My Grandmothers Erotic Folktales With Stories Of Adventure And Occasional Orgies In Her Boarding:

My Grandmother's Erotic Folktales Robert Antoni, 2000 A 97 year old widow recounts the lyrical lewd and scatological tales she originally told to her GI lodgers during World War II in order to lure them away from the brothels of Corpus Christi The stories blend the Caribbean s exotic past with it s spicy present **Boarding Out** David Faflik, 2012-09-30 Driven by intensive industrialization and urbanization the nineteenth century saw radical transformations in every facet of life in the United States Immigrants and rural Americans poured into the nation s cities often ahead of or without their families As city dwellers adapted to the new metropolis boarding out became for a few short decades the most popular form of urban domesticity in the United States While boarding s historical importance is indisputable its role in the period s literary production has been overlooked In *Boarding Out* David Faflik argues that the urban American boardinghouse exerted a decisive shaping power on the period s writers and writings Addressing the works of canonical authors such as Henry David Thoreau Nathaniel Hawthorne and Oliver Wendell Holmes as well as neglected popular writers of the era such as Fanny Fern and George Lippard Faflik demonstrates that boarding was at once psychically artistically and materially central in the making of our shared American culture *Caribbean Military Encounters* Shalini Puri, Lara Putnam, 2017-05-19 This book provides a much needed study of the lived experience of militarization in the Caribbean from 1914 to the present It offers an alternative to policy and security studies by drawing on the perspectives of literary and cultural studies history anthropology ethnography music and visual art Rather than opposing or defending militarization per se this book focuses attention on how Caribbean people negotiate militarization in their everyday lives The volume explores topics such as the US occupation of Haiti British West Indians in World War I the British naval invasion of Anguilla military bases including Chaguaramas Vieques and Guant namo the militarization of the police sex work and the military drug wars and surveillance calypso commentaries private security armies and border patrol operations [The British National Bibliography](#) Arthur James Wells, 2001 **American Book Publishing Record** , 2001 **World Authors 1990-1995** Clifford Thompson, 1999 Representing a broad range of ethnic diversity these in depth profiles present fascinating accounts of lives and careers the circumstances under which works were produced and their literary significance Each profile also includes critical evaluation a list of the author s principal works with date first published a list of major critical works and a portrait or photograph where available [G.K.
