My Father The Prince:

A Journey to Love: The True Luna Series Book 3 Sandra Soraya, 2024-08-15 Being inside another kingdom's prison is not part of the future plan of Alpha Prince Steele North of the Northernland Kingdom. He and his men are accused of abducting with the attempt to assassinate Luna Queen Lily Wolfe, the wife of Alpha King Boone Wolfe of the Wolferaine. If convicted, Prince Steele can face capital punishment. While King Wolfe is his enemy, Prince Steele never has a plan to harm the king's wife. Especially since the queen is Prince Steele's own cousin. But if he was not the one who abducted the queen, then who? Somebody was framing him and his men, and the clock was ticking. They need to know the answer fast; otherwise, they will have to march to the gallows. The only person who fits the profile is Prince Steele's twin brother, Alpha Prince Damon North. That makes little sense since Prince Damon died six years ago. King Wolfe himself had killed him. Camellia Collins doesn't know that her fated mate, Prince Damon, has died. People said that Prince Damon was savage and predatory, but Camellia refuses to believe that Damon, that she knew, was a kind man who cared for the weak. He was not a vicious prince who had an ambition to rule the strongest kingdom in the whole shifters' world. It was clear to Camellia that Prince Damon was the victim of a conspiracy. But who would frame Damon? There can only be one person who fits the description: Alpha Prince Steele North. The man wants to be the King of the Northernland and will have the position by any means necessary. Well, not on Camellia's watch. They need to stop him, and Camellia will be the person who does the job. There's only one problem: Alpha Prince Steele North too is Camellia's fated mate.

The Old Songs are Always New Genevieve Campbell, 2023-07-01 It's really great. It's like they're all here. I hear all of these voices, and I sing with them. You know Yikliya Eustace Tipiloura, senior songman and Elder. Perhaps the most defining feature of Tiwi song is the importance placed on the creative innovation of the individual singer/composer. Tiwi songs are fundamentally new, unique, and occasion-specific, and yet sit within a continuum of an oral artistic tradition. Performed in ceremony at public events for art and for fun, songs form the core of the Tiwi knowledge system and historical archive. Held by song custodians and taught through sung and danced ritual, generations of embodied practice are still being created and accumulated as people continue to sing. In 2009, Genevieve Campbell and eleven Tiwi colleagues travelled to Canberra to reclaim over 1300 recordings of Tiwi songs made between

1912 and 1981 that are held in the archives at the Australian Institute of Aboriginal and Torres Strait Islander Studies AIATSIS The Old Songs are Always New explores the return home of these recordings to the Tiwi Islands and describes the musical and vocal characteristics performance context and cultural function of the twelve Tiwi song types giving an overview of the linguistic and poetic devices used by Tiwi composers For the past 16 years Campbell has been working closely with Tiwi song custodians studying contemporary Tiwi song culture in the context of the maintenance of traditions and the development of new music forms Their musical collaboration has resulted in public performances community projects and recordings featuring current senior singers and the voices of the repatriated recordings For this publication Elders have enabled the transcription of many song texts and melodies for the first time shedding light on how generations of Tiwi singers have connected the past with the present in a continuum of knowledge transmission and arts practice My Father, the Prince Milena Petrovic-Njegos Thompson,2022-09-06 Pages & Portraits from the Past Sir William Hotham,1919
