Shakespeare The Man And His Achievement:

Shakespeare. The Man and His Achievement. (1. Publ.) Robert Speaight,1977 *Shakespeare, the Man and His Work* Morton Luce,1913 Shakespeare, the Man and His Works ,1904 **Sexual Shakespeare** Michael Keevak,2001 Shakespeare s sexuality has always been an ambiguous concept despite the pleasant fictions of Shakespeare in Love Now Michael Keevak examines such sources as anecdotes imitations forgeries spurious works and portraits to show that this ambiguity has a long and twisted history **Shakespeare the Man** A.L. Rowse,1988-02-16 **The Man Shakespeare and His Tragic Life-story** Frank Harris,1909 **Shakespeare the Man** R. W. Desai,2014-03-13 While over the past four hundred years numerous opinions have been voiced as to Shakespeare s identity these eleven essays widen the scope of the investigation by regarding Shakespeare his world and his works in their interaction with one another Instead of restricting the search for bits and pieces of evidence from his works that seem to match what he may have experienced these essays focus on the contemporary milieu political developments social and theater history and cultural and religious pressures as well as the domestic conditions within Shakespeare s family that shaped his personality and are featured in his works The authors of these essays employing the tenets of critical theory and practice as well as intuitive and informed insight endeavor to look behind the masks thus challenging the reader to adjudicate among the possible the probable the likely and the unlikely With the exception of the editor s own piece on Hamlet Shakespeare the Man New Decipherings presents previously unpublished essays inviting the reader to embark upon an intellectual adventure into the fascinating terrain of Shakespeare s mind and art **Public and Private Man in Shakespeare** J. M. Gregson,2021-03-30 The potential duality of human character and its capacity for dissembling was a source of fascination to the Elizabethan dramatists Where many of them used the Machiavellian picture to draw one fair faced scheming villain after another Shakespeare absorbed more deeply the problem of the tensions between the public and private face of man Originally published in 1983 this book examines the ways in which this psychological insight is developed and modified as a source of dramatic power throughout Shakespeare s career In the great sequence of history plays he examines the conflicting tensions of kingship and humanity and the destructive potential of this dilemma is exploited to the full in the problem plays In the last plays power and virtue seem altogether divorced Prospero can retire to an old age at peace only at the abdication of all his power This theme is central to the art of many dramatists but in the context of Renaissance political philosophy it takes on an added resonance for Shakespeare

The Man Shakespeare and His Tragic Life Story Frank Harris,2019-12-03 In The Man Shakespeare and His Tragic Life Story Frank Harris ventures into the enigmatic life of William Shakespeare blending biographical inquiry with dramatic interpretation Harris employs a vivid narrative style rich in personal anecdotes and historical context effectively bringing to life the complexities of Shakespeare s character and the social milieu of Elizabethan England Through a detailed examination of known facts and educated speculation Harris unveils the emotional turbulence behind the playwright s most enduring

works emphasizing the poignant interplay between Shakespeare's personal experiences and his art.
