This is a book that the reader will have a difficult time putting down. It grabs one's emotions and sends them on a journey to discover more. It is a true story of a family's triumph over adversity during The Great Depression and leads into the recession now. During The Great Depression the family rarely had enough food to eat nor the necessities of life, but they kept smiles on their faces. It is a mesmerizing story of a wonderful mother who taught her three children morals, manners, and forgiveness. It is also a story of a father who tried to juggle three families at the same time and found out that it could not be done. This father lied, cheated, and made his children victims of his lies. None of his many children wanted to be like him, and none of them are today. It is a spiritual story of a daughter's forgiveness of the lies her father told about her. It is also a story of the writer's successful marriage, her children, grandchildren, and great grandchildren. MISS FLOSSIE'S WORLD is an important part of history. Read it and learn how the world has changed in many ways since The Great Depression and how people are still living their lives and pursuing their dreams much the same. **Not Alone** Lynn Donovan, Dineen Miller, 2013-10-10. Not Alone is encouragement and wisdom for spiritually mismatched moms, whether they are married to a non-Christian, single, divorced, or navigating the challenges of a blended family. It is possible to raise children who have a vibrant relationship with Christ. Their insights and stories will help mothers understand how God helps moms do their part and can trust him to do his. Plus Not Alone includes practical steps to instill children with faith. [Symbol Stories for Children of All Ages](#) Adolph Roeder, 1909.

Small Glimpses of Our Big God Shannon Foldy, 2018-02-23. Life can be crazy. And sometimes the crazy can block our view of God. It can steal our attention from the truth, leave us tired and defeated, and disillusioned with what we think we need. Disconnected from Who we truly need. Join Shannon in a 60-day journey of learning how to use the crazy to connect with God in a deeper and view-changing way, breaking down the obstructions that threaten to barricade our sight from what we are meant to see and Who we are meant to see in it all. **Reflections on a Time That Has Past the 2Nd World War Years 1939-1945** Gloria Mullinax, 2012-11-08. At the beginning of World War II the British Government decided to evacuate the children from the cities to safer places in the countryside and also overseas to other countries. Really, where could be safer in the country? The logic behind the plan was that IF Hitler succeeded in occupying Great Britain, the children could return someday and take their country back. This is the story of my brother, age 4, and myself, age 9, who were evacuated September 9th, 1939, to America. My brother's mother, who was my step mother, accompanied us to elderly relatives that lived in New York State. Then, for reasons known only to herself at that time, she decided to travel back across the U boat-infested

waters of the Atlantic to England Different homes were found eventually for us which was a miracle as there were at least 2 664 Children s Overseas Reception Board CORB children to find homes for The Kodak Company s families in New York opened their homes to these British evacuees primarily for the children of the Kodak Company in Great Britain however they ended up taking a lot of the other children As we had been sent privately on the S S Scythia we were not included in that number We also were returned May 8th 1944 one month before D Day on a Neutral Portuguese ship to Lisbon The war did not end until May 8th 1945 so we were back in England in time for the newest German weapon the Vengeance Weapon l or Doodle bug or Buzz bomb This is our War Time story of our adventures mostly mine told 73 years later with the memories some good and some bad as you will see when you read the book Thank you for your interest It is still facinating to me today

Big God, Big Glory Kendall Hoeft,2024-04-25 Somewhere in Christian history we picked up the lie that it is good to suppress excitement We as the church carry with us the regurgitated message that our authentic joy is a distraction that it s bad for our brothers and sisters to see or be around But how can our honest displays of his glory be outlawed How can our authentic responses of adoration be bad Reflecting God s character and shining for him is often seen in the church as a selfish act Yet we are called to join with creation in boldly declaring the glory of God and worshiping him according to his greatness Big God Big Glory shares with readers a heavenly and biblical perspective on how to be free not suppressed fulfilled and wholly alive all for the glory of God *Missouri Farmer* ,1915 *My Dear Wife and Children* Nick K. Adams,2015-10-19 What does a father write to his wife and young children when he s gone to war Does he explain why he left them How does he answer their constant questions about his return Which of his experiences does he relate and which does he pass over Should he describe his feelings of separation and loneliness These questions are as relevant today as they were over 150 years ago when David Brainard Griffin a corporal in Company F of the 2nd Minnesota Regiment of Volunteers wrote to those he left behind on the family s Minnesota prairie homestead while he fought to preserve the Union His letters cover the period from his enlistment at Minnesota s Fort Snelling in September 1861 to his death in Georgia during the Battle of Chickamauga in September 1863 One hundred of them were preserved and passed down in his family They along with one from his daughter as she asked the next generation to read her father s words have been carefully transcribed and annotated by a great great grandson Nick K Adams allowing further generations to experience Griffin s answers to these questions Filled with poignant images of his daily activities his fears and exhilarations in military conflict and his thoughts and emotions as the Civil War kept him apart from his family these letters offer a fascinating insight into the personal experiences of a common soldier in the American Civil War *The Greatest Children's Classics of All Time - Ultimate Collection: 1400+ Titles in One Book* Beatrix Potter,E.
