-anatomical approach to Shakespeare's Roman works

The Second Part of King Henry IV William Shakespeare, 2007-05-03 The New Cambridge Shakespeare appeals to students worldwide for its up to date scholarship and emphasis on performance The series features line by line commentaries and textual notes on the plays and poems Introductions are regularly refreshed with accounts of new critical stage and screen interpretations This second edition retains Giorgio Melchiori's text of Shakespeare's The Second Part of King Henry IV Melchiori argues that the play forms an unplanned sequel to the First Part itself a remake of an old non-Shakespearean play In the Second Part Shakespeare deliberately exploits Falstaff's popular appeal and the resulting rich humour adds a comic dimension to the play rendering it a unique blend of history morality play and comedy Among modern editions Melchiori's is the one most firmly based on the quarto This second edition includes a new section by Adam Hansen on recent stage film and critical interpretations

Imagining the Nation in Seventeenth-Century English Literature Daniel Cattell, Philip Schwyzer, 2020-11-25 This volume brings together new work on the image of the nation and the construction of national identity in English literature of the seventeenth century The chapters in the collection explore visions of British nationhood in literary works including Michael Drayton and John Selden's Poly Olbion and Andrew Marvell's Horatian Ode shedding new light on topics ranging from debates over territorial waters and the free seas to the emergence of hyphenated identities and the perennial problem of the Picts Concluding with a survey of recent work in British studies and the history of early modern nationalism this collection highlights issues of British national identity cohesion and disintegration that remain undeniably relevant and topical in the twenty first century This book was originally published as a special issue of the journal The

Seventeenth Century *Shakespeare and Religion* Alison Shell, 2014-09-22 This book sets Shakespeare in the religious context of his times presenting a balanced up to date account of current biographical and critical debates and addressing the fascinating under studied topic of how Shakespeare's writing was perceived by literary contemporaries both Catholic and Protestant whose priorities were more obviously religious than his own It advances new readings of several plays especially Hamlet King Lear and The Winter's Tale these draw in many cases on new and under exploited contemporary analogues ranging from conversion narratives books of devotion and polemical pamphlets to manuscript drama and emblems Shakespeare's writing has been seen both as profoundly religious giving everyday human life a sacramental quality and as profoundly secular foreshadowing the kind of humanism that sees no necessity for God This study attempts to reconcile these two points of view describing a writer whose language is saturated in religious discourse and whose dramaturgy is highly attentive to religious precedent but whose invariable practice is to subordinate religious matter to the particular aesthetic demands of the work in hand For Shakespeare as for few of his contemporaries the Judaeo Christian story is something less than a master narrative

Shakespeare Spenser And The Matter Of Britain: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have captivated audiences this year. Shakespeare Spenser And The Matter Of Britain : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Shakespeare Spenser And The Matter Of Britain : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Shakespeare Spenser And The Matter Of Britain : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and thrilling novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
