A Hug & a Kiss and a Kick in the Pants Kay Kuzma,1987 This is my favorite childcare book right next to How to Talk So Kids Will Listen Listen So Kids Will Talk by Faber and Mazlish Why First of all every chapter has useful ready to use and easy to remember tips instead of having to wade through pages and pages and pages of child rearing philosophy to get to it I ve used many of them dealing with my four children and with great results Secondly the author has a refreshingly positive and compassionate view of children which is important and contagious Her term creative disciplinarian is interesting teaching one to become aware and alert to a given situation instead of just dishing out punishment in robot like fashion This book has many important elements of several other child rearing books that I ve read but all in one place that you ll want to reach for again and again Amazon com
