Bridge Stories Susan Wilson-Shultz, 2014-04 Like a lot of people Susan didn't believe that she had a story worth sharing a story that would impact lives for Christ that is until that surprising day when God called her to write her testimony That day with fingers pressed upon the keys of her laptop Susan embarked on a journey that forever changed her life as well as the lives of others Over the course of a few years as Susan wrote God began to orchestrate the events of her life to paint a beautiful picture depicting how His people should live in preparation for His return and demonstrating His desire that we begin living lives that testify to Him In these pages you will find more than simply the words that describe Susan's personal journey you will hear the Savior's voice You will hear the message that Jesus lovingly laid on her heart a message that speaks about how He longs for His ultimate wedding day to His Bride the Church and about how we should live in preparation for that day Just as a bridge once connected Jerusalem with the Temple Mount bringing people closer to the Temple where God resided these stories will lead you into a deeper relationship with the Lord They will help you to discover your own story for God created you to testify You are meant to be a bridge that leads others to Christ God wants to speak through you so let's get started finding your story [What The Lord Said About Labs](#) Jim Walkington, 2013-04-29 A lighthearted look into how one man trains the fuzzy to avoid the buzzy he trains dogs to avoid rattlesnakes This remarkable book will show everyone

Too often skeptics charge Christians with having a blind faith Unfortunately believers have added fuel to the charges of skeptics by speaking of their faith illogically But the Christian faith is not a blind faith In fact biblical faith is never a blind irrational faith Christianity rests firmly on the stone that was rejected by the builders which has become the cornerstone Jesus Christ Acts 4:11 Living biblically requires thinking biblically just as to think biblically entails to live biblically as Winfried Corduan notes in the Foreword As followers of Christ believers cannot separate biblical thinking and biblical living These two behaviors are eternally connected not only in the person of Jesus Christ but they stem from the eternal being of God the Father and his eternal truth Christ mandates that his followers love God with their entire being heart soul mind and strength Mark 12:30 How are believers to go about living out this biblical mandate Christian faith is a warranted belief This is why it is so essential that Christians recognize the value and importance of philosophy and its proper place in Christendom and in the Christian's walk **Ground-Based Midcourse Defense (GMD) Extended Test Range (ETR)**, 2003 *Sport*
