Me, Myself, and I Elizabeth M. Perry, 2018-05-07 As I now close my dear readers my dear friends I leave with you my reasoning I chose to share with you my trials my tribulations all damages done on to me since I was a young child of age eight I feel so blessed for I have always believed there is a higher power our beloved Almighty God And I truly believe and follow the signs the blessings This was and now is my time for closure I so want to share to so many that carry this pain of their realities If sharing myself in my writings will help if only but one then I have been blessed as I say once again Please to you all keep deep within your inner powers of the Almighty the power in hope in love Your power of strength in belief your power of wisdom your power of endurance Carry within your very own knowledge May God bless you all I thank you very seriously I thank you very sincerely Knowing Right, and Walking Left Kathleen Hall, 2004 I sat in the floor of our home indian style My hand over my face sobbing I could hear my children as they played around me but their voices sounded distant I sat waiting What was I waiting for What had happened to me I felt completely abandoned I wanted my parents my brothers and sisters I wanted my husband to hold me I had lost it But what had I lost My life came crashing down around me and I could do nothing but sit and cry I remember the ambulance coming for me I ran and hid like a child I was finally giving up I had fought too long and endured too much I remember asking my sister to take the boys into the other room so they would not see them take me away I looked up at the men in white I wished they were angels there to take me to heaven But heaven would be in my future now I would have to face and accept my past The greatest part is I would not have to do it alone I was never alone , **Uncoloured** Charles Azulay, 2024-01-29 What does it mean to follow your dreams in the face of adversity Can we still hope to find ourselves after enduring abuse and abandonment Is it possible to let go of the past in order to move forward In this unashamedly candid memoir author and actor Charles Azulay relays the tumultuous and ultimately triumphant tale of his life Growing up as a mixed race child born of Black and white parents abandoned to the foster care system in the 1970s Azulay experienced abuse and neglect Though he is ultimately adopted by a white family with whom his lot improves he continues to struggle with his sense of identity as he s raised by parents who don t fully understand the importance of his black culture His inevitable behavioral issues lead to constant conflict with his adoptive parents and force him out on his own and homeless at sixteen Through extreme perseverance Azulay manages to finish school and find a deep love of theatre as he does Passionately driven he embarks on what will ultimately prove to be an extremely successful career in theatre performing internationally in some of the most famous musicals in the world Along the way he continues to struggle with his past his mental health addiction relationships and later on his sexuality As he moves through his life he gains new perspectives that allow him to reconcile with his traumatic past Azulay s is a story of impossible hope of strength in the face of extreme hardship and the rewards that come with it If you ve ever struggled to find yourself especially in the face of trauma you are sure to find solace in Azulay s bracing victorious life story *Healing Neen* Tonier Cain, 2014-09-02

Choose for yourselves this day whom you will serve Joshua 24 15 NIV It is almost unfathomable to believe that just nine years ago Neen was in prison a place as familiar to her as the streets she lived on In just 15 years she had been arrested 83 times with 66 convictions Neen had and lost four children she was a crack addict a prostitute and desperately lost But as long as she had breath she would still have hope One day after 32 years hustling on the streets of Annapolis Neen s crumb of hope turned into a seed of trust Then I will make up to you for the years that the swarming locust has eaten Joel 2 25 NASV Healing Neen isn t just another story about victims and survivors or recovery and redemption ultimately it is a story of Good News and a testament to God s grace and presence It is the story of a woman s path to salvation and a propitious glimpse into the potential buried deep within some of society s most vulnerable people See that you do not despise one of these little ones For I tell you that in heaven their angels always see the face of my Father who is in heaven Matthew 18 10 ESV But this story isn t just about Neen it s about the value of human life the depth of suffering and the heights of grace It is a convincing cri de Coeur for better practices in the way we treat and counsel those caught in the cycles of trauma addiction and serial incarceration Neen brings us face to face with the ubiquitous corruption neglect and abuse in some of the systems meant to safeguard at risk women and children yet she leaves us with hope that things can change for the better Today Tonier Cain s calling is to help save thousands of other Neens across the nation She is a leading advocate for trauma informed care in prisons and mental health facilities She is a champion for examining and improving the way we help one another toward redemption and she is the voice of compassion and promise for so many still living on the fringe who need to hear where there s breath there s hope

When Your Mind Breaks the Spirit of Your Soul Angelica Rose,2014-09-17 It all started when I was about fifteen years old I was playing for the Amateur Softball Association or Junior Olympic Softball I was a standout pitcher throwing the ball about sixty five miles an hour I loved softball it was my sport and it was my passion But something was taking over my body my brain and my soul I wasnt in control anymore I used to throw no hitters strike batters out and be proud of myself But a switch went off in my brain I was hearing voices they were telling me to do certain things I was paranoid and it affected my pitching My

dad could no longer sit anywhere near where I was pitching because I could see his eyeballs Those eyeballs were following me and distracting me so he had to sit behind the outfield fence I could hear what the batters were thinking and I could hear what everyone in the stands were thinking It ruined my career The sad part about it was that nobody helped me How could they have helped me I never told anybody because I was so afraid Was this normal I sometimes think it started even earlier maybe even as young as six years old The voices and paranoia were so intense sometimes I just wanted to end my life Why did my parents not notice this Why didn't anybody notice this I kept it all to myself and dealt with it myself **Love in the Asylum** Lisa Carey, 2009-10-06 From an author whose work has been called haunted and joyous and heartbreaking all at once Washington Post Book World comes an unforgettable novel of two lost souls who find love and salvation against all odds Can love save those who believe they are beyond redemption In and out of a swank north eastern rehab centre more than a dozen times in ten years Alba Elliot a 25 year old children's book writer and manic depressive believes she is a hopeless case But an unlikely relationship with Oscar a 30 year old drug addict whose recreation has cost him everything and a century old story hidden in the institution's library bring about changes that Alba could never have imagined Brought together by fate influenced by forces as beautiful and powerful as they are unforeseen Alba and Oscar will slowly rise from the ashes of despair and self destruction and in the midst of righting an old wrong begin to heal their battered spirits A beautifully crafted heartfelt tale of tragedy and triumph Lisa Carey's moving third novel is a testament to the surprising resilience of the human heart *UP FROM THE PAVEMENT: Triumph over Grief and Trauma through Medicine, Miracles, Love, Laughter, and Faith* Marlo Archer, 2013-05-05 The candid narcotic fueled account of Marlo Archer's restoration to physical emotional and spiritual health following her nearly fatal motorcycle accident in 2008 and the somber heart felt account of her beloved father's fatal battle with addiction and the scars she still bears from both *The Two of Them* Joanna Russ, 2018-05-08 A time traveling heroine vows to rescue a subjugated girl from a fundamentalist society by any means necessary in this extraordinary novel Marge Piercy Rebelling against her repressive 1950s upbringing in a sexist America Irene Waskiewicz flees in search of liberation and adventure as a time and space traveling agent of the Trans Temporal Authority Her partner is Ernst Neumann a mentor father figure friend and lover When the two are assigned to a repressive fundamentalist colony they meet a twelve year old poet whose spirit is being crushed by the harsh restrictions of the society in which she lives But Irene's attempt to rescue Zubeydeh doesn't go as planned especially when Ernst proves unexpectedly resistant To follow through on her commitment to the girl Irene must undertake a drastic course of action no matter the cost In this fierce and moving speculative science fiction novel of female solidarity Hugo and Nebula Award winning author Joanna Russ digs deep into her anger and comes up with a rich and lively tale Ms Magazine **Stripped** Eric Skillings, 2025-04-24 The name of the book Stripped was chosen because drugs and alcohol stripped anything good I ever had in my life This is a story about a troubled youth that comes from a broken home who experiences tough struggles from a young age to adulthood He watched

his family break apart at a young age only to go onto committing crimes and going to a youth detention facility at the age of eleven He dedicated his life to the con code and would go on to drinking and doing drugs to escape his pain His crimes got worse and his jail sentences got longer until he became an adult and started doing jail sentences in the county jail The county jail wasn't enough for him He kept committing crimes to feed his addiction of opiates and crack cocaine until he went to prison for the first time He got out of prison and was only out for a short period of time until he went back to prison This time he would enter a rehab program in prison where he turned his life around Things were going great for him when he got out of prison until he had a traumatic work accident that landed him in a wheelchair But he was a fighter
