HAMMOND,2012-09-12 AN INACCESSIBLE MORMON ZION EXPULSION FROM JACKSON COUNTY This is Volume IV of an epic multi volume work entitled The Quest for the New Jerusalem A Mormon Generation Saga which combines family Mormon and American history focusing upon how the author s ancestors were affected by their conversion to the Mormon religion In Volume I four of the author s ancestral families the Carters Hammonds Knowltons and Spencer s and the ancestors of Mormon Church founders Joseph Smith and Brigham Young are followed from the time they enter the Massachusetts Bay Colony in New England in the 1600s down to the early 1800s Toward the end of Volume I the focus is upon Joseph Smith and his family including their move from Vermont to western New York and their religious and occult magic worldviews Volume II takes up the narrative at about the year 1820 and involves a detailed comprehensive and critical look at the events in the life of Joseph Smith Jr during the decade in which he purportedly was visited by numerous heavenly messengers received the golden plates translated the writing on the plates to produce the Book of Mormon received priesthood authority from other heavenly messengers published the Book of Mormon and organized the Mormon Church There is a detailed examination of the contentious debate concerning the authenticity of the Book of Mormon and the validity of Smith s 1820s visionary experiences The later chapters describe the movement of Church headquarters from western New York to northeastern Ohio in early 1831 Smith s interest in western Missouri as the site for his New Jerusalem Zion and the conversion of the author s direct ancestor Simeon Daggett Carter Volume III roughly covers Mormon history for the years 1831 33 and describes the influence of Sidney Rigdon and many other Ohio Campbellites Disciples of Christ Church members on the early Mormon Church Numerous Joseph Smith revelations designate Jackson County Missouri as the New Jerusalem Zion the place where the Second Coming of Christ will soon take place However Smith chooses to live instead in Kirtland Ohio and serious disagreements and tensions develop between Smith in Ohio and Missouri Mormon leaders Smith begins construction of a temple in Kirtland and angry Missourians rise up in the summer of 1833 and violently expel the Mormons from Jackson County They are given temporary sanctuary mainly in Clay County located across the Missouri River to the north Volume IV describes the expulsion of Mormons from Jackson County the efforts of Missouri state officials to deal with the explosive situation and Smith s attempt to explain why his Missouri Zion is now off limits to Mormons although the Lord purportedly has designated it as the site for the hallowed New Jerusalem and imminent Second Coming of Christ Smith recruits a Mormon army Zion s Camp and leads it from Ohio to western Missouri in an unsuccessful effort to forcefully redeem Zion and fourteen members of the camp die of cholera at the end of the trek including one of the author s Carter ancestors There are serious recriminations against Smith within the Mormon Church on account of the total failure of this military venture and a member of the Kirtland High Council Sylvester Smith brings formal charges against him In the trial

however the accuser quickly becomes the accused and to avoid excommunication Sylvester is forced to apologize profusely for his false accusations against The Prophet A disgruntled excommunicated Mormon Doctor Philastus Hurlbut travels to western New York in late 1833 and collects numerous affidavits from residents of the Palmyra Manchester area alleging that the young Joseph Smith his father and some of his brothers engaged in illegal occult treasure seer treasurer digging activities during the 1820s and were lazy and dishonest Many of these affidavits are published by Pain

VOLUME II THE CREATION OF MORMONISM: JOSEPH SMITH JR. IN THE 1820S JOHN J HAMMOND, 2011-07-27 This is Volume II of an epic multi volume work entitled The Quest for the New Jerusalem A Mormon Generational Saga which combines family Mormon and American history focusing upon how the author s ancestors were affected by their conversion to the Mormon religion In Volume I four of the author s ancestral families the Carters Hammonds Knowltons and Spencer s and the ancestors of Mormon Church founders Joseph Smith and Brigham Young are followed from the time they enter the Massachusetts Bay Colony in New England in the 1600s down to the early 1800s Their private lives are described as well as how they are affected by such events and situations as King Philip s War the Salem Witch Trials the institution of black slavery the French and Indian War and the American Revolution Toward the end of Volume I the focus is upon Joseph Smith and his family including their move from Vermont to western New York their religious and magic world views the latter involving astrology ritual magic and treasure seer and treasure digging activities Volume II takes up the narrative at about the year 1820 and involves a detailed comprehensive and critical look at the events in the life of Joseph Smith Jr during the decade in which he purportedly was visited by numerous heavenly messengers received the golden plates translated the writing on the plates to produce the Book of Mormon received priesthood authority from other heavenly messengers published the Book of Mormon and organized the Mormon LDS Church Making use of the most recent historical research the author tackles the controversial issues surrounding the First Vision the supposed appearance to Joseph Jr of God the Father and his Son Jesus Christ in 1820 the Second Vision 1823 to 1827 which produced the Book of Mormon and the Third Vision late 1820s or early 1830s which involved the restoration of priesthood authority The author looks at original sources documents and also compares the perspectives of major loyal Mormon non Mormon and ex Mormon scholars on these controversial questions There is a discussion of the serious lack of congruence between how Joseph Smith Jr described these events officially after 1837 and what was being said by the Smith family their neighbors early Mormon converts and by newspaper accounts during the 1820s and early 1830s There is for example no mention of a First Vision for at least twelve years after it supposedly occurred and there are several conflicting versions of it by Joseph Jr in the 1830s once he started talking about it Primary focus however is upon what the author collectively calls the Second Vision which purportedly involved multiple visitations by an angel spirit between 1823 and 1827 It was from this heavenly messenger that Joseph Jr obtained golden plates and the Book of Mormon was he maintained a translation by him of the ancient American writings on

these plates There is a thorough examination of the complex and contentious issues surrounding the origin of the Book of Mormon and several chapters look closely at the evidence regarding its authenticity the question whether it was written by Joseph Jr or by ancient American prophets scribes The author also thoroughly discusses the testimony in the Book of Mormon of the Three Witnesses and Eight Witnesses and offers an alternative narrative regarding what really transpired with Joseph Jr during the 1820s Later in Volume II several chapters look at how Mormon Church organization went through a significant evolution during its earliest years moving against the American democratic grain toward an increasingly centralized authoritarian structure There is a detailed look at Joseph Jr s claims regarding a restoration of priesthood authority during the late 1820s and early 1830s and the considerable controversy *Library Literature* H.W.
