**My Grandma's the Mayor** Marjorie White Pellegrino, John Lund, 1999-10-01 Annie is unhappy that she has to share her grandmother the mayor with so many people but when she helps out during a town emergency Annie appreciates all that her grandmother does in the community The Ideal Woman Roy Espiritu, 2014-07-31 Pearl's mother Aurora immigrated to the United States to meet her American suitor. As a Filipina, she struggled to be accepted into her new culture. Although she was quick to learn the foreign ways of her new country, she continued to honor her culture, a knowledge she passes on to her daughter Pearl. Once Pearl grows up, she decides it is time to see her mother's birthplace. As soon as Pearl lands in the Philippines, she feels at home. She feels as though she learned about her home country through her mother's stories. She is at ease in the warm breeze surrounded by the sound of the native tongue. She immerses herself in the culture and catches the eye of a wealthy local matriarch. The older woman thinks Pearl would make a perfect wife for her grandson. Pearl is soon spoiled and courted by the whole family, but a tragedy steals her dreams. She is cast out and must now find a way to still love the country of her mother's birth, the country that hurt her. Aurora was a strong woman in a foreign place; her daughter can be too. Only one third of 12th graders are able to explain the significance of the Declaration of Independence, and fewer than half of 8th graders know the purpose of the Bill of Rights. This instructional guide explores the foundations of civics education and the reasons for its demise, with commentary from civics education leaders and scholars across the nation. Questions for eliciting civics discussion are provided for all grade levels, along with detailed civic action and service projects and reading plans. Best practices and grant writing options are included. The author argues for a return to early 20th century civics education and details the traditional and present-day role of America's libraries in developing a civic-minded populace. School and public librarians are urged to utilize trade books and

carefully evaluated websites to integrate civics within educational and youth services offerings The Mayor's Daughter T. C.
