My Girlish Days:

Voices of Color Woodie King, 1994 A collection of scenes and monologues by African American playwrights **266 Days** Michael W. Tracy, Ph.D. ,2015 Though mostly forgotten for nearly nine months in 1777 and 1778 British forces held the city of Philadelphia With 266 Days Eye Witness Accounts of the British Occupation of Philadelphia author Michael W Tracy Ph D hopes to fill this gap in the story of the war which shaped the American nation Tracy combines accounts from the Pennsylvania Evening Post with excerpts from journal entries and personal letters from well known figures such as George Washington and Thomas Paine citizens living in and around Philadelphia and soldiers on the front lines to give readers a diary like account of the occupation Tracy brings to life voices from the past to present a vivid story of life on both sides of the conflict during the occupation As we read accounts not only of war but also of everyday life the story of the occupation becomes more than just another war story it becomes a historical treasure Vagabonds, Tramps, and Hobos Owen Clayton, 2023-08-10 The most enduring version of the hobo that has come down from the so called Golden Age of Tramping 1890s to 1940s is an American cultural icon signifying freedom from restraint and rebellion to the established order while reinforcing conservative messages about American exceptionalism individualism race and gender Vagabonds Tramps and Hobos shows that this pioneer hobo image is a misrepresentation by looking at works created by transient artists and thinkers including travel literature fiction memoir early feminist writing poetry sociology political journalism satire and music This book explores the diversity of meanings that accrue around the hobo and the tramp It is the first analysis to frame transiency within a nineteenth century literary tradition of the vagabond a figure who attempts to travel without money This book provide new ways for scholars to think about the activity and representation of US transiency *The Days of My Life* Mrs Oliphant, 2018-08-27 This early novel tells the story of Hester Southcote a girl who has been raised by a bitter father to require justice of others rather than sympathy or pity or even love Her father is squire of Cottiswoode in Cambridgeshire but their way of life is overturned when an unknown but rightful heir comes forward Hester takes on her father s bitterness as they start a new life in Cambridge Later she marries and believes she has found happiness however her husband is withholding a secret which will affect her Many plot twists follow including Hester s possession of a cursed diamond ring which casts a symbolic shadow over Hester s unhappiness **Time in the Blues** Julia Simon, 2017 Immediate and spontaneous the blues focuses on the present moment creating an experience of time for performer and listener Time in the Blues offers an interdisciplinary analysis of the forms of temporality produced by and reflected in the blues within the historical context of Jim Crow segregation sharecropping racist violence and migration *Woman with Guitar* Paul Garon, Beth Garon, 2021-02-24 Universally recognized as one of the greatest blues artists Memphis Minnie 1897 1973 wrote and recorded hundreds of songs Blues people as diverse as Muddy Waters Johnny Shines Big Mama Thornton and Chuck Berry have acknowledged her as a major influence At a time when most female vocalists sang Tin Pan Alley material Minnie

wrote her own lyrics and accompanied her singing with virtuoso guitar playing Thanks to her merciless imagination and dark humor her songs rank among the most vigorous and challenging popular poetry in any language *Woman with Guitar* is the first full length study of the life and work of this extraordinary free spirit focusing on the lively interplay between Minnie s evolving artistry and the African American community in which she lived and worked Drawing on folklore psychoanalysis critical theory women s studies and surrealism the authors explorations of Minnie s songs illuminate the poetics of popular culture as well as the largely hidden history of working class women s self emancipation This revised and expanded edition includes a wealth of new biographical material including photographs record contracts sheet music and period advertisements which further vivify this portrait of an African American musical legend Complete updated discography included *Woman with Guitar* is a fascinating thorough and extremely valuable biography of one of American musical history s most vibrant and pioneering artists As the first woman singer songwriter guitarist to ever reach stardom the story of her life in music on and off the stage during one of the most important and formative periods of the origins of popular music is an indelible crucial window into that history Bonnie Raitt *Woman with Guitar* has been since it was first published in 1992 and now with this new revised and extended edition still the only real definitive biography of Memphis Minnie the most important female singer songwriter and guitarist in the history of Delta blues Lucinda Williams As a most ardent and devoted lifelong fan of Memphis Minnie and her music I avidly devoured the original *Woman with Guitar* when it first came out in 1992 Now I am excited to be reading this new edition and so grateful for it s additional rare photos and carefully researched details which shed even more light on this seminal iconic almost mythical musical pioneer who was way ahead of her time and whose soulful music and life so deeply inspired and influenced so many A must read whether you are already a Memphis Minnie fan or just discovering her for the first time Maria Muldaur An excellent book Bill Wyman *Woman with Guitar* is not simply a carefully researched biography of Memphis Minnie compiled from the memories of her relatives friends and fellow performers it is a vivid portrait of a talented singer and guitarist The authors have added a new dimension to blues scholarship Paul Oliver author of *Blues Off the Record* *Woman with Guitar* is a delight The book is both thorough and brilliant a rare combination these days A fanatic interest in Minnie underpins and energizes this wonderful biography David Roediger author of *The Wages of Whiteness* Paul Garon is a co founder of *Living Blues* magazine and author of *The Devil s Son in Law and Blues and the Poetic Spirit* Beth Garon is a painter and collagist The Garons operate a rare book business in Chicago Illinois and have been associated with the US surrealist movement for many years
