Black Lives, White Lives Bob Blauner, 2022-02-01 Now with a new foreword this timely reissue features a remarkable collection of oral histories that trace three decades of turbulent race relations and social change in the United States for a new generation of activists One evening in 1955 Howard Spence a Mississippi field representative for the NAACP investigating the Emmett Till murder was confronted by Klansmen who burned an eight foot cross on his front lawn I felt my life wasn't worth a penny with a hole in it Twenty four years later Spence had become a respected pillar of that same Mississippi town serving as its first Black alderman The story of Howard Spence is just one of the remarkable personal dramas recounted in *Black Lives White Lives* Beginning in 1968 Bob Blauner and a team of interviewers recorded the words of those caught up in the crucible of rapid racial social and political change Unlike most retrospective oral histories these interviews capture the intense racial tension of 1968 in real time as people talk with unusual candor about their deepest fears and prejudices The diverse experiences and changing beliefs of Blauner's interview subjects sixteen of them Black twelve of them white are expanded through subsequent interviews in 1979 and 1986 revealing as much about ordinary daily lives as the extraordinary cultural shifts that shaped them This book remains a landmark historical and sociological document and an exceptional primary source commentary on the development of race relations since the 1960s Republished with a foreword by Professor Gerald Early *Black Lives White Lives* offers new generations of scholars and activists a galvanizing meditation on how divided America was then and still is today

Missing People, Animals, Things? Go to Anthony Juanita de Guzman Gutierrez, 2019-11-26 Inside this book is a very powerful prayer to Saint Anthony that will shake your hearts out Saint Anthony of Padua is also a matchmaker For those of you who are looking for suitable partners Saint Anthony is the way to go Actually this prayer was taught and given to me by my beloved mother who was a devoted Saint Anthony of Padua

believer Mom assured me that this prayer to Saint Anthony will always be heard by the Saint It was in World War II in a jungle that two young newlyweds were hiding They can see the marching boots of the Japanese soldiers These soldiers held bayonets in their hands Nearby the newlyweds was their friend who was bayoneted It was at this time when the Japanese soldiers were approaching their exact location that the new husband saw a tall man with a brown Habit or clothing spread it out to hide these two newlyweds Each time the Japanese soldiers will close in to these newlyweds hiding spot this browned clothed man with an almost bald hair very young and fair skinned will stand in front of them and spread his cloak or long robe around these blessed newlyweds to hide the two of them The Japanese soldiers did not see the two newlyweds and had changed directions and went away And these newly weds were safe And the vision of Saint Anthony of Padua disappeared These newlyweds were my future parents And my beloved mother was a devotee of Saint Anthony of Padua As a very young girl my future mother was always wearing a brown Habit or Clothing just as Saint Anthony of Padua each time she went to church And it was only my beloved father who saw the vision of Saint Anthony of Padua who saved them from being killed by the Japanese soldiers bayonets in that jungle hideaway in 1944 That hideaway jungle was now where our ancestral home was built and where we grew up All these give me tears each time I recall these very holy and galactic events And I myself have experienced so many miracles from Saint Anthony of Padua This is precisely why this very precious book was written My beloved parents have experienced the miraculous intervention of Saint Anthony during World War II when they were newly married And up to this day Saint Anthony always runs to our rescue whenever we are looking for something After I have said this powerful prayer to Saint Anthony I have found this manuscript that I have been searching for I said to Saint Anthony that if I found this very manuscript that this was Creator Source and Saint Anthony s sign that I will publish this miraculous book And I have found this my manuscript that is in your hands right now *"Come Out My People!"* Wes Howard-Brook, 2010 A compelling view of two competing religious visions one of creation and the other of empire that run throughout the Bible A remarkable offering for those who care about the interface of power and faith with all the threats and seductions that go with it As I read I felt overwhelmed both by the mass of data and by the cunning of interpretation I could not put it down and expect to continue to be instructed by it Walter Brueggemann Howard Brook undertakes what few dare anymore an introductory primer for the whole Bible This book invites disciples to connect the dots in order to recover our ancient anti imperial identity and to embrace a radical faith and practice that are personal and politica Ched Myers Howard Brook illuminates how ancient empires exercised control and manipulation of people not simply by political and military means but also through the religion of empire Throughout he makes clear that the core message of the God of creation is to call people out of empire to refuse to cooperate with the forces of destruction and domination today Richard Horsley Will become a classic for communities that seek first to receive the gracious gift of God s alternative future to Empire Jarrod McKenna If we who sojourn in America are to be a community that can both name and resist the lure of Empire we need a story more

powerful than the story called America Wes Howard Brook knows than the Bible tells such a story May its story be ours as we are set free from our imperial imaginations to dream with our Creator of a new world here and now Jonathan Wilson

Annette Batterink,2017-01-23 One Sunday my husband rented a U Haul trailer and announced to my children and me that he was moving more than 3 000 kilometres away It was a pivotal moment in that I began to understand that my life needed to change It was time to allow God to do a new thing in my life to cleanse and renew me I had gotten lost and confused tired and despairing It was the beginning of an ongoing journey of learning to love myself Outward changes didn't happen immediately but deep inside I was different The threads of the tapestry of my life start long before I was born and go on into eternity Through brilliant colours and dark hues knots and zigzag lines God is creating a picture that only He could design In the Weaver's design there are no mistakes There are threads that remind me that God was preparing me for the tough times before they even happened threads filled with pain that still bring tears to my eyes and threads that bring back memories that make me smile and bring joy to my day The Weaver loves me and I am trusting Him more and more **Psychological**
